

# 1. Projected ITN access from 3 year mass campaigns with varying ANC-EPI distribution

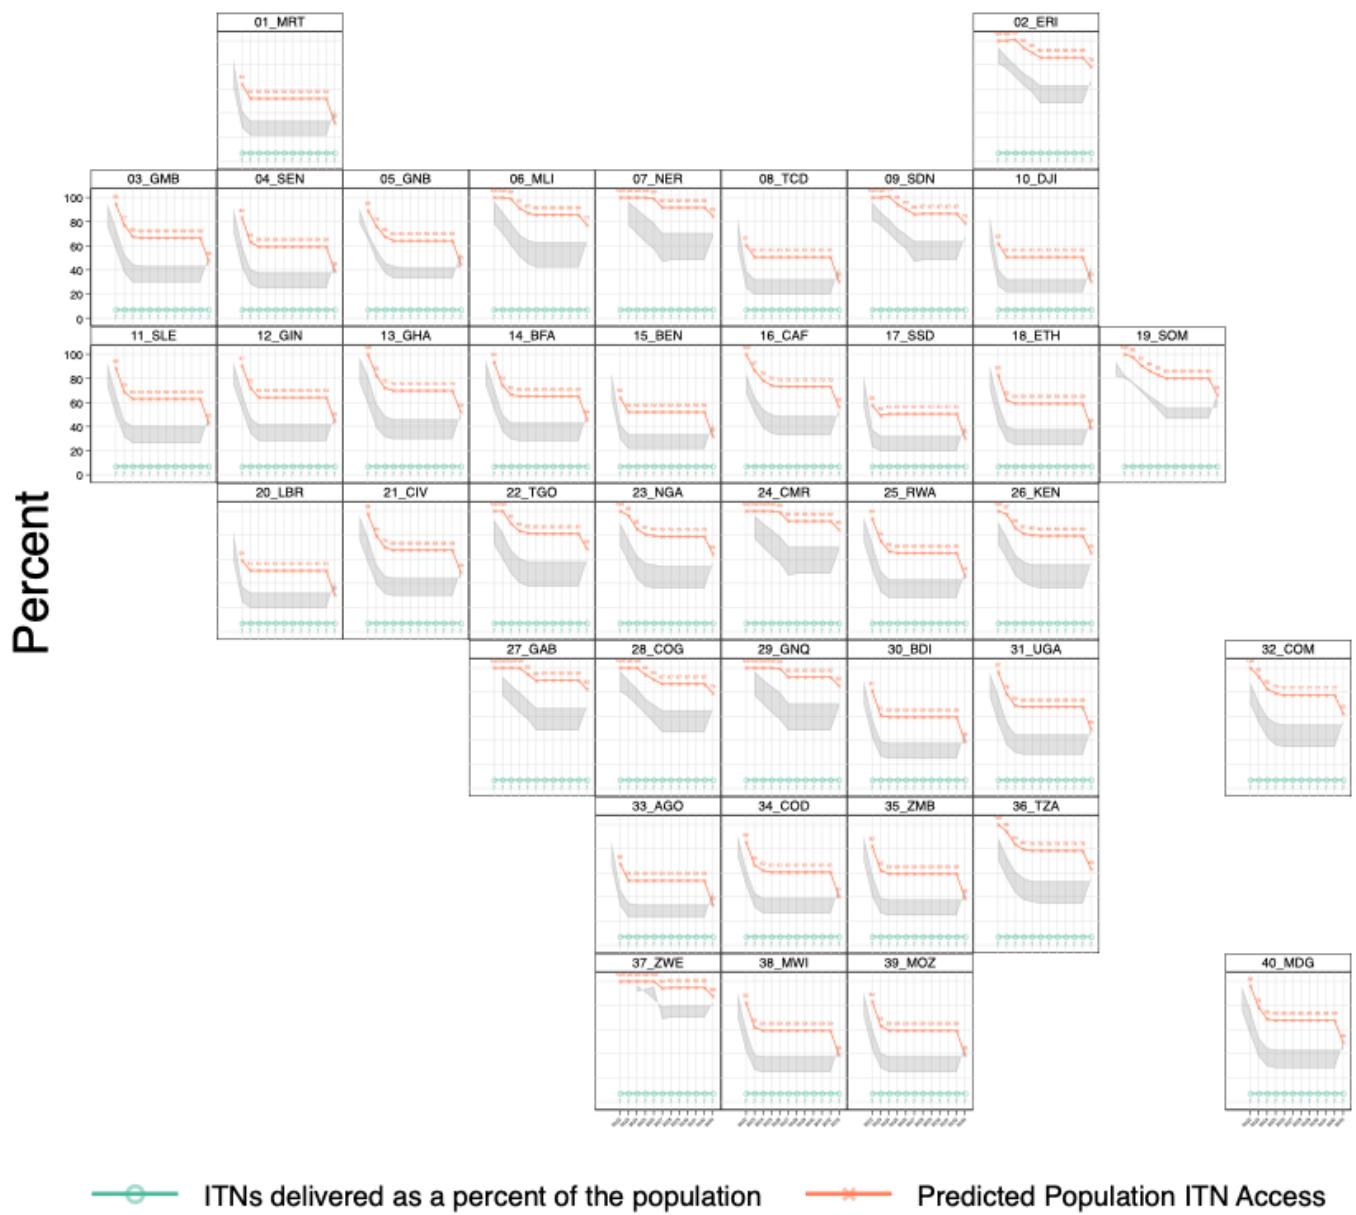

3-year mass campaigns with ANC-EPI at 6%

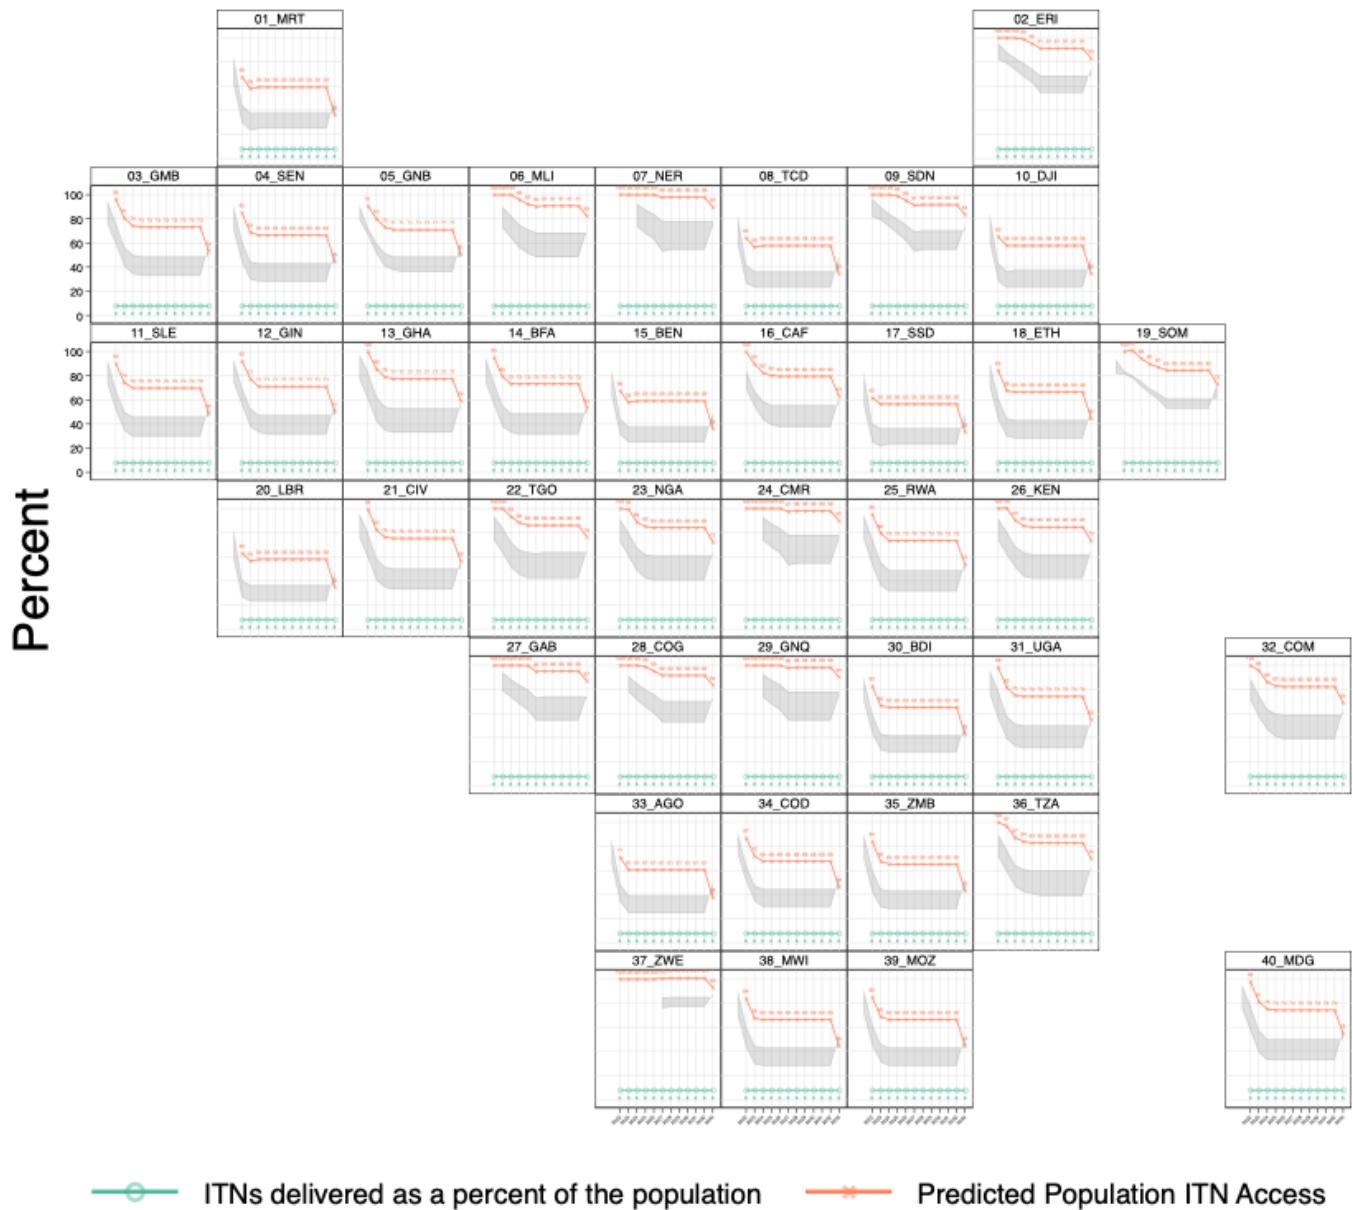

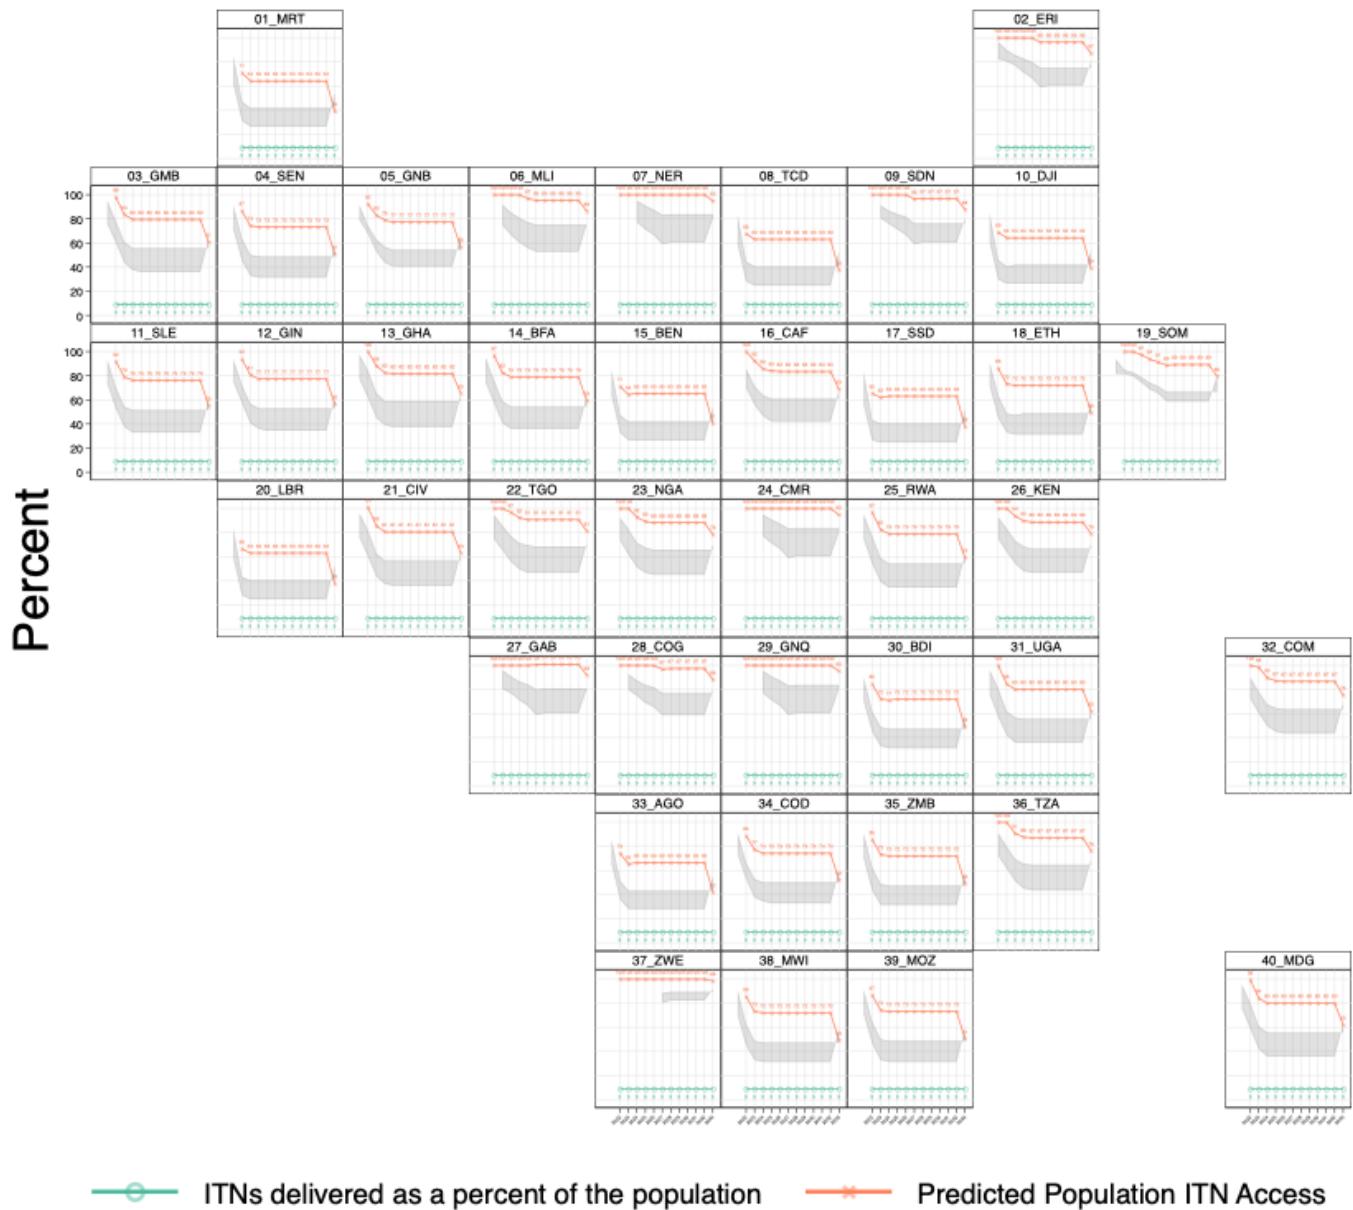

—●— ITNs delivered as a percent of the population      —★— Predicted Population ITN Access

3-year mass campaigns with ANC-EPI at 7%

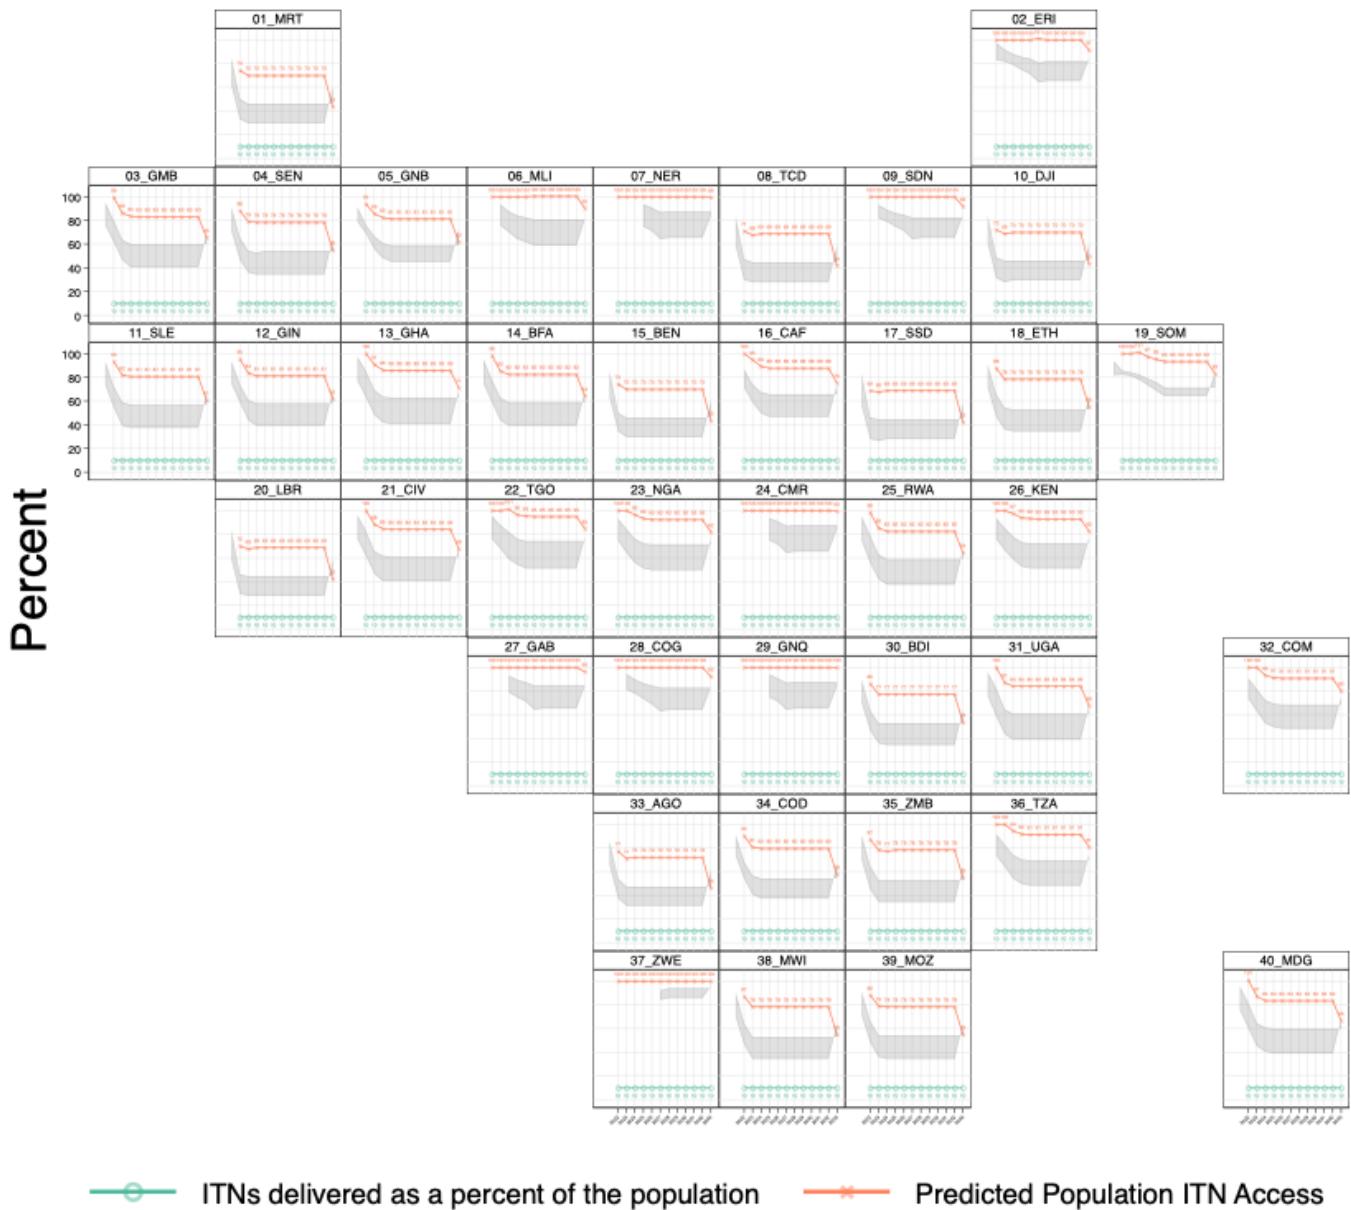

## 2. Projected ITN access from large-scale annual distributions

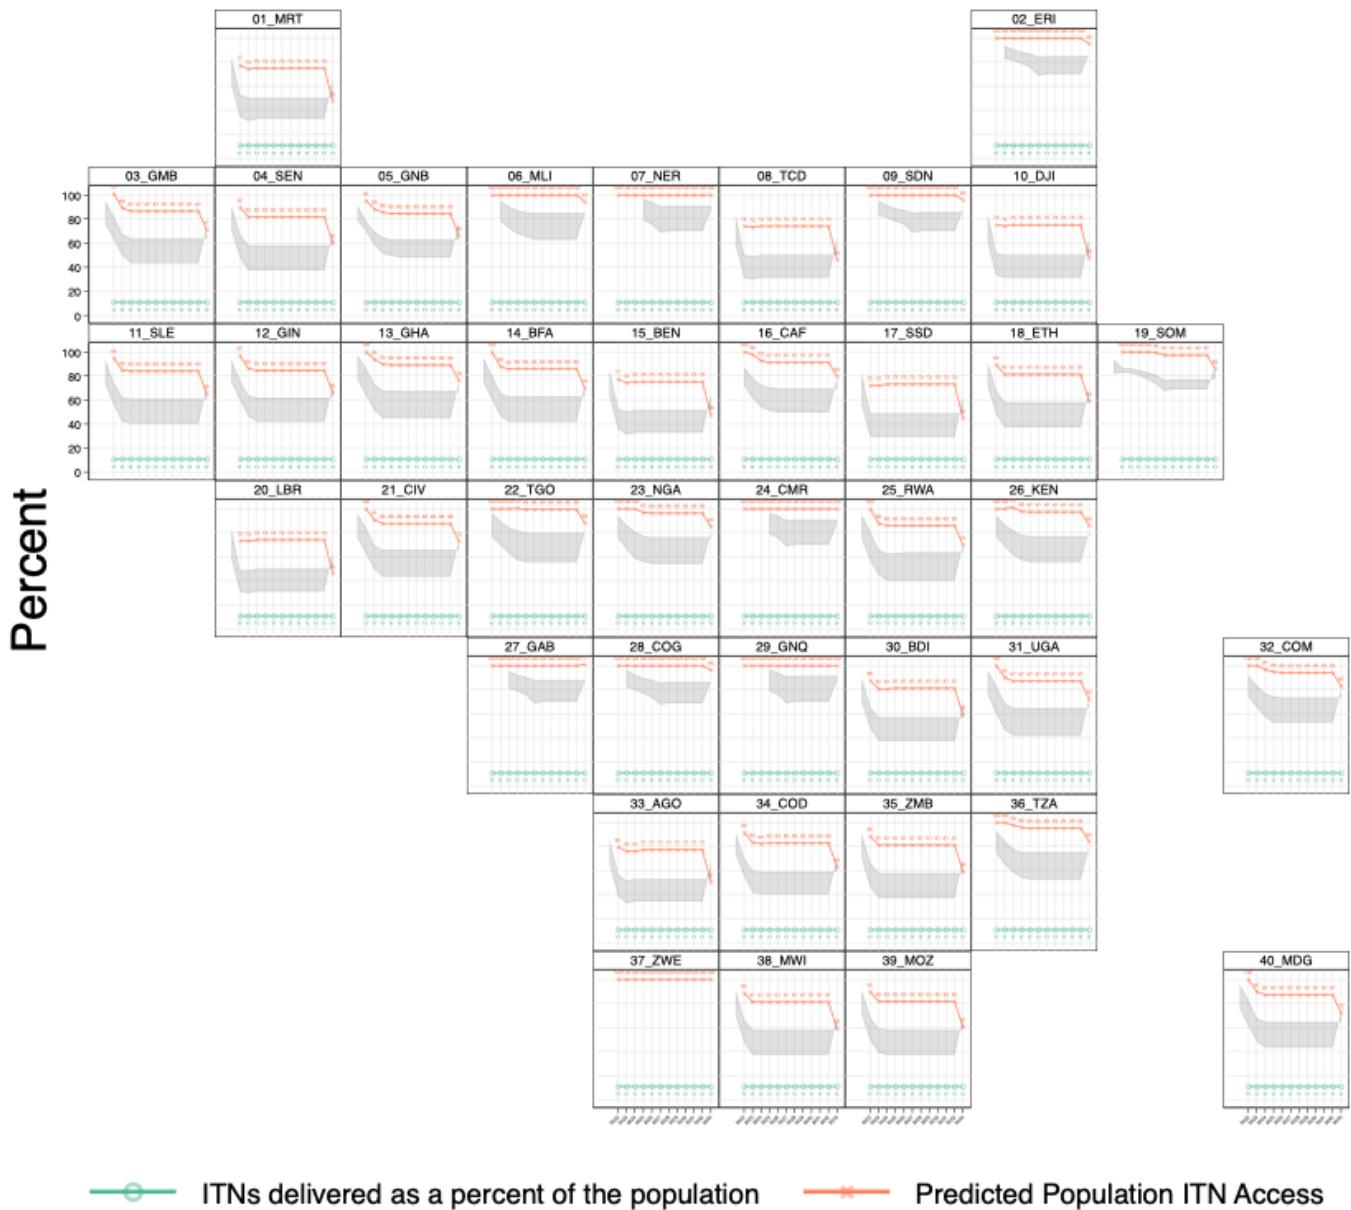

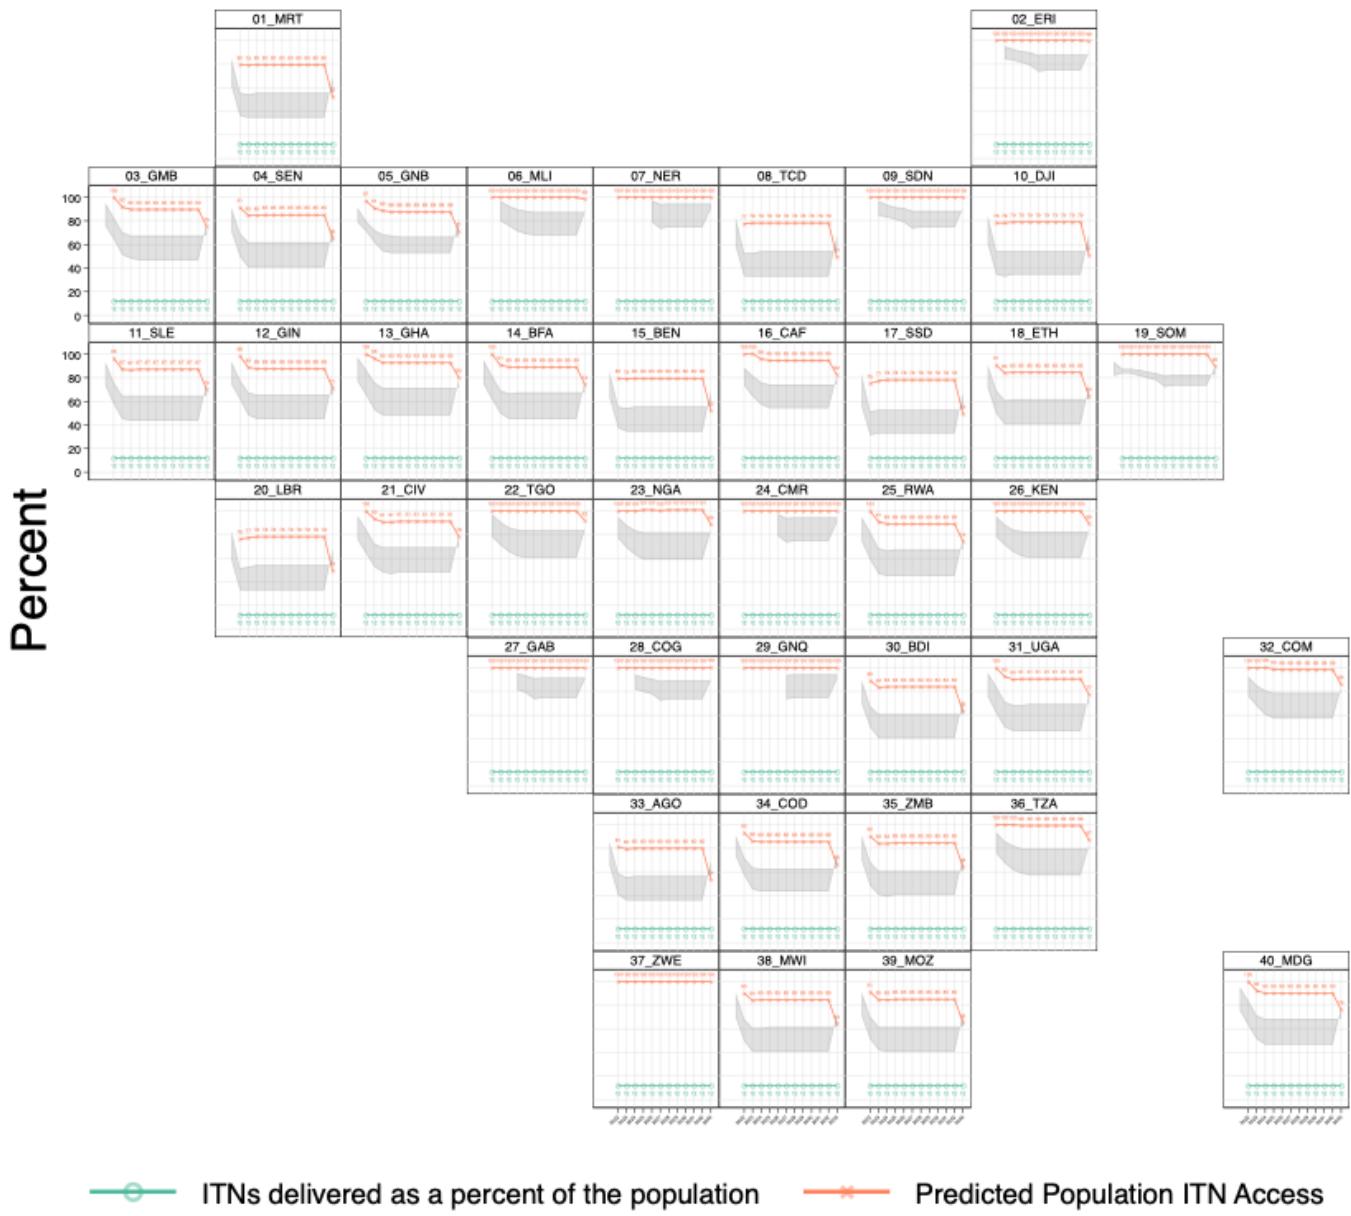

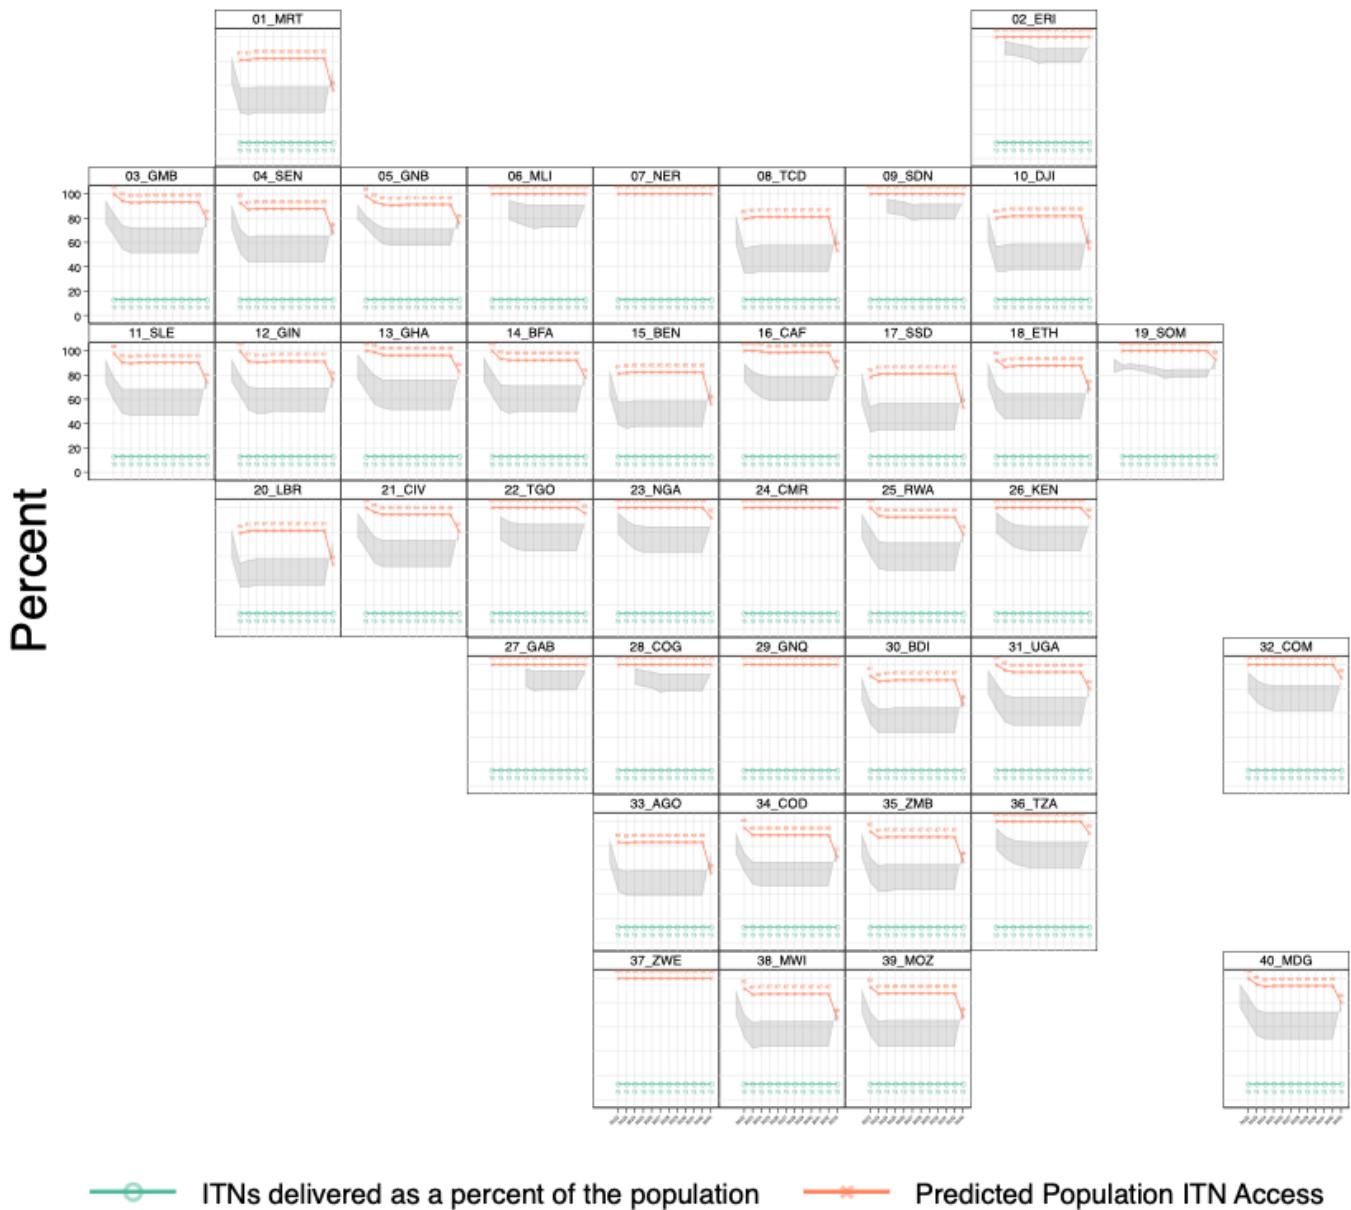

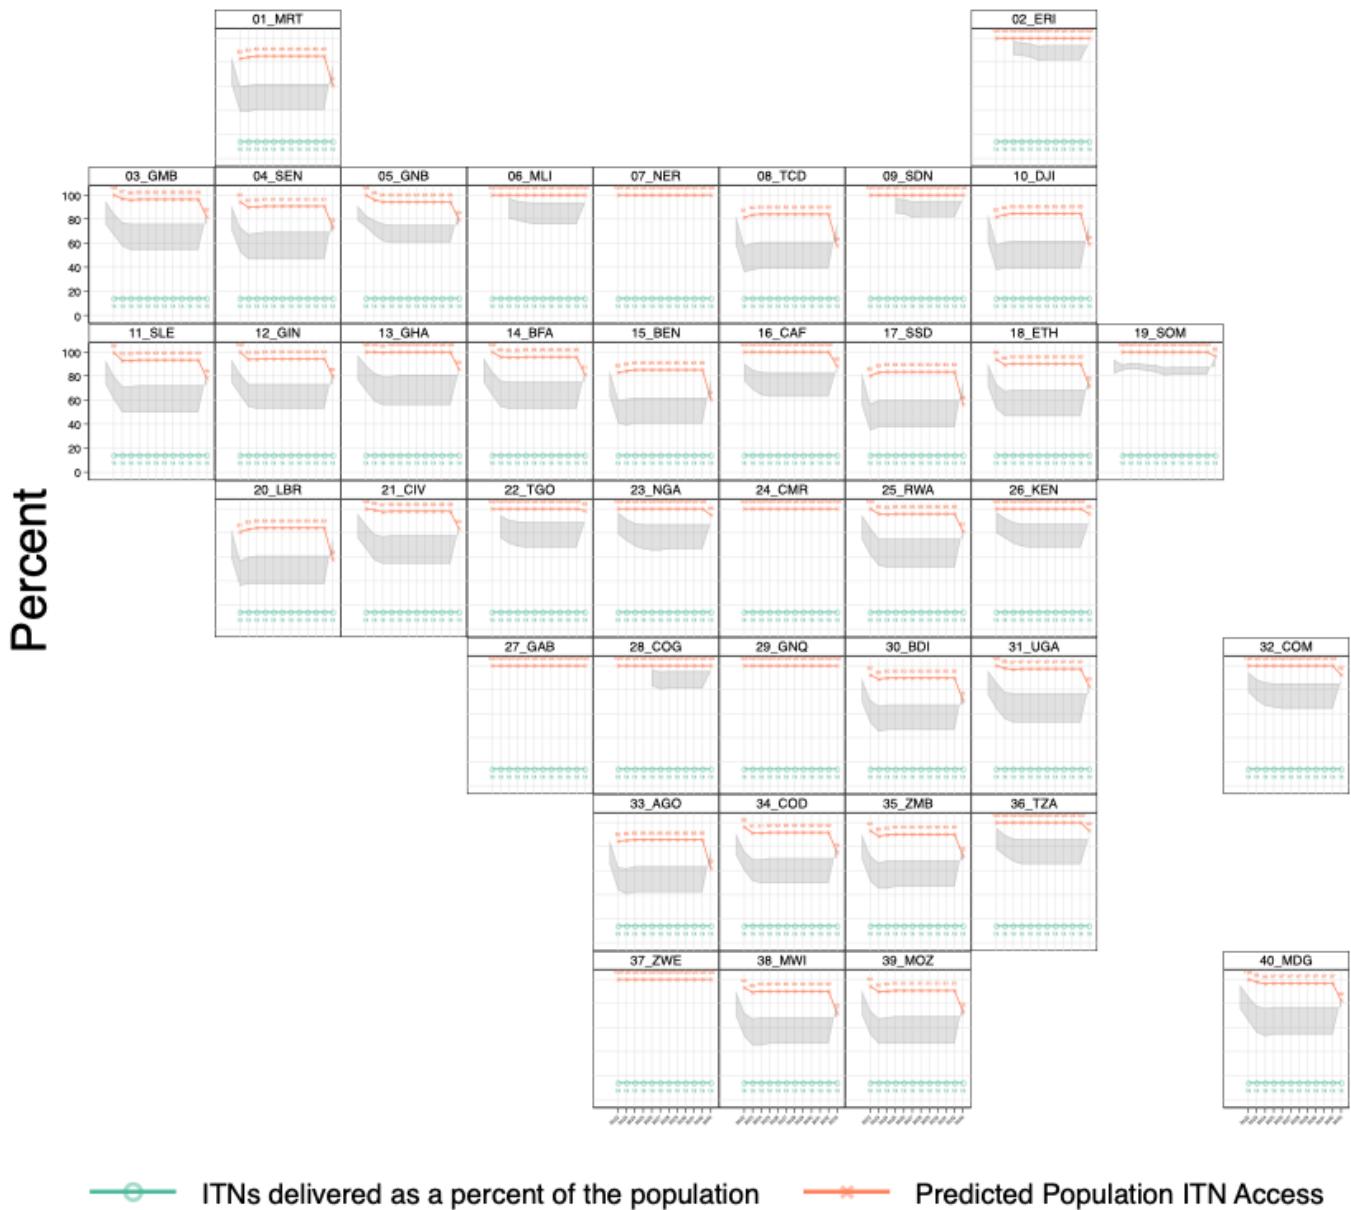

Annual distribution at 9%

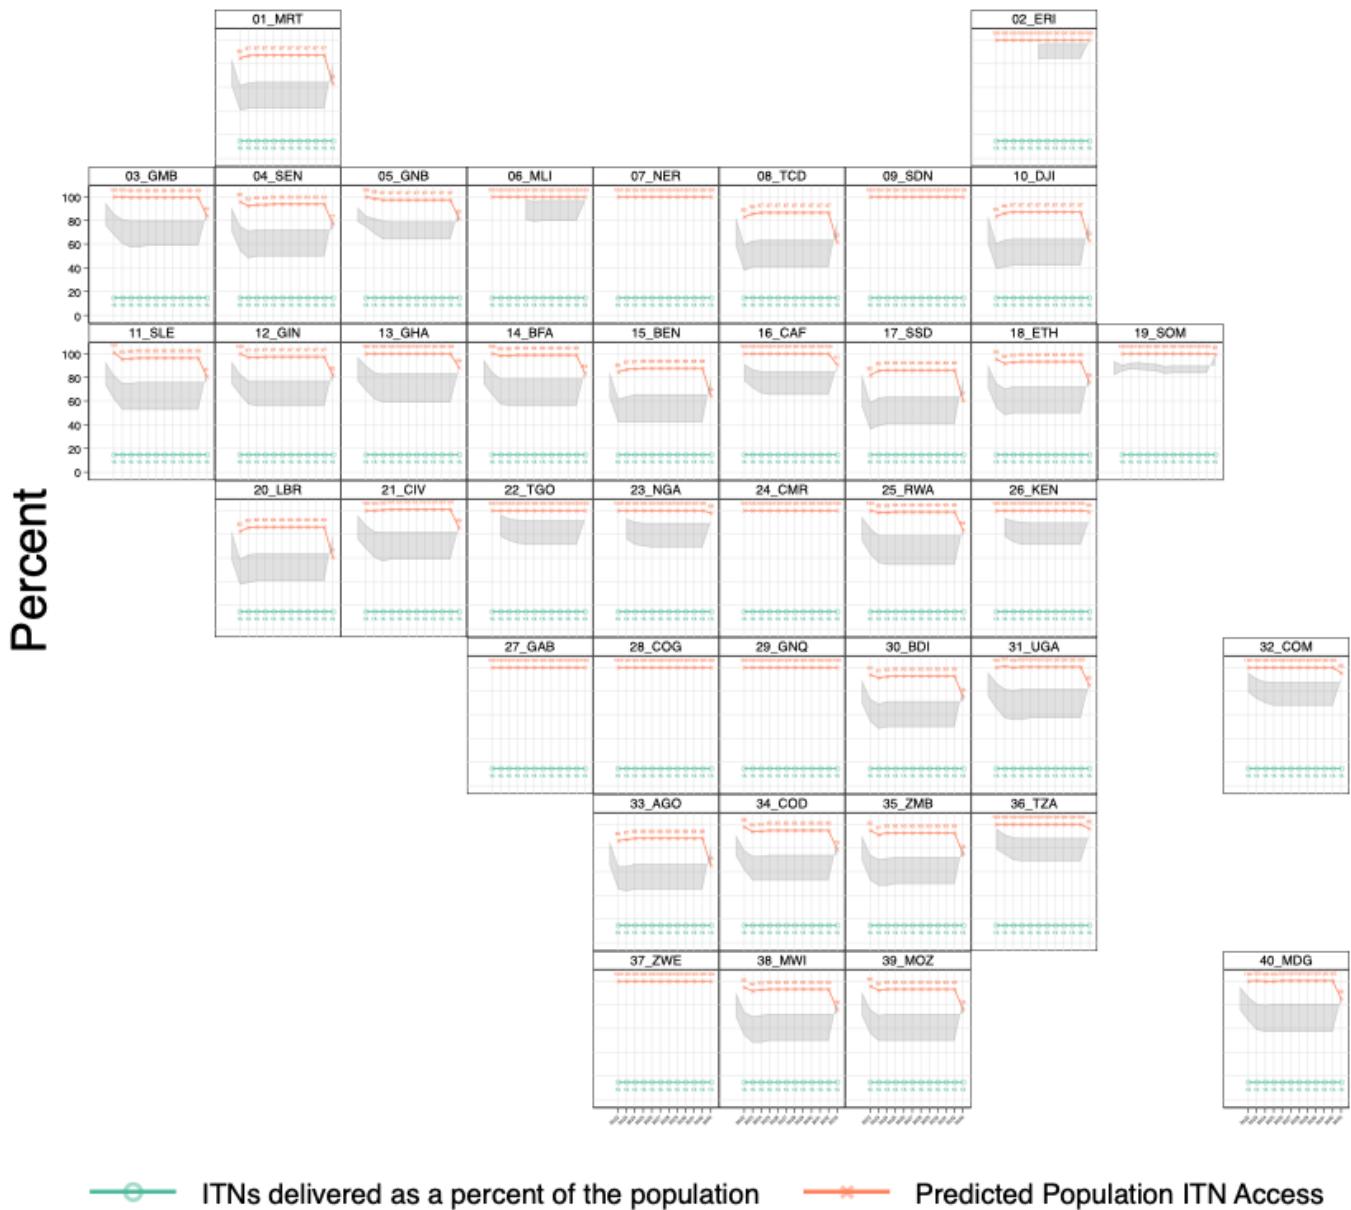

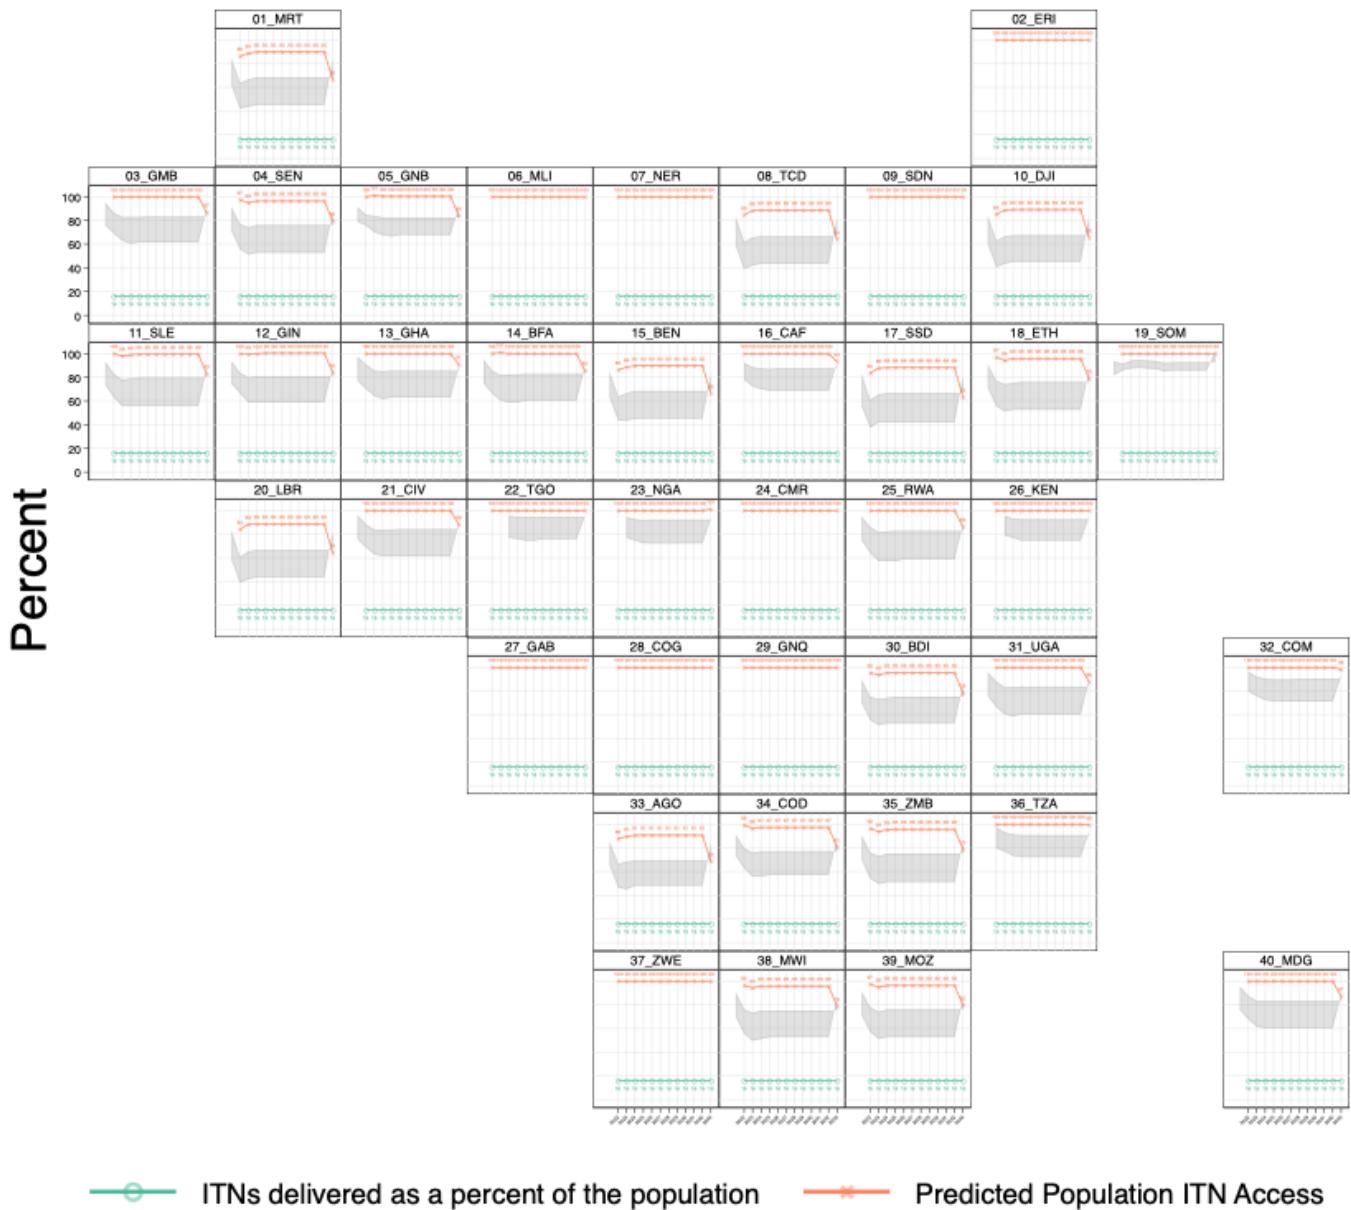

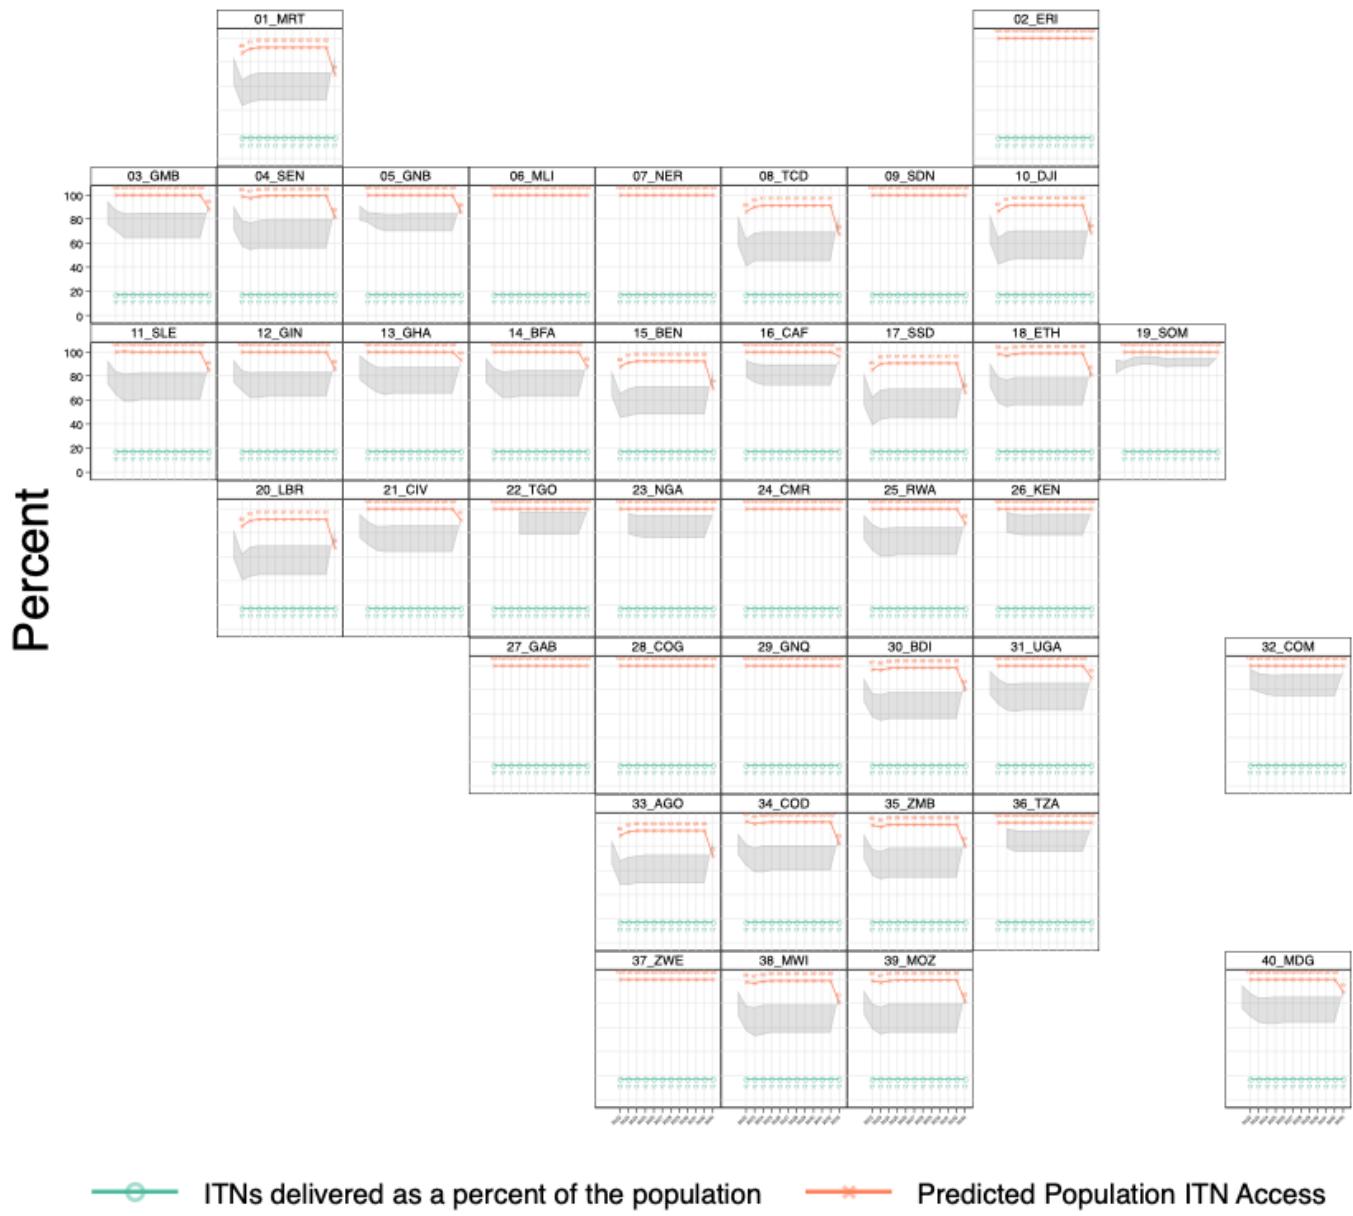

—●— ITNs delivered as a percent of the population      —★— Predicted Population ITN Access

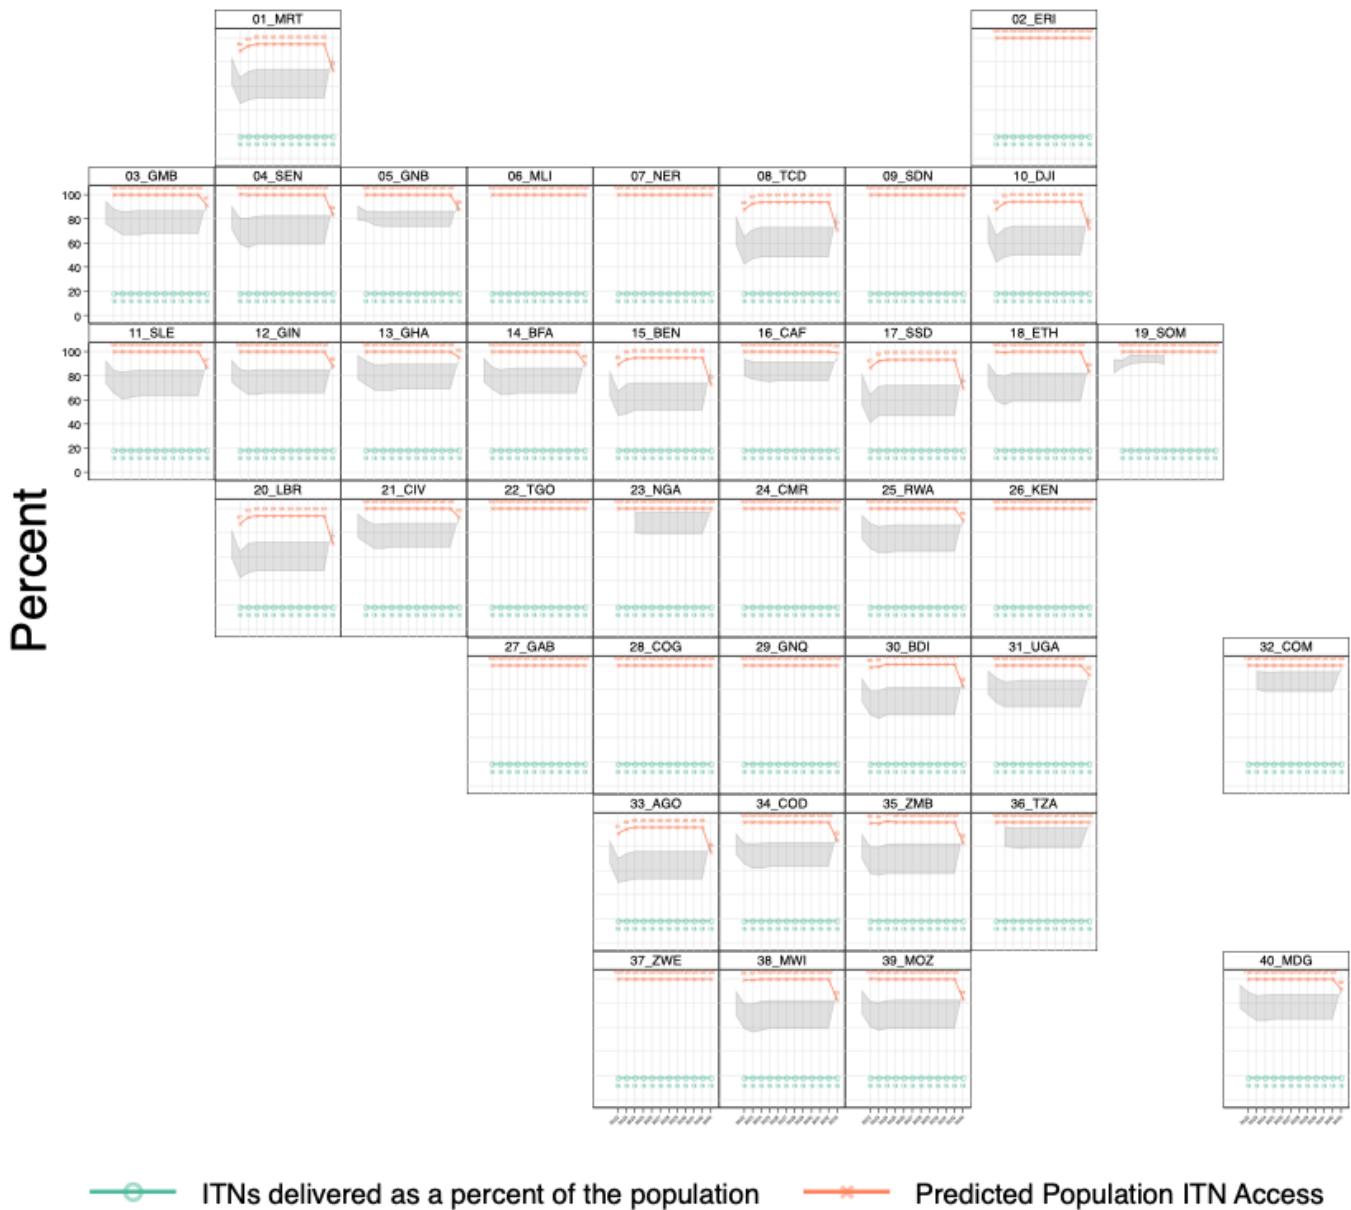

Annual distribution at 15%

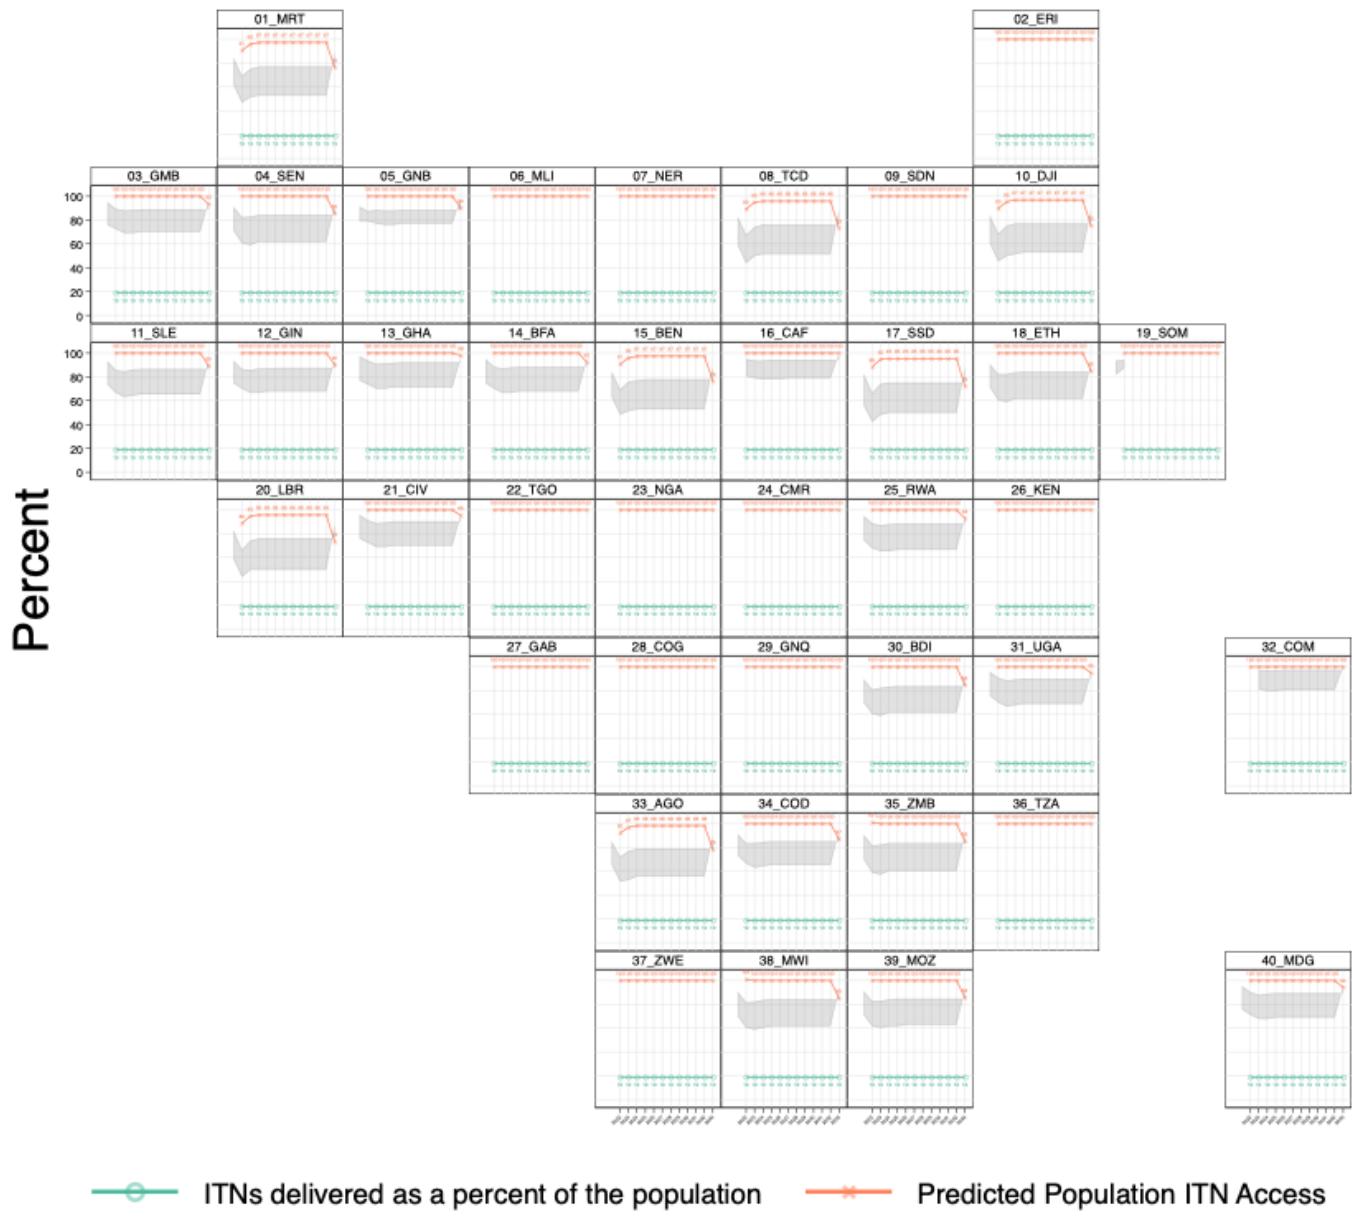

—●— ITNs delivered as a percent of the population      —★— Predicted Population ITN Access

Annual distribution at 17%

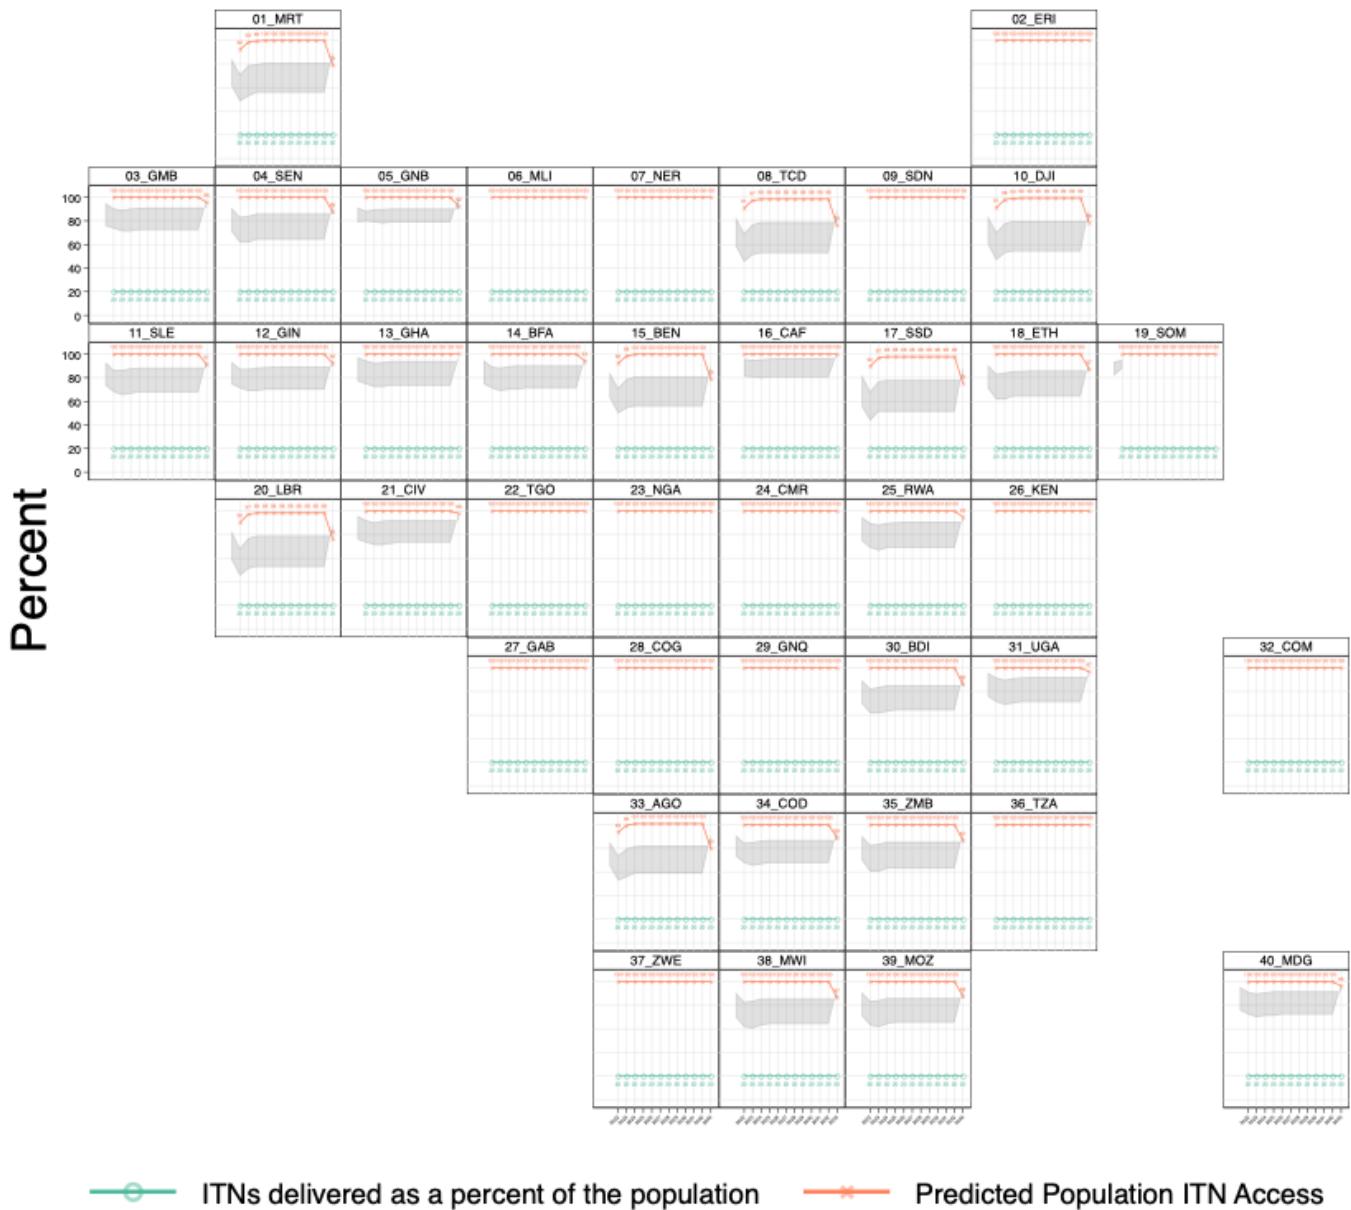

—●— ITNs delivered as a percent of the population      —★— Predicted Population ITN Access

Annual distribution at 18%

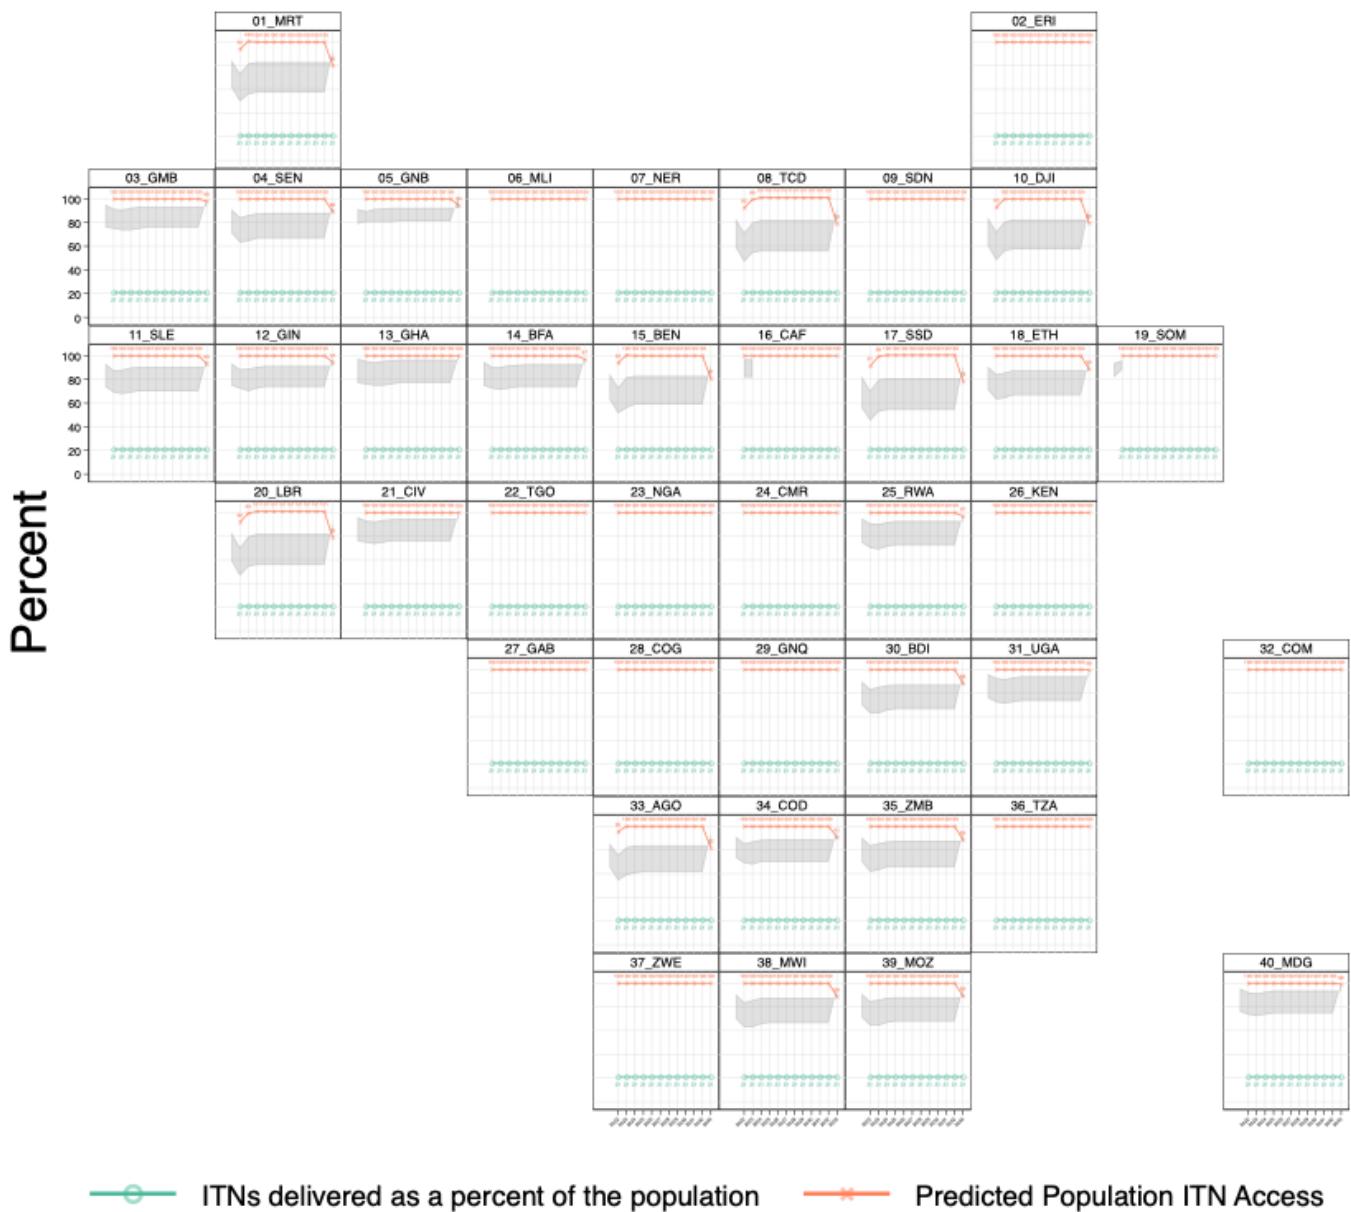

—●— ITNs delivered as a percent of the population      —★— Predicted Population ITN Access

Annual distribution at 19%

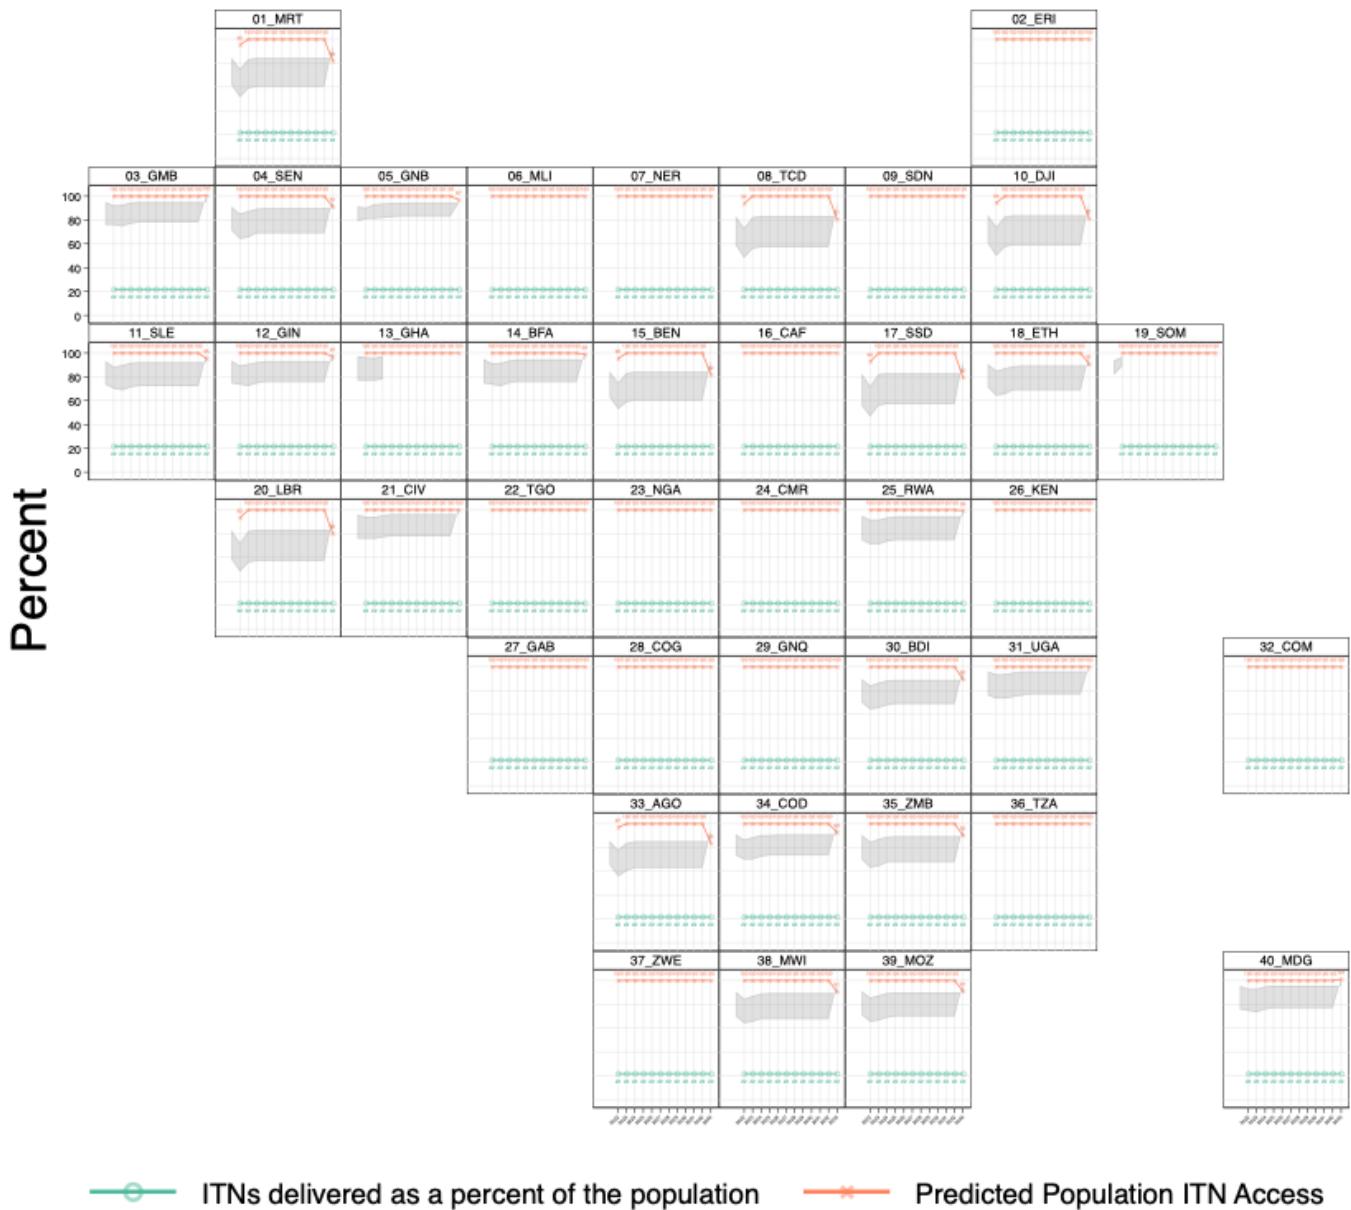

Annual distribution at 20%

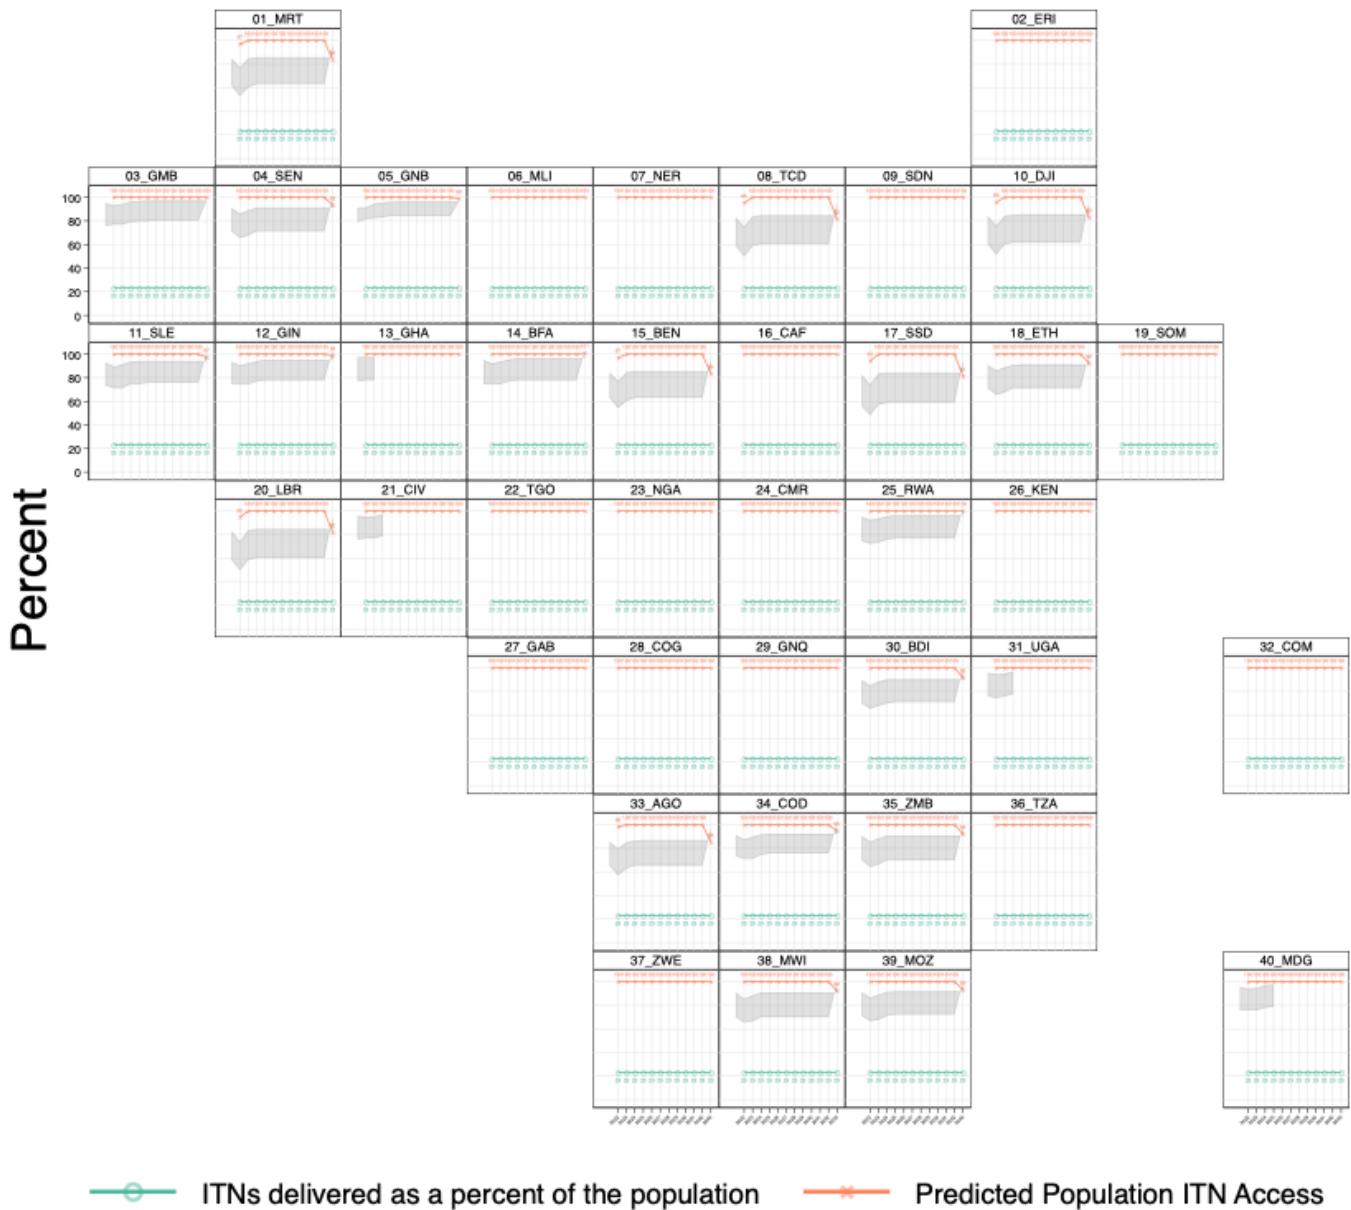

—●— ITNs delivered as a percent of the population      —★— Predicted Population ITN Access

Annual distribution at 21%

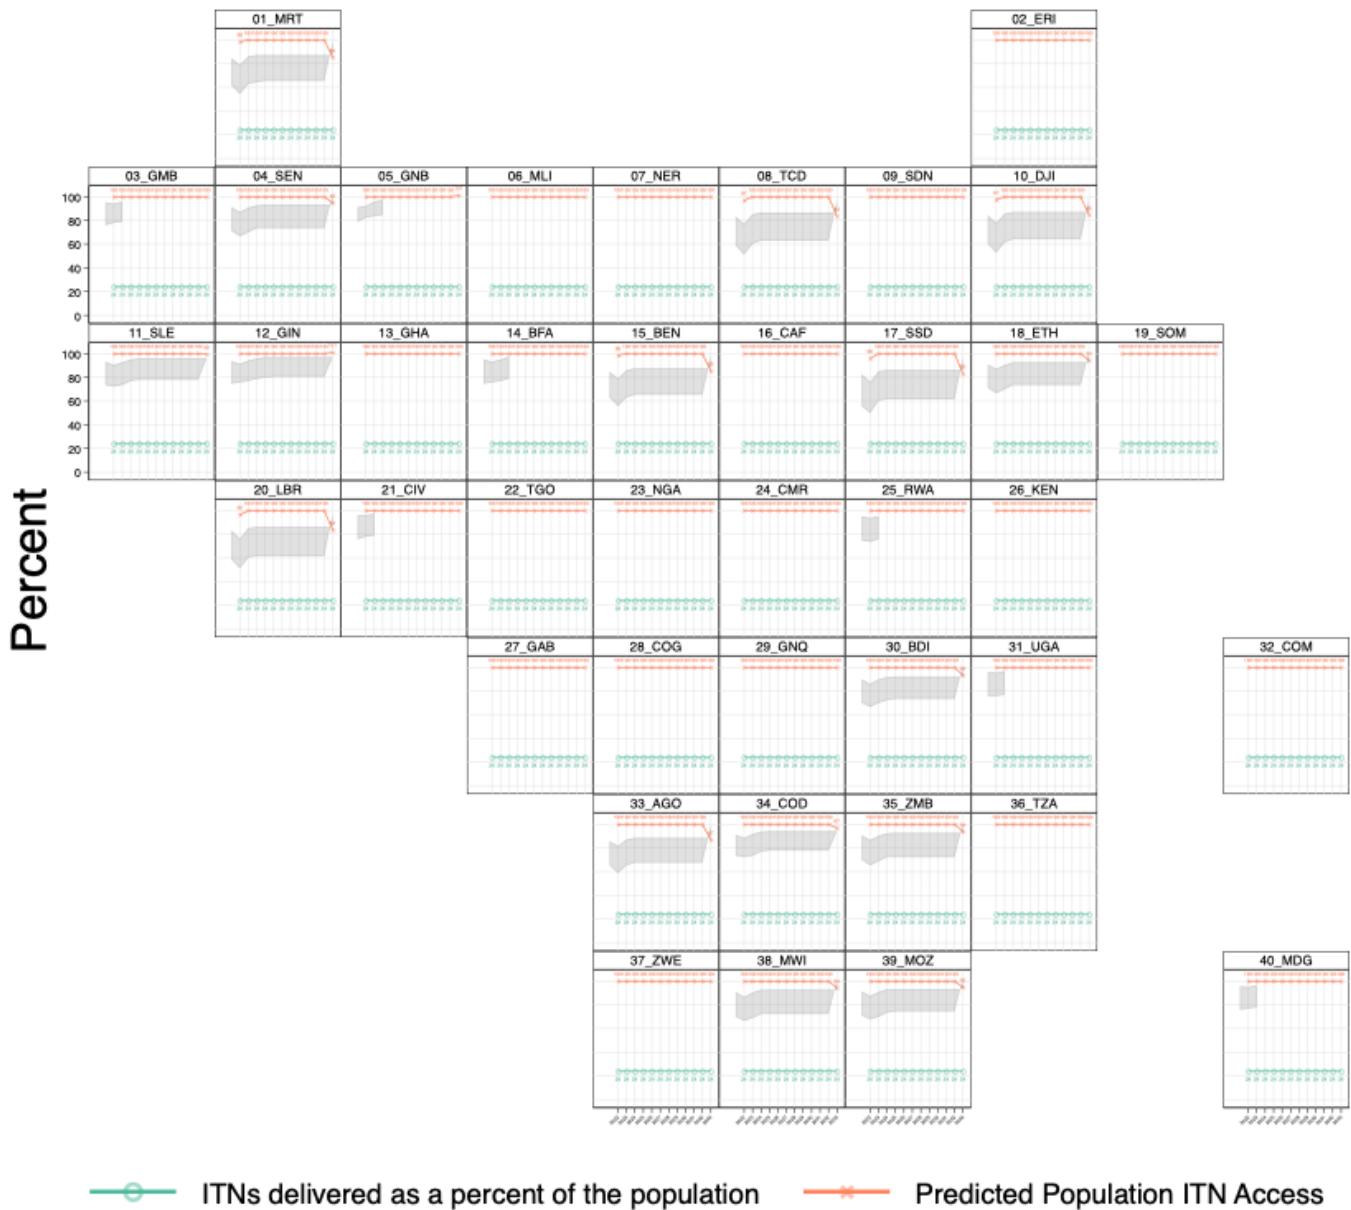

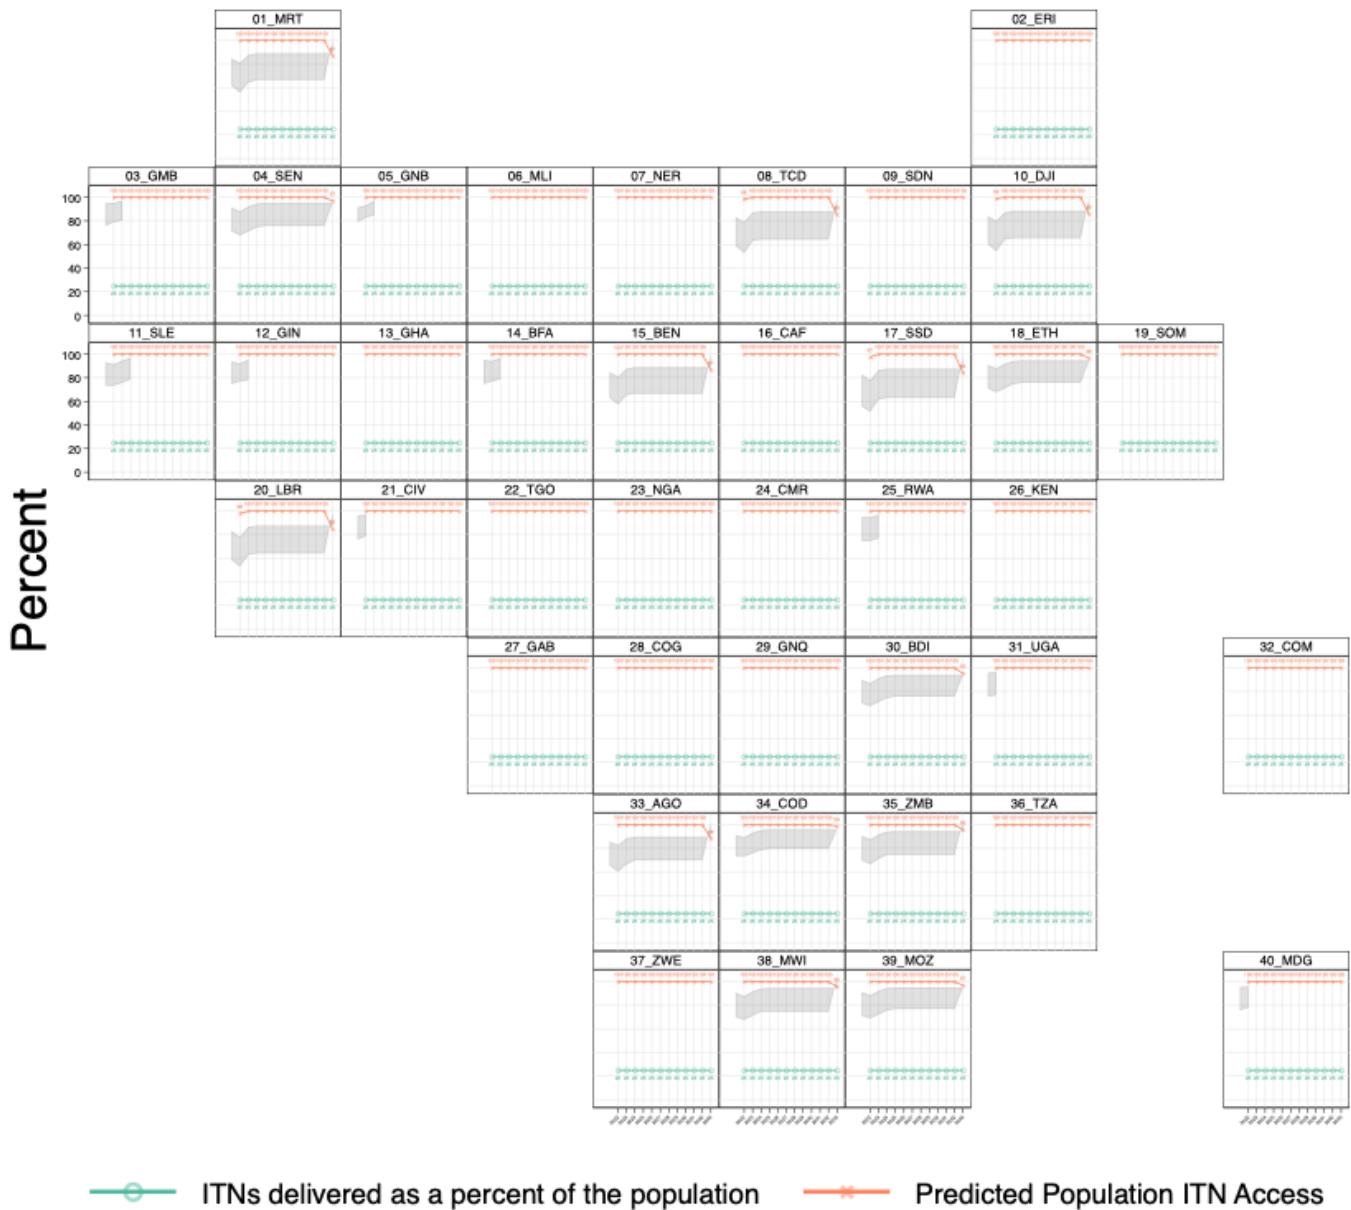

—●— ITNs delivered as a percent of the population      —★— Predicted Population ITN Access

Annual distribution at 22%

Annual distribution at 23%

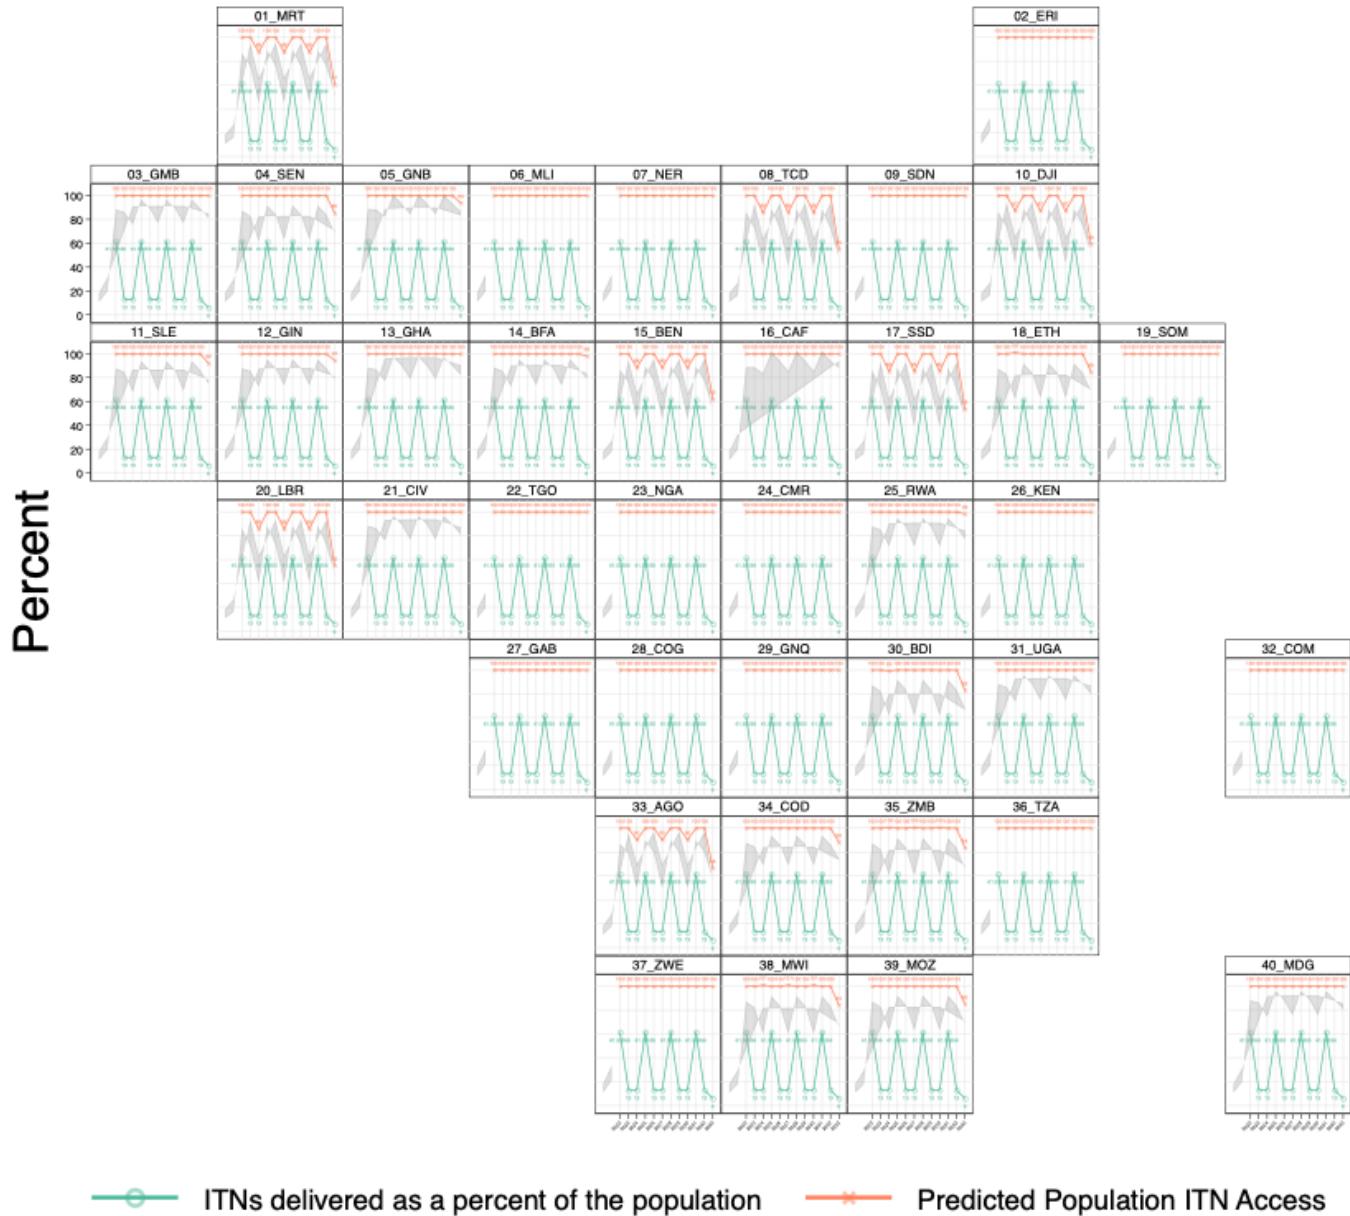

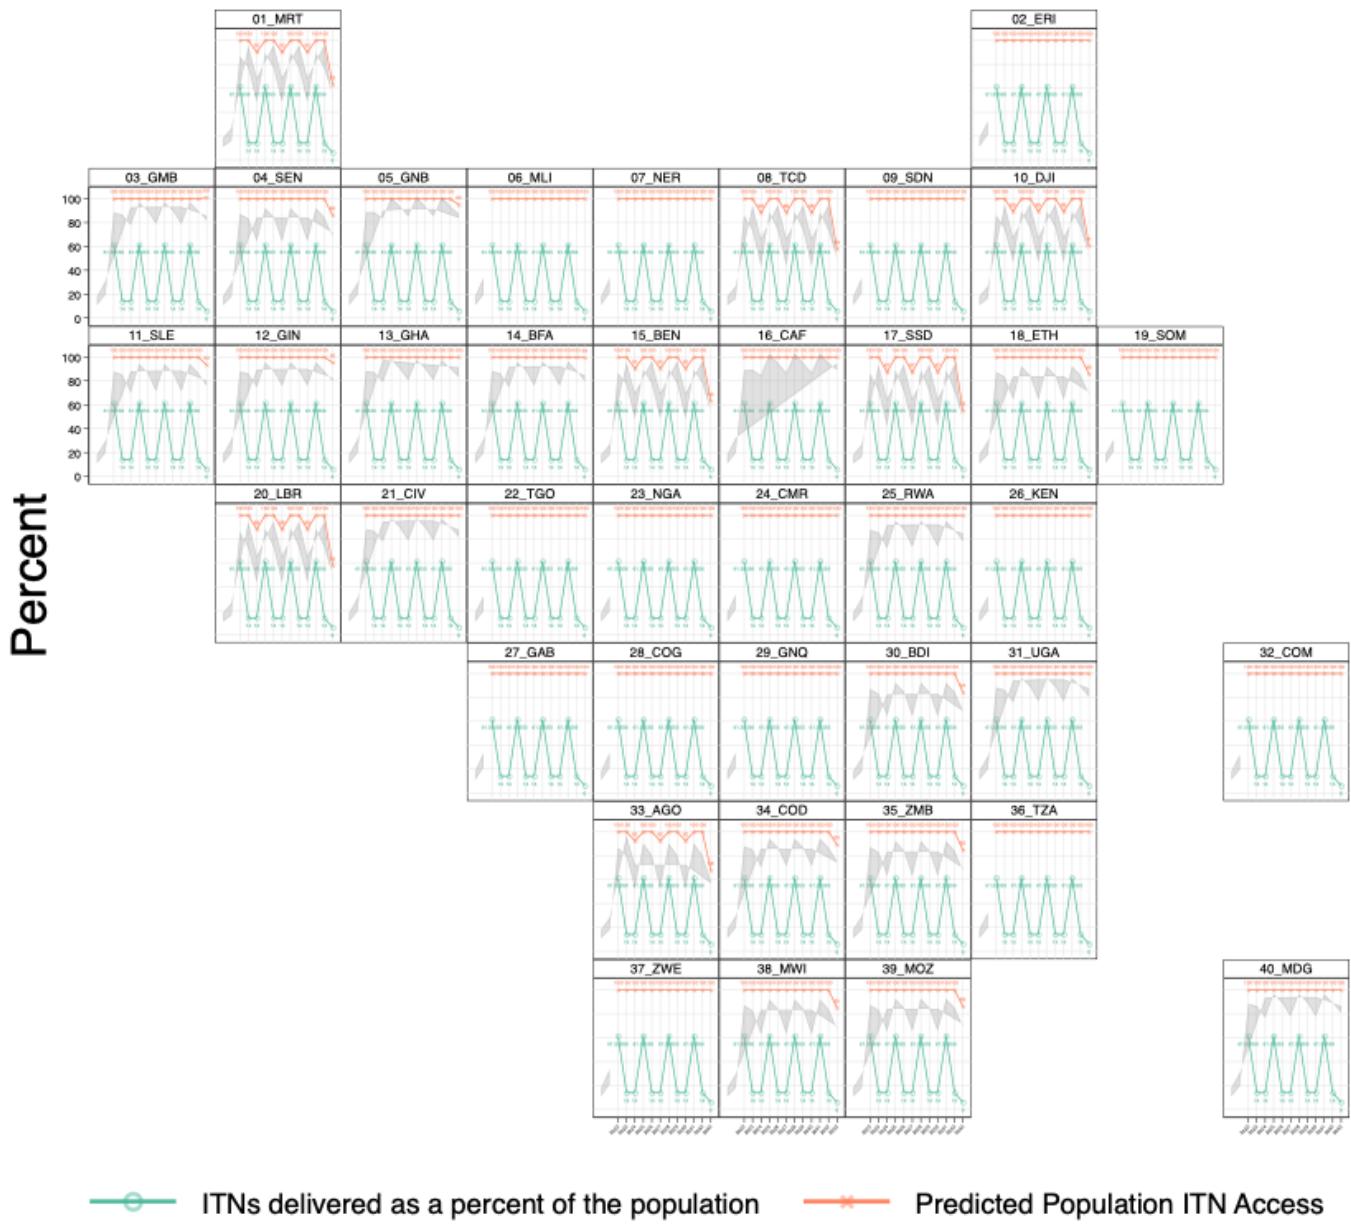

—●— ITNs delivered as a percent of the population      —★— Predicted Population ITN Access

Annual distribution at 25%

### 3. Projected ITN access from 3 year mass campaigns with 6% ANC-EPI distribution and varying between-campaign annual distributions

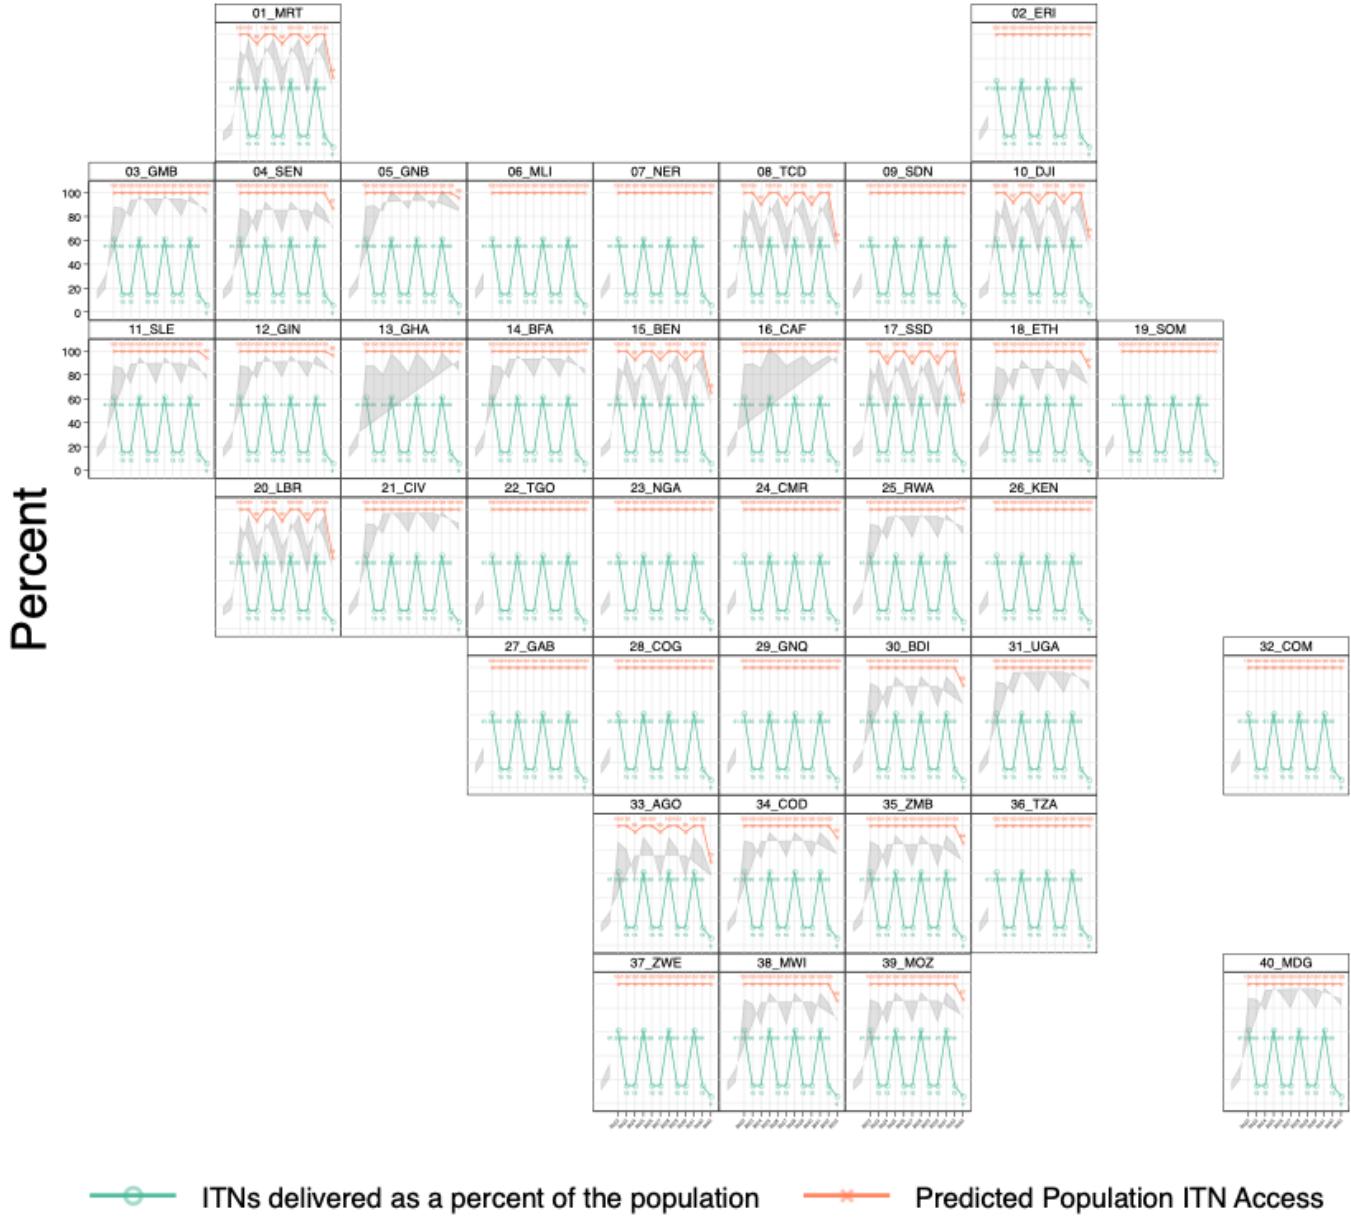

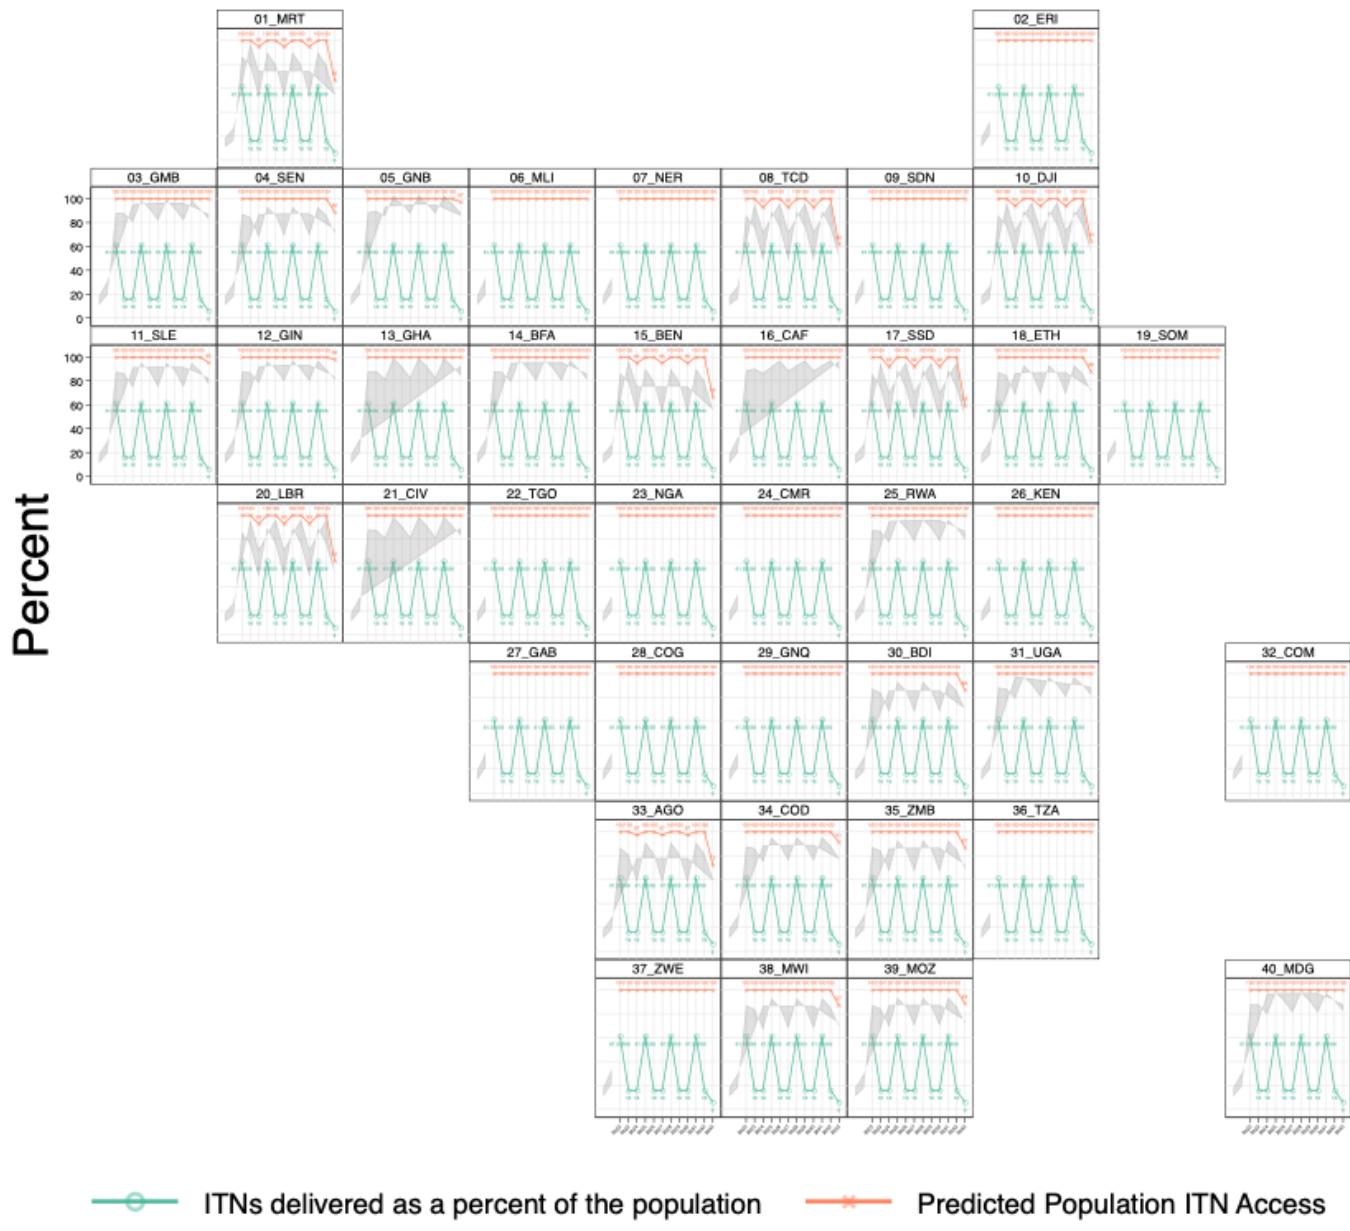

3-year mass campaigns with annual ANC-EPI at 6% and between-campaign distribution at 7%

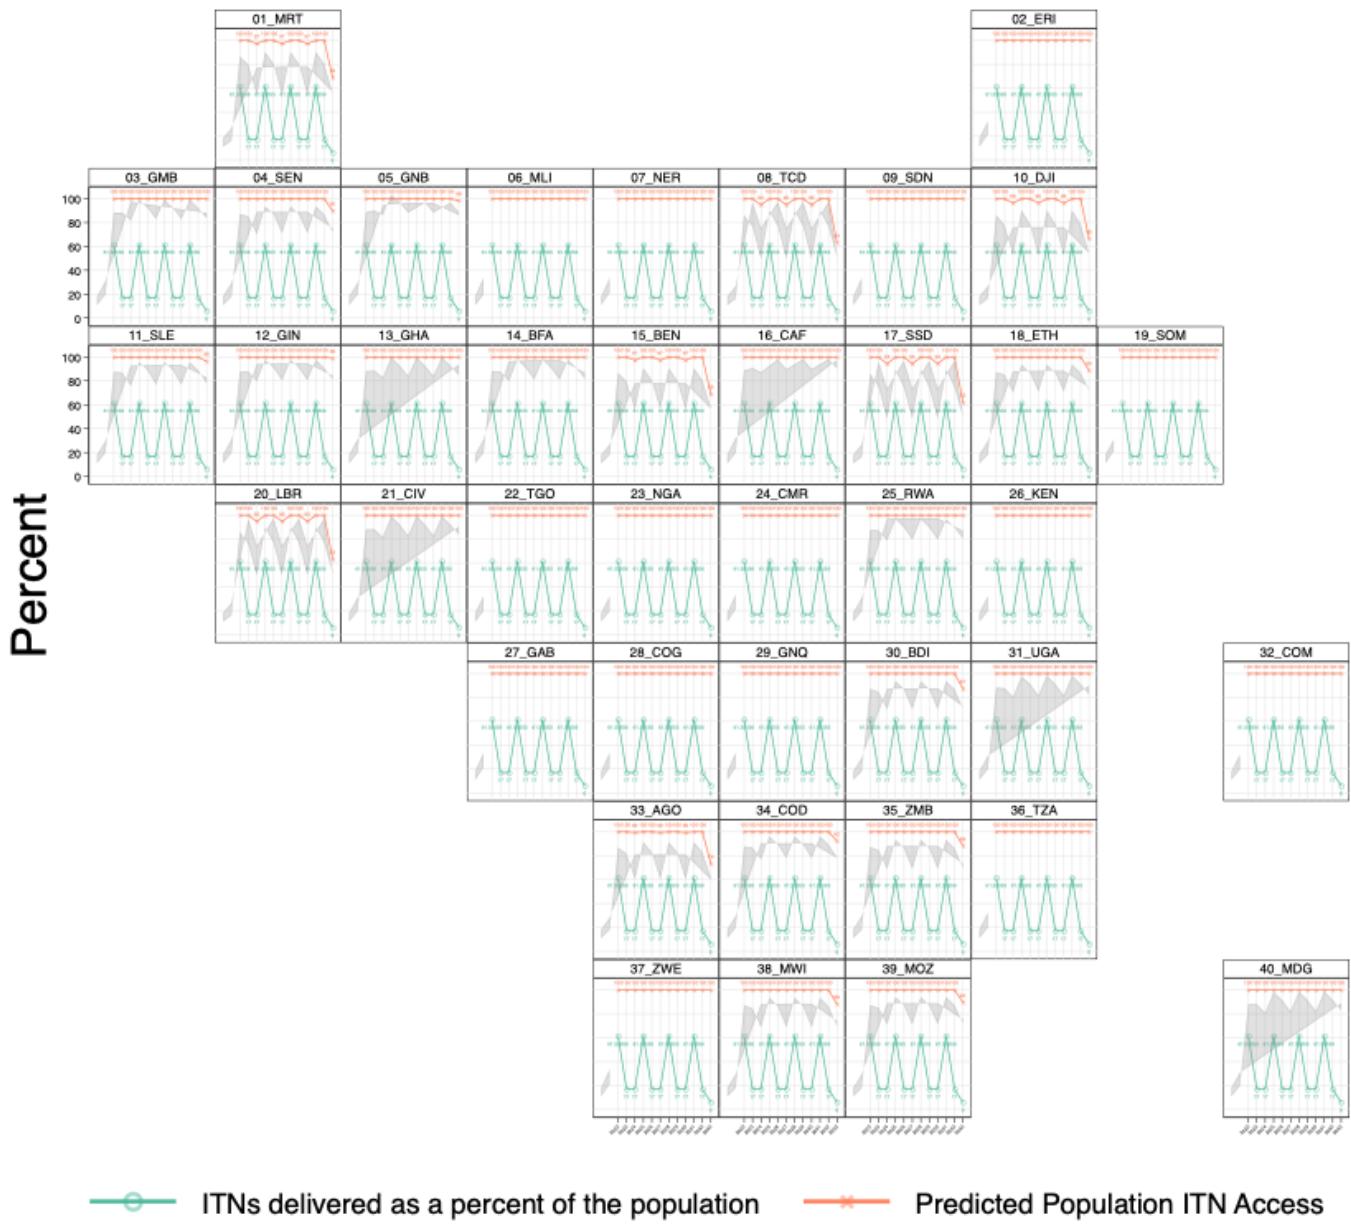

—●— ITNs delivered as a percent of the population      —\*— Predicted Population ITN Access

3-year mass campaigns with annual ANC-EPI at 6% and between-campaign distribution at 8%

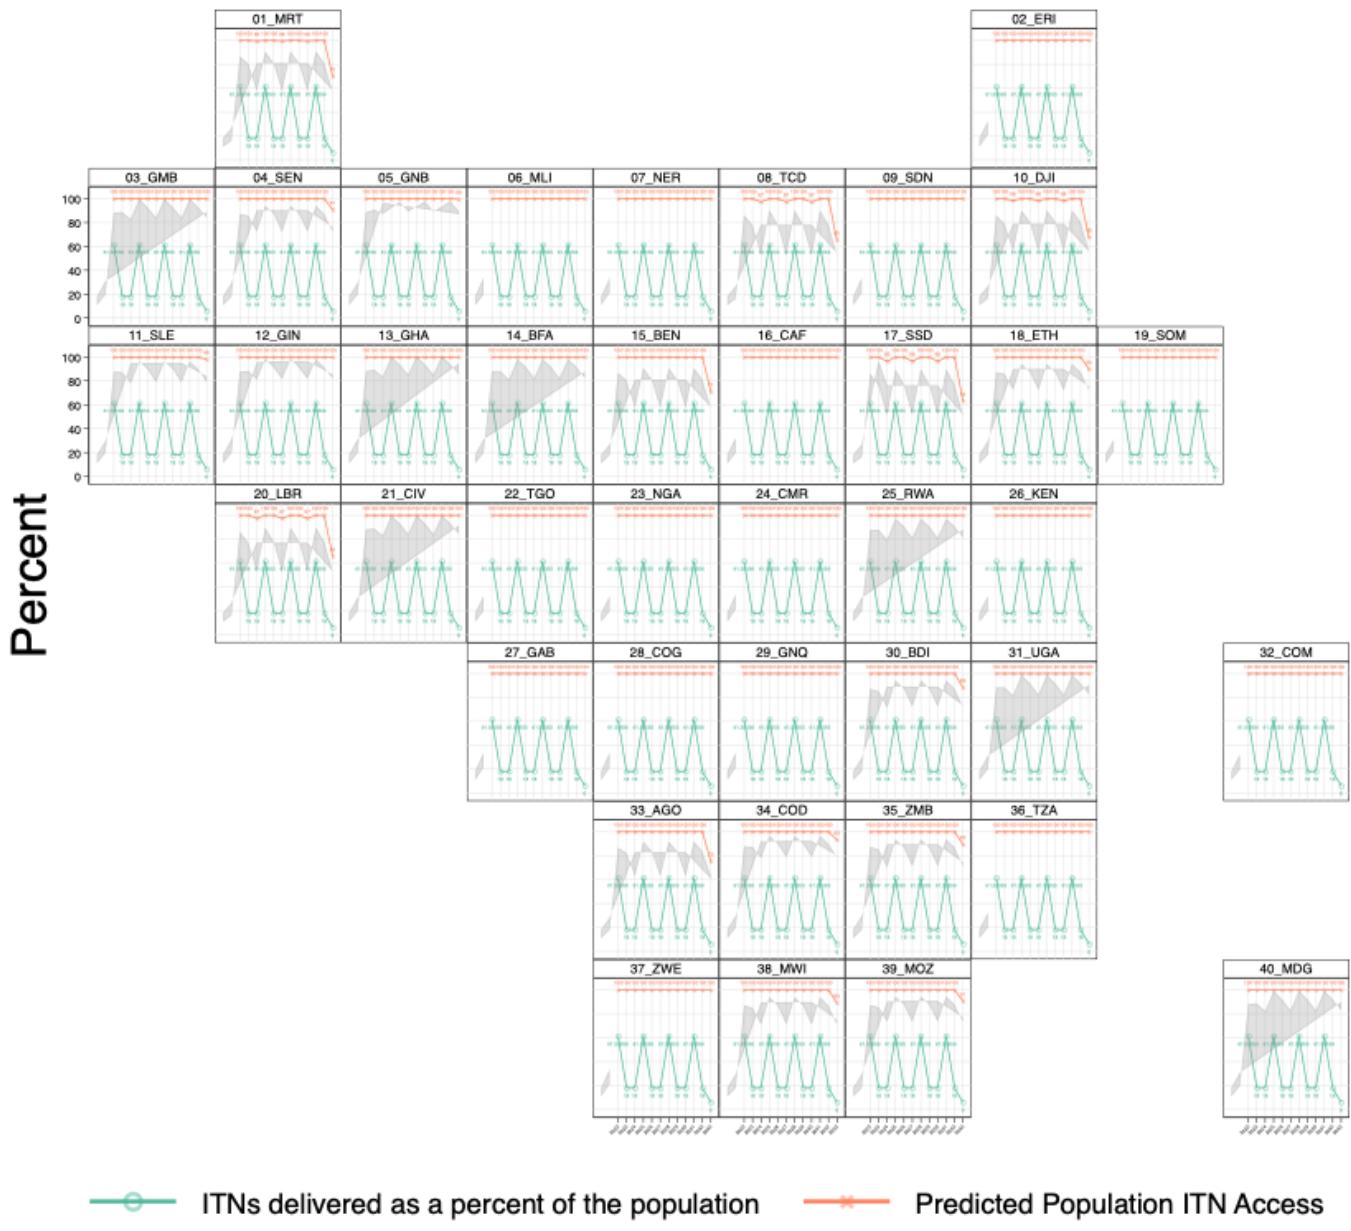

3-year mass campaigns with annual ANC-EPI at 6% and between-campaign distribution at 10%

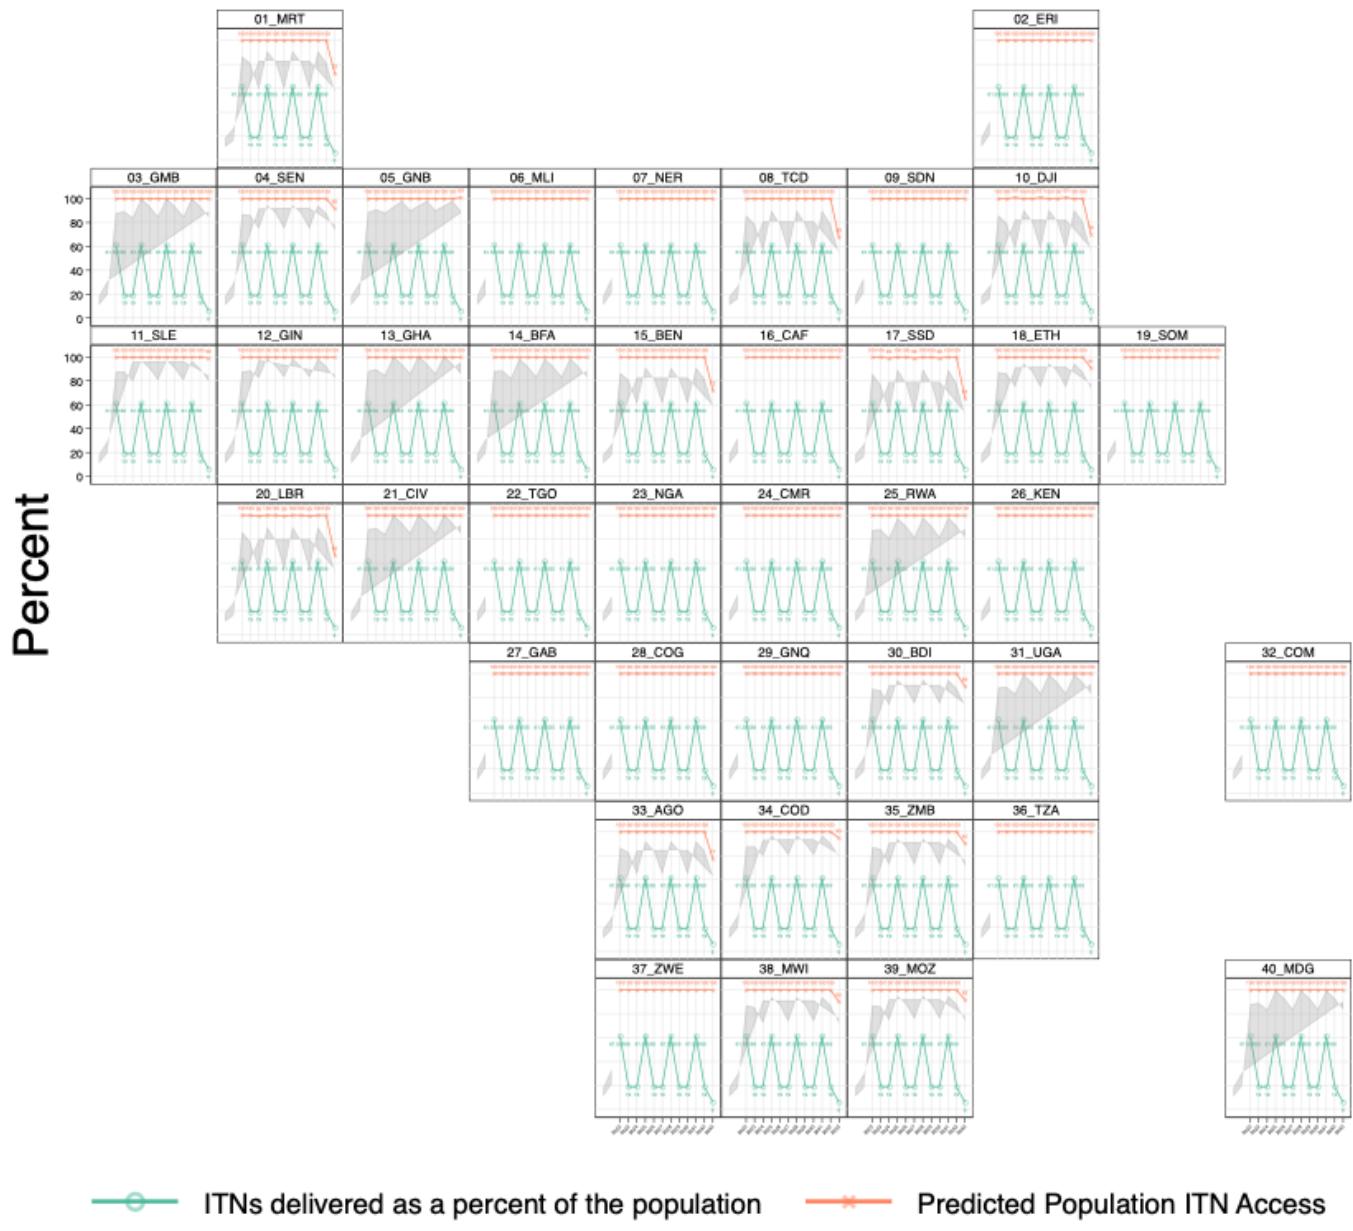

—●— ITNs delivered as a percent of the population      —\*— Predicted Population ITN Access

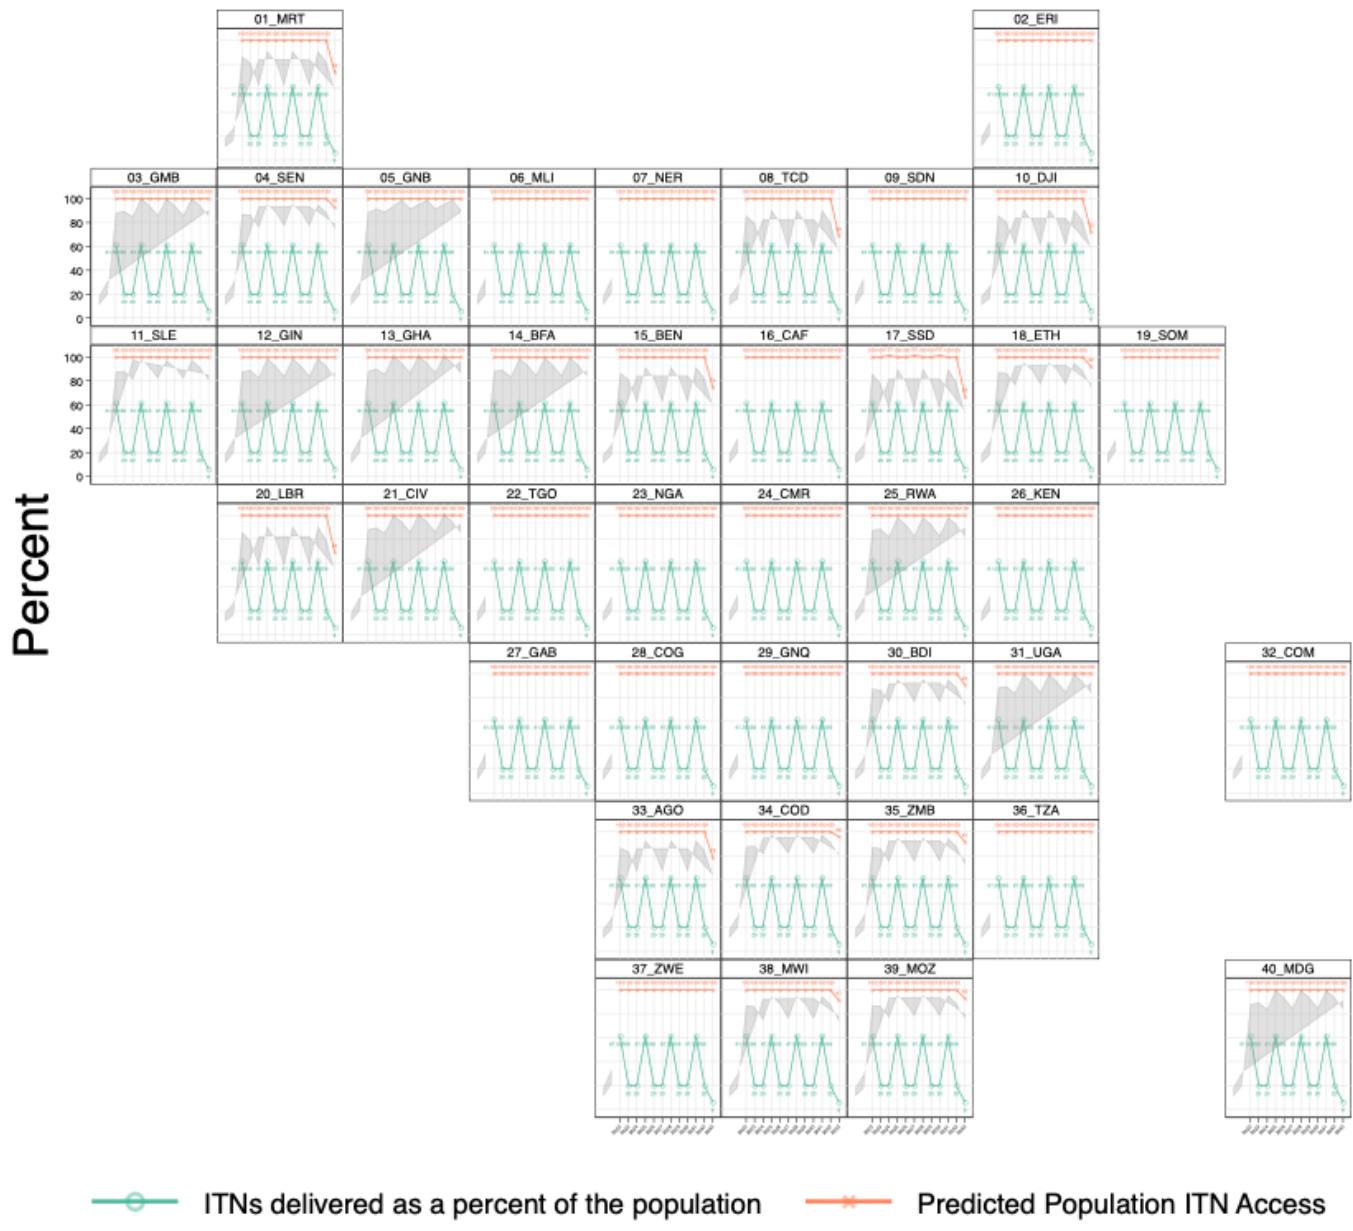

3-year mass campaigns with annual ANC-EPI at 6% and between-campaign distribution at 11%

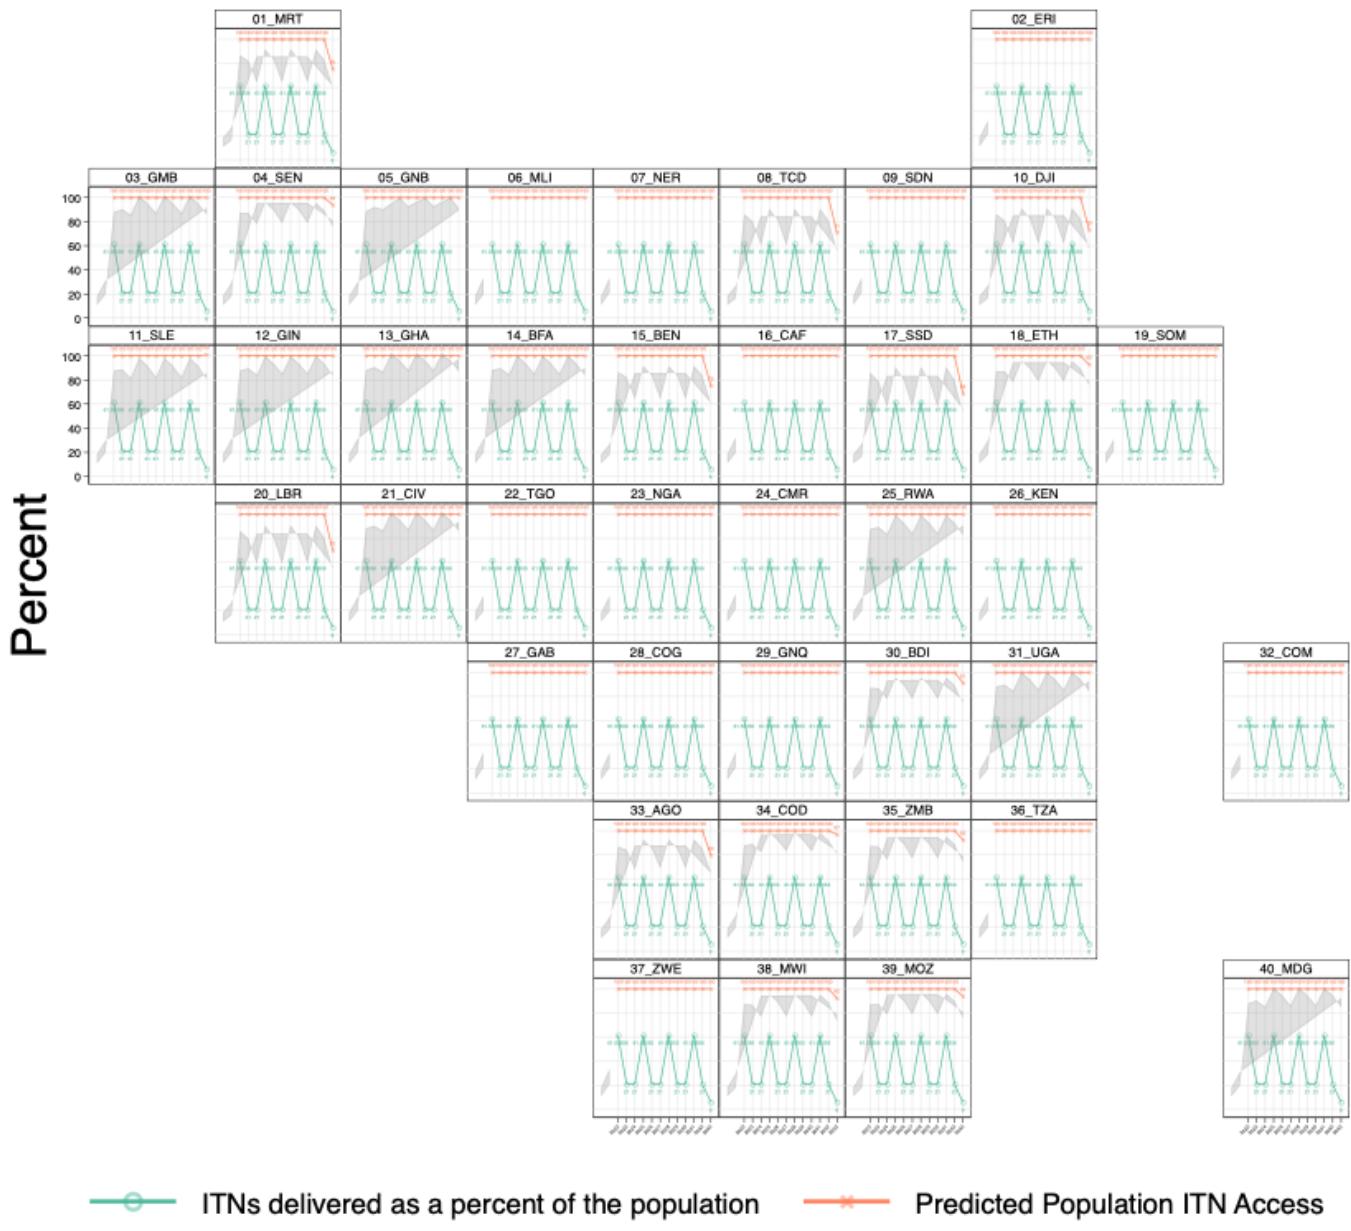

3-year mass campaigns with annual ANC-EPI at 6% and between-campaign distribution at 12%

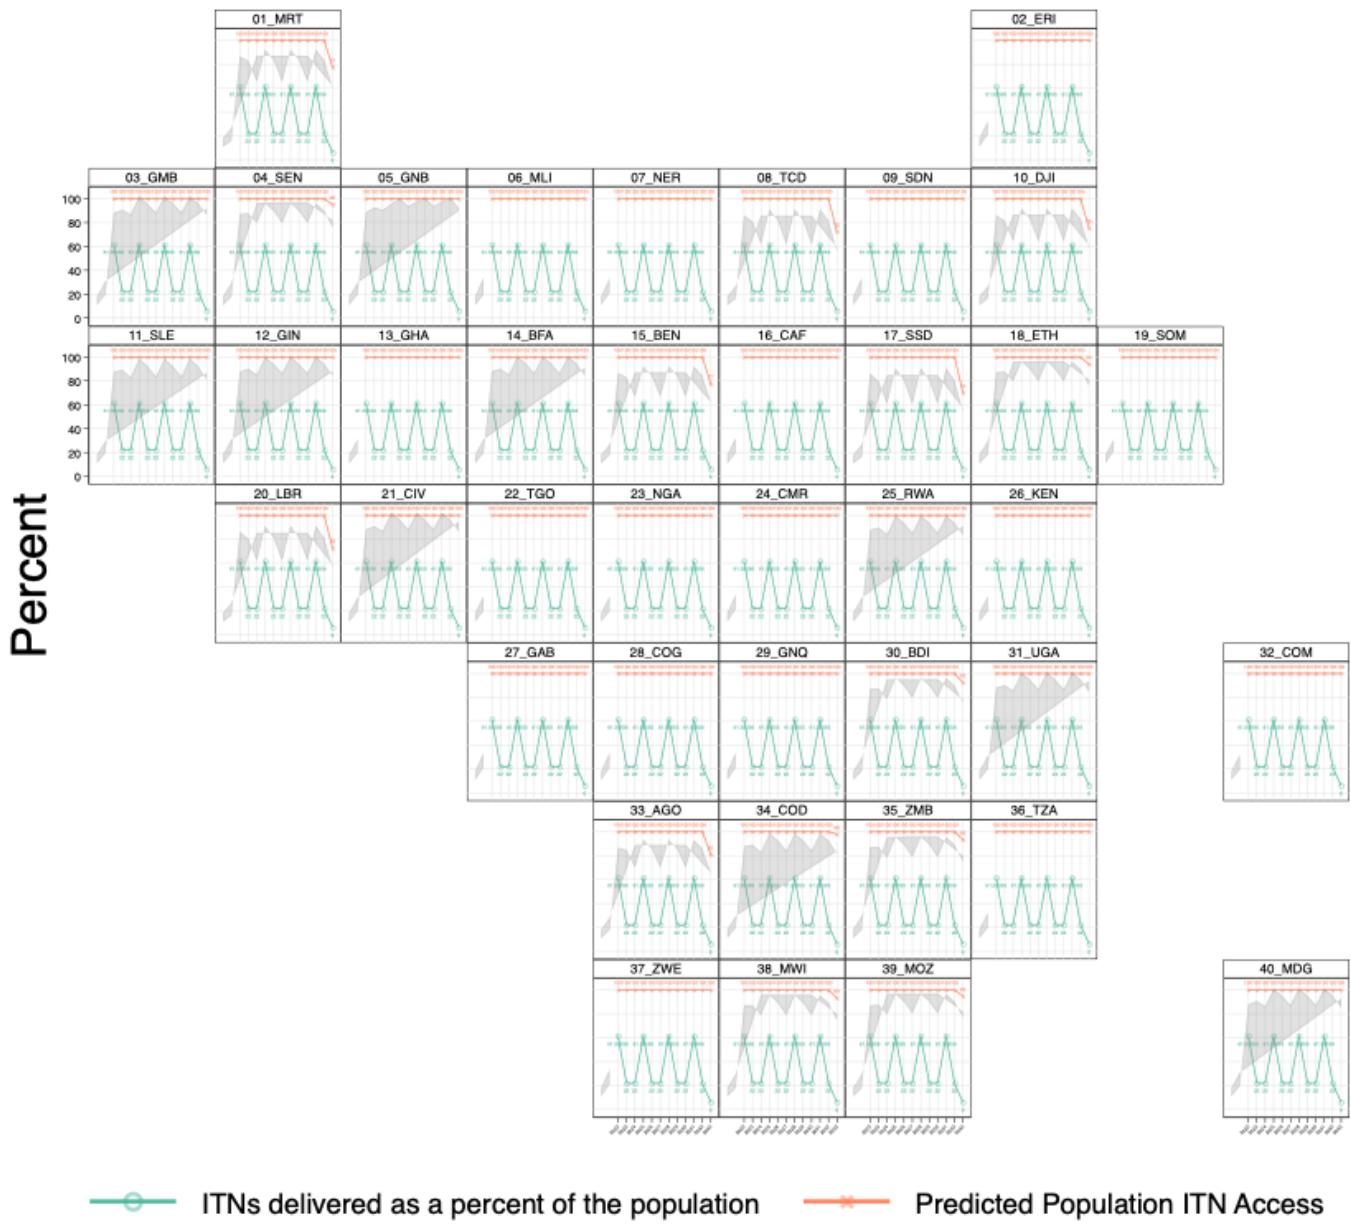

3-year mass campaigns with annual ANC-EPI at 6% and between-campaign distribution at 13%

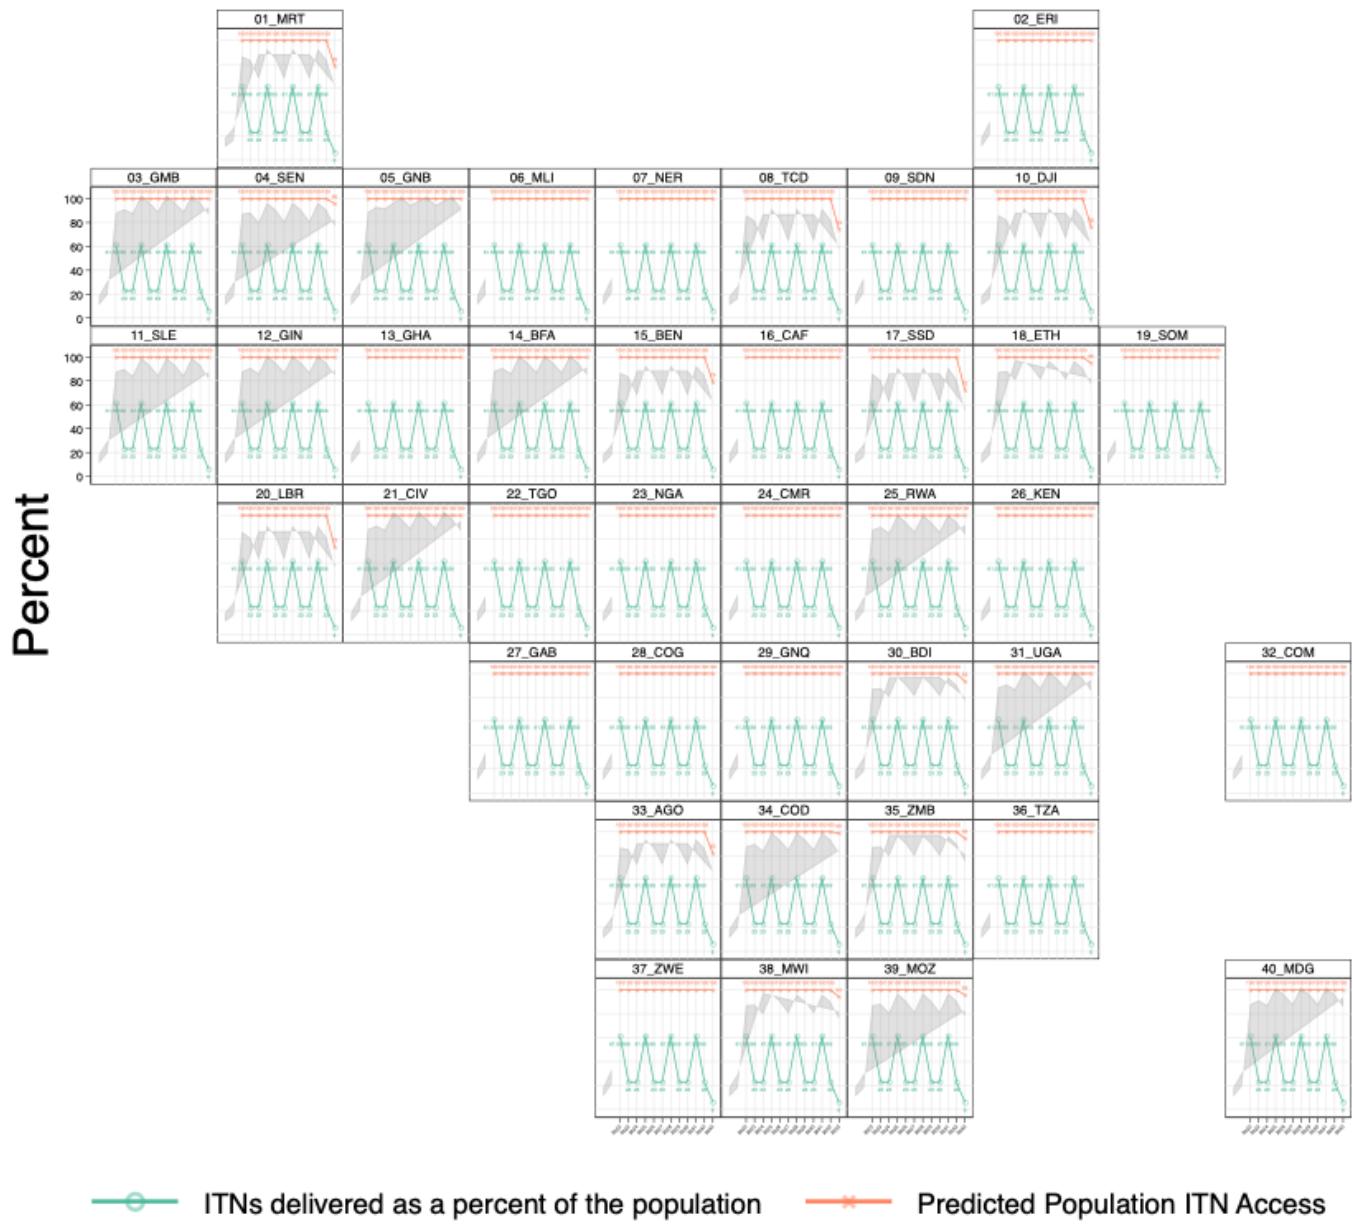

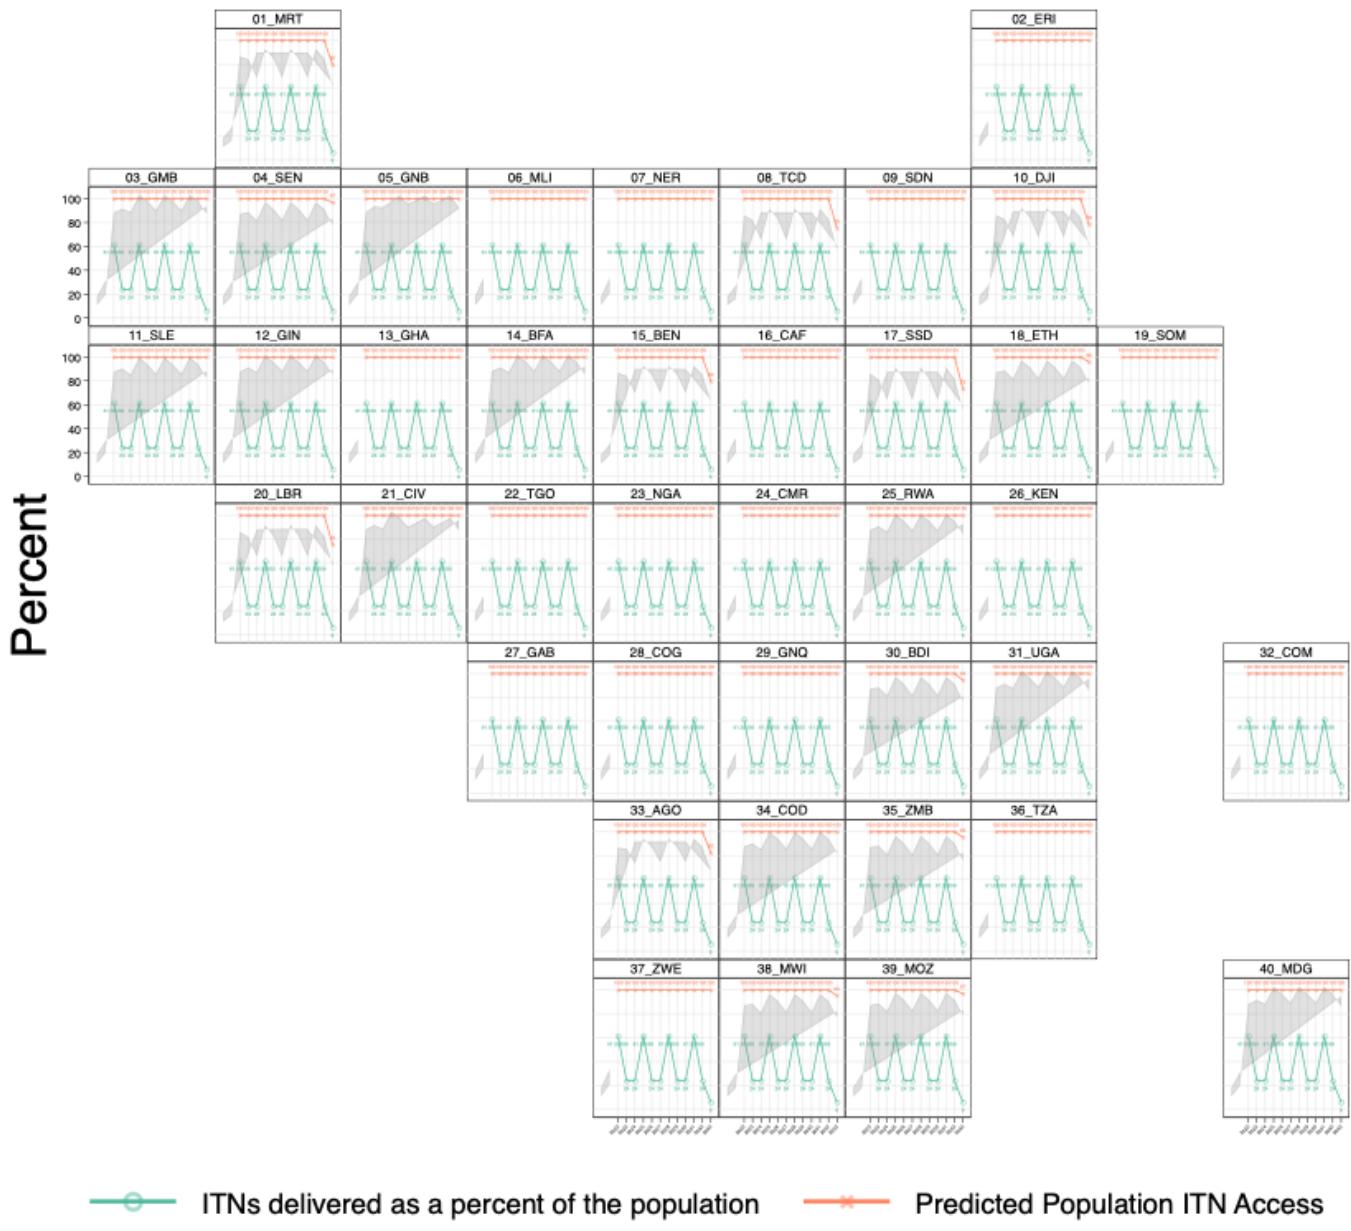

3-year mass campaigns with annual ANC-EPI at 6% and between-campaign distribution at 14%

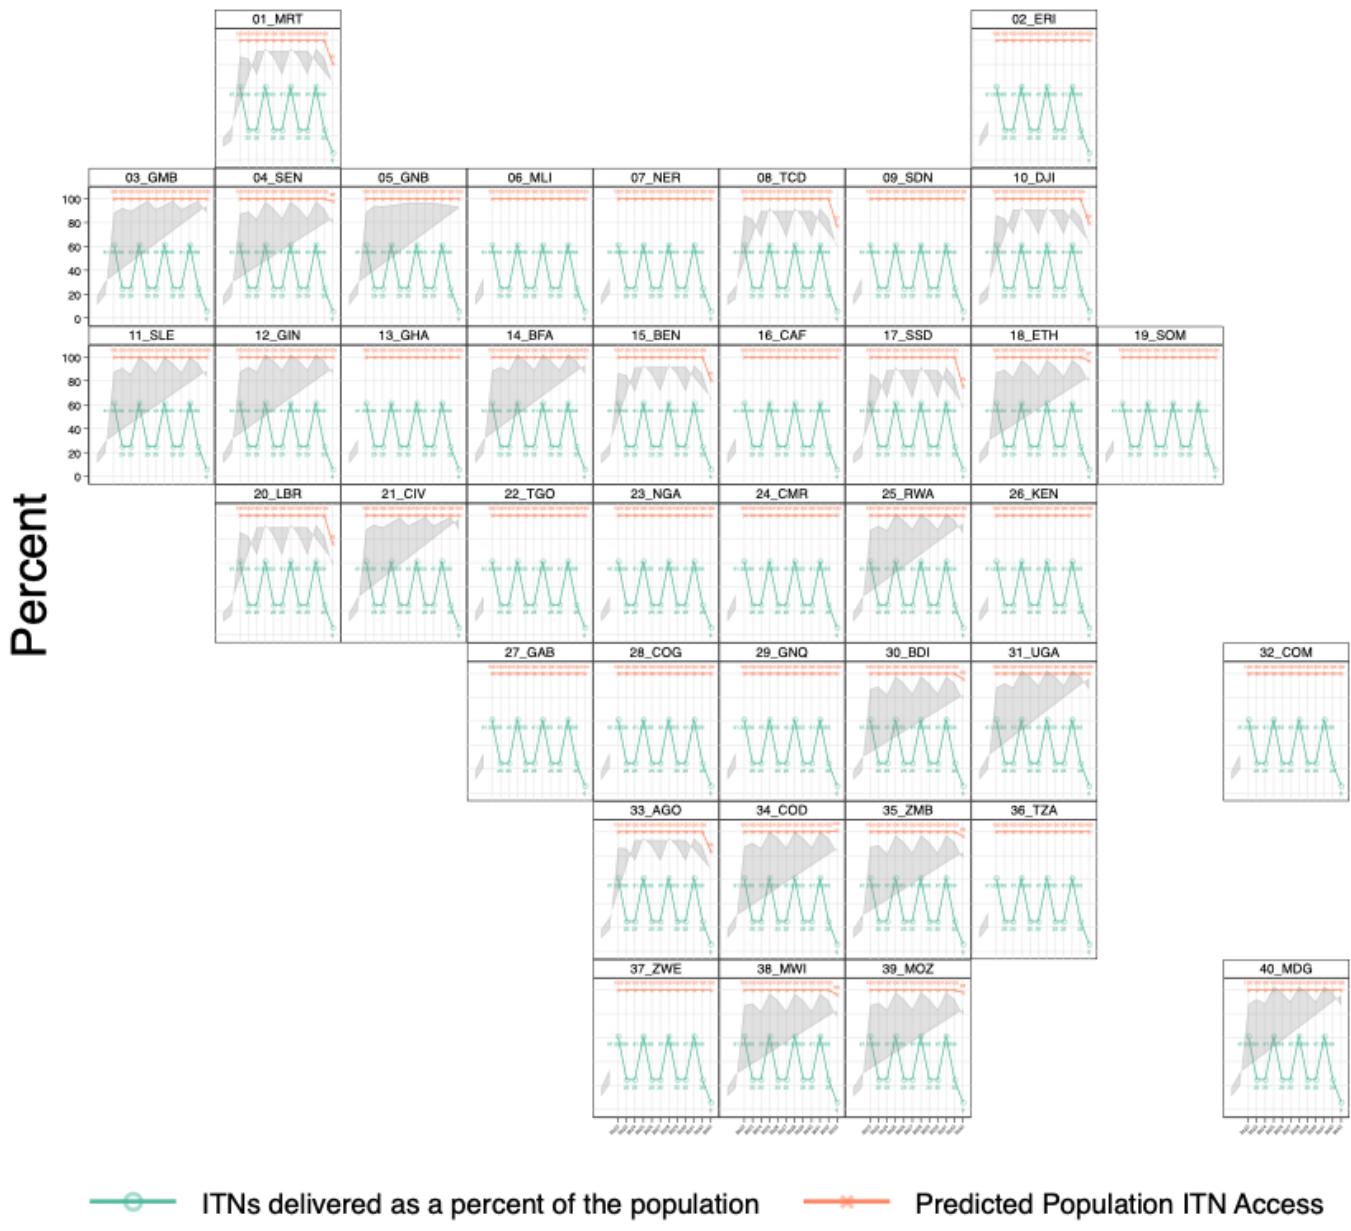

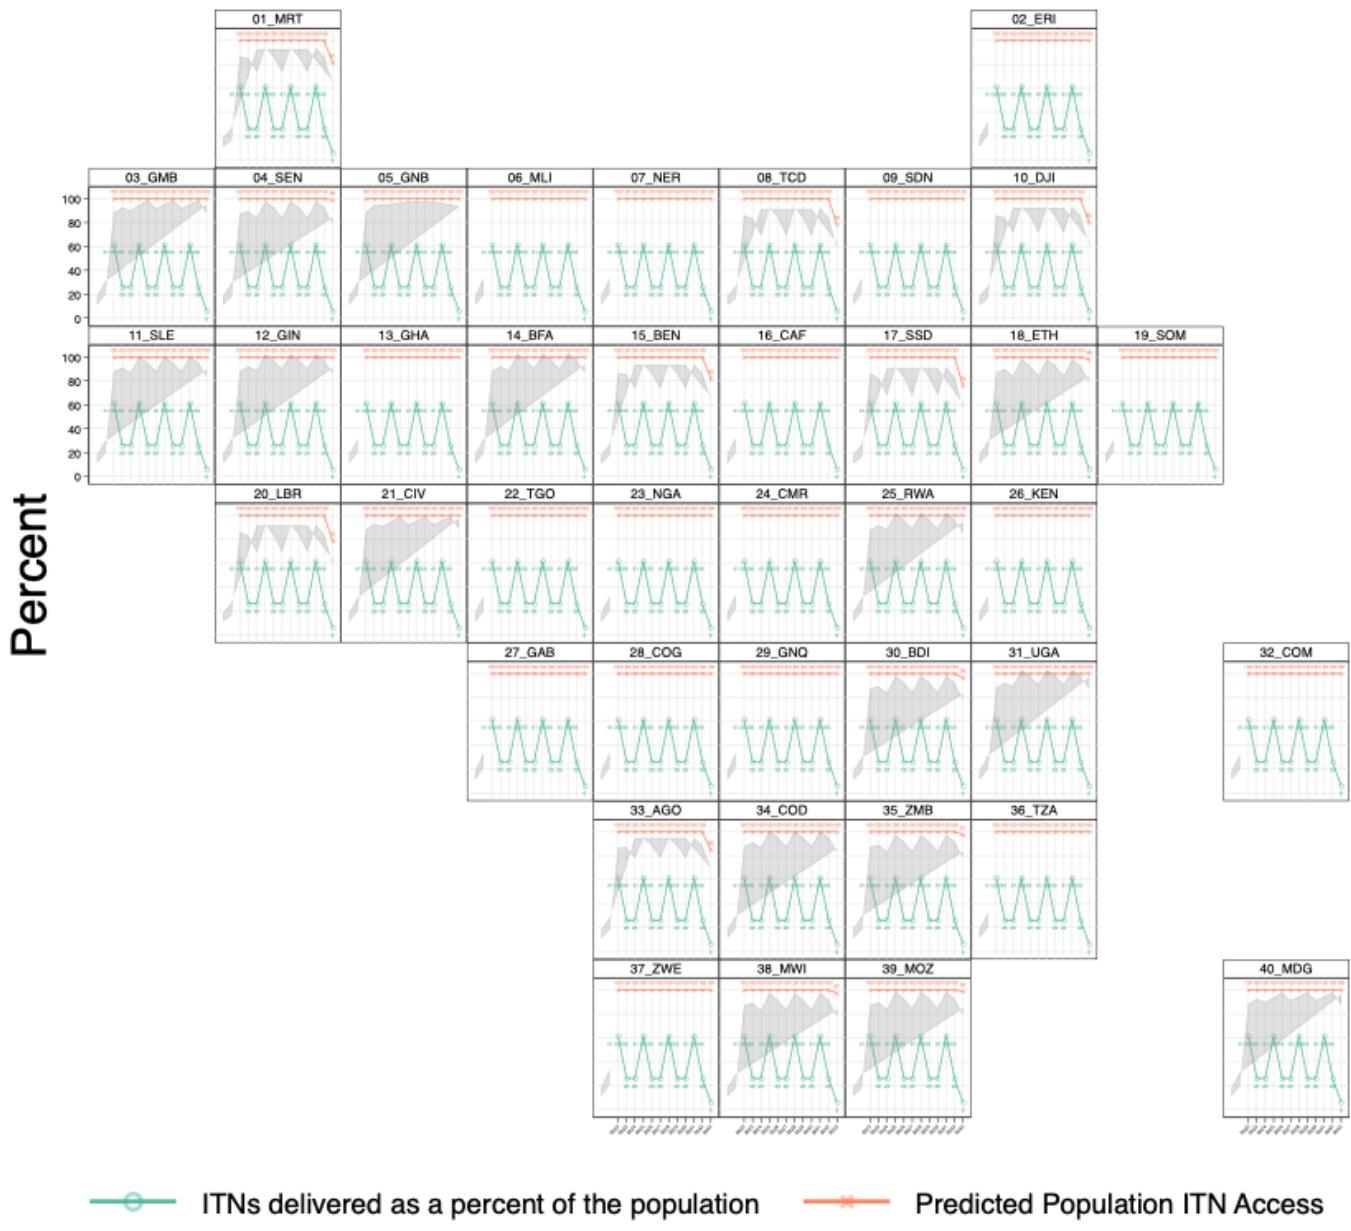

3-year mass campaigns with annual ANC-EPI at 6% and between-campaign distribution at 16%

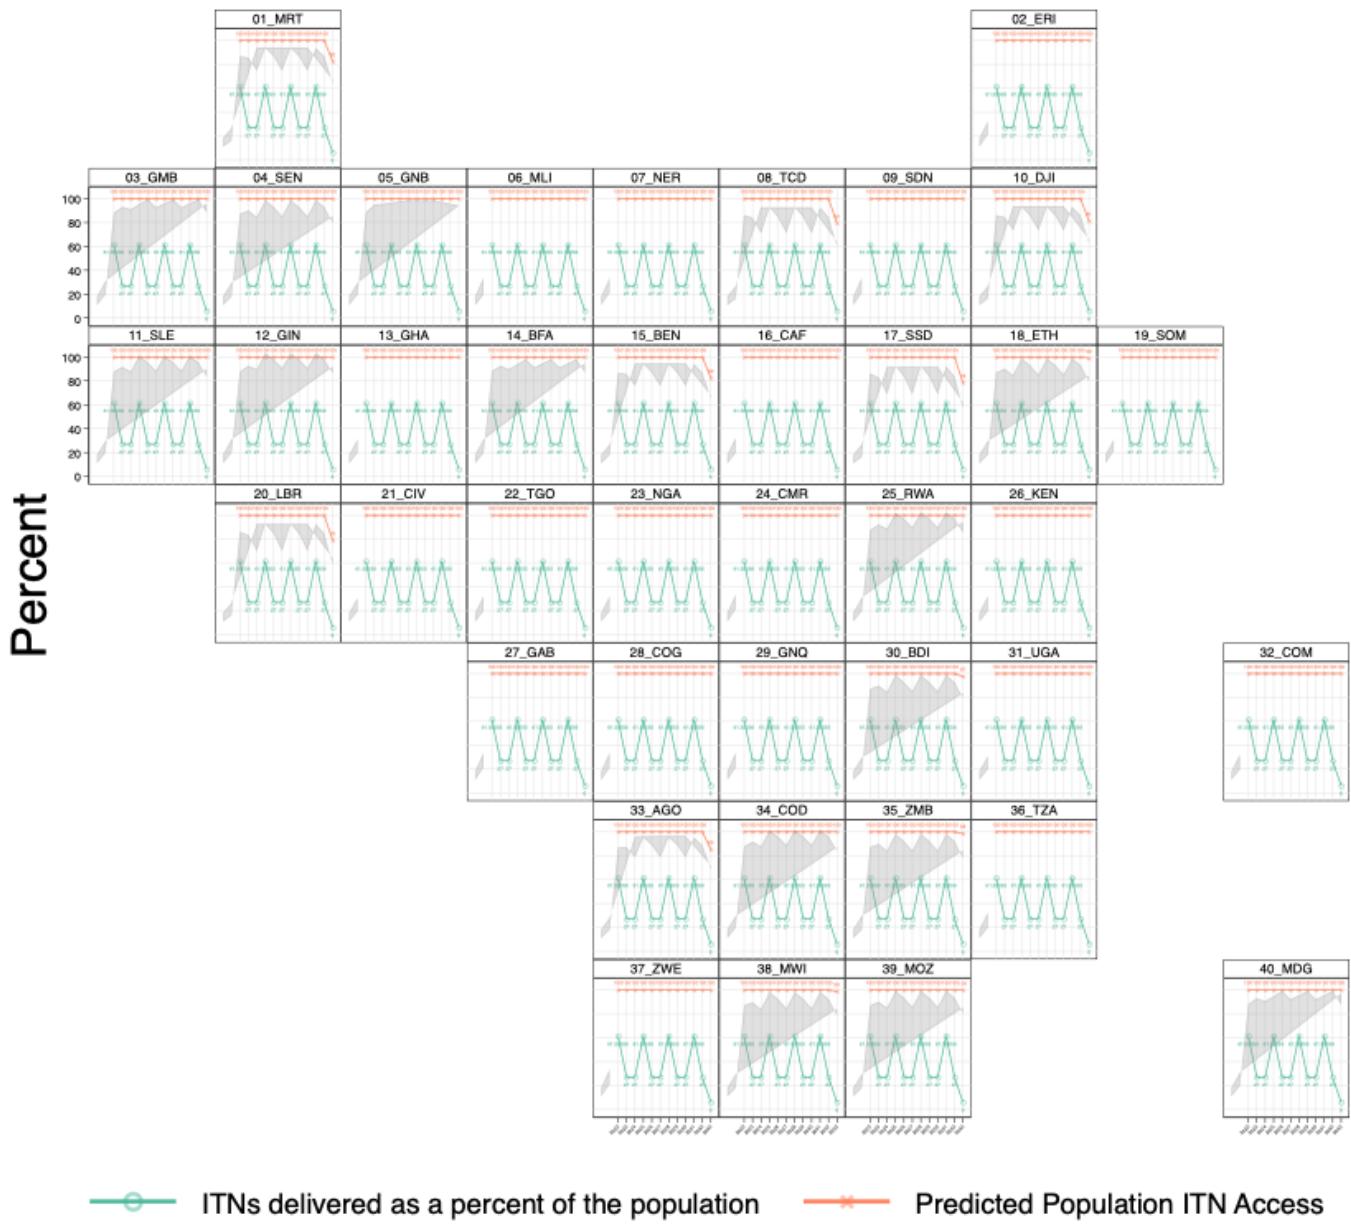

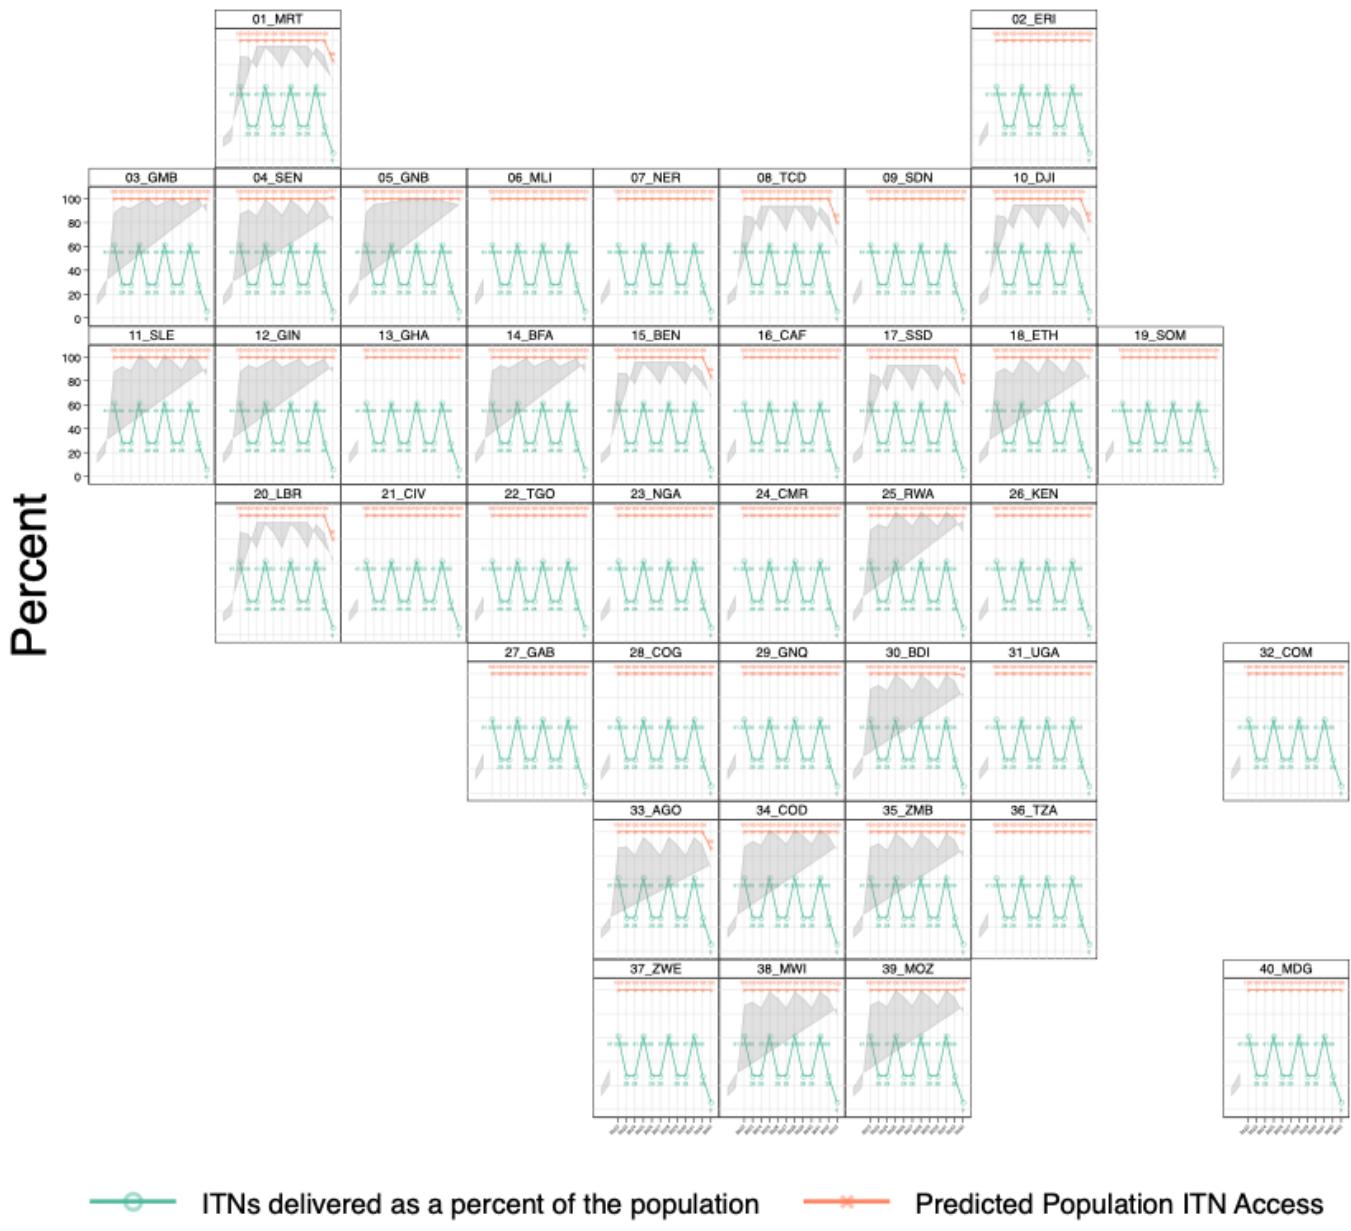

3-year mass campaigns with annual ANC-EPI at 6% and between-campaign distribution at 20%

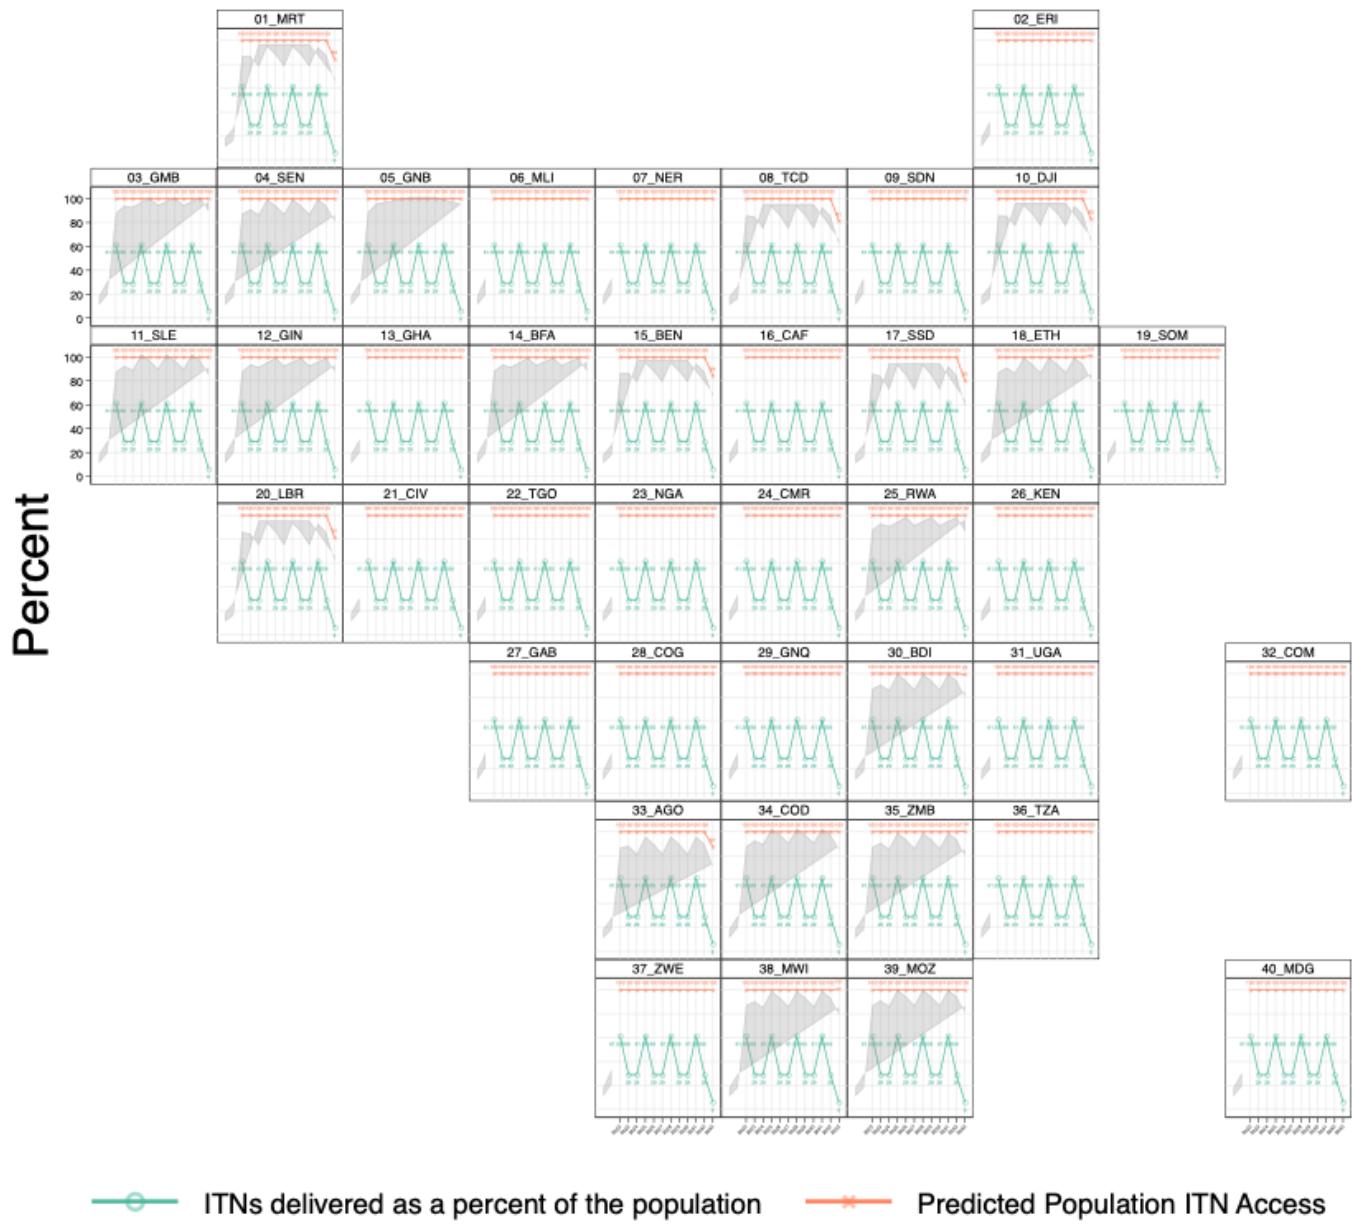

—●— ITNs delivered as a percent of the population      —\*— Predicted Population ITN Access

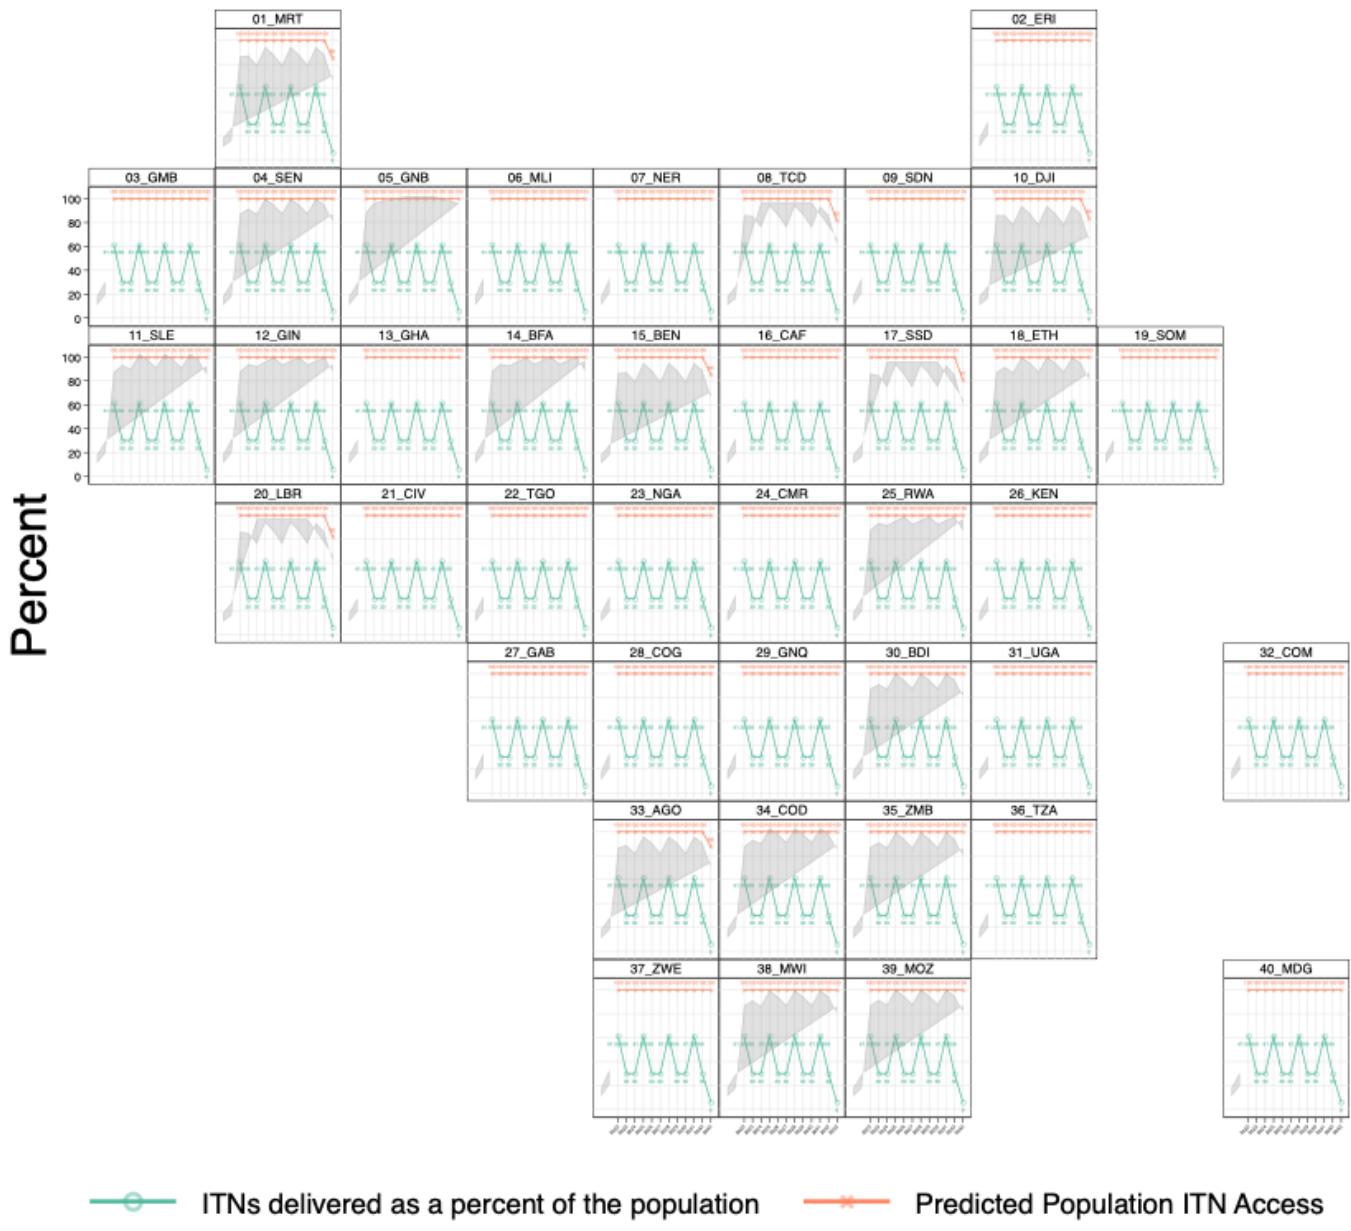

3-year mass campaigns with annual ANC-EPI at 6% and between-campaign distribution at 21%

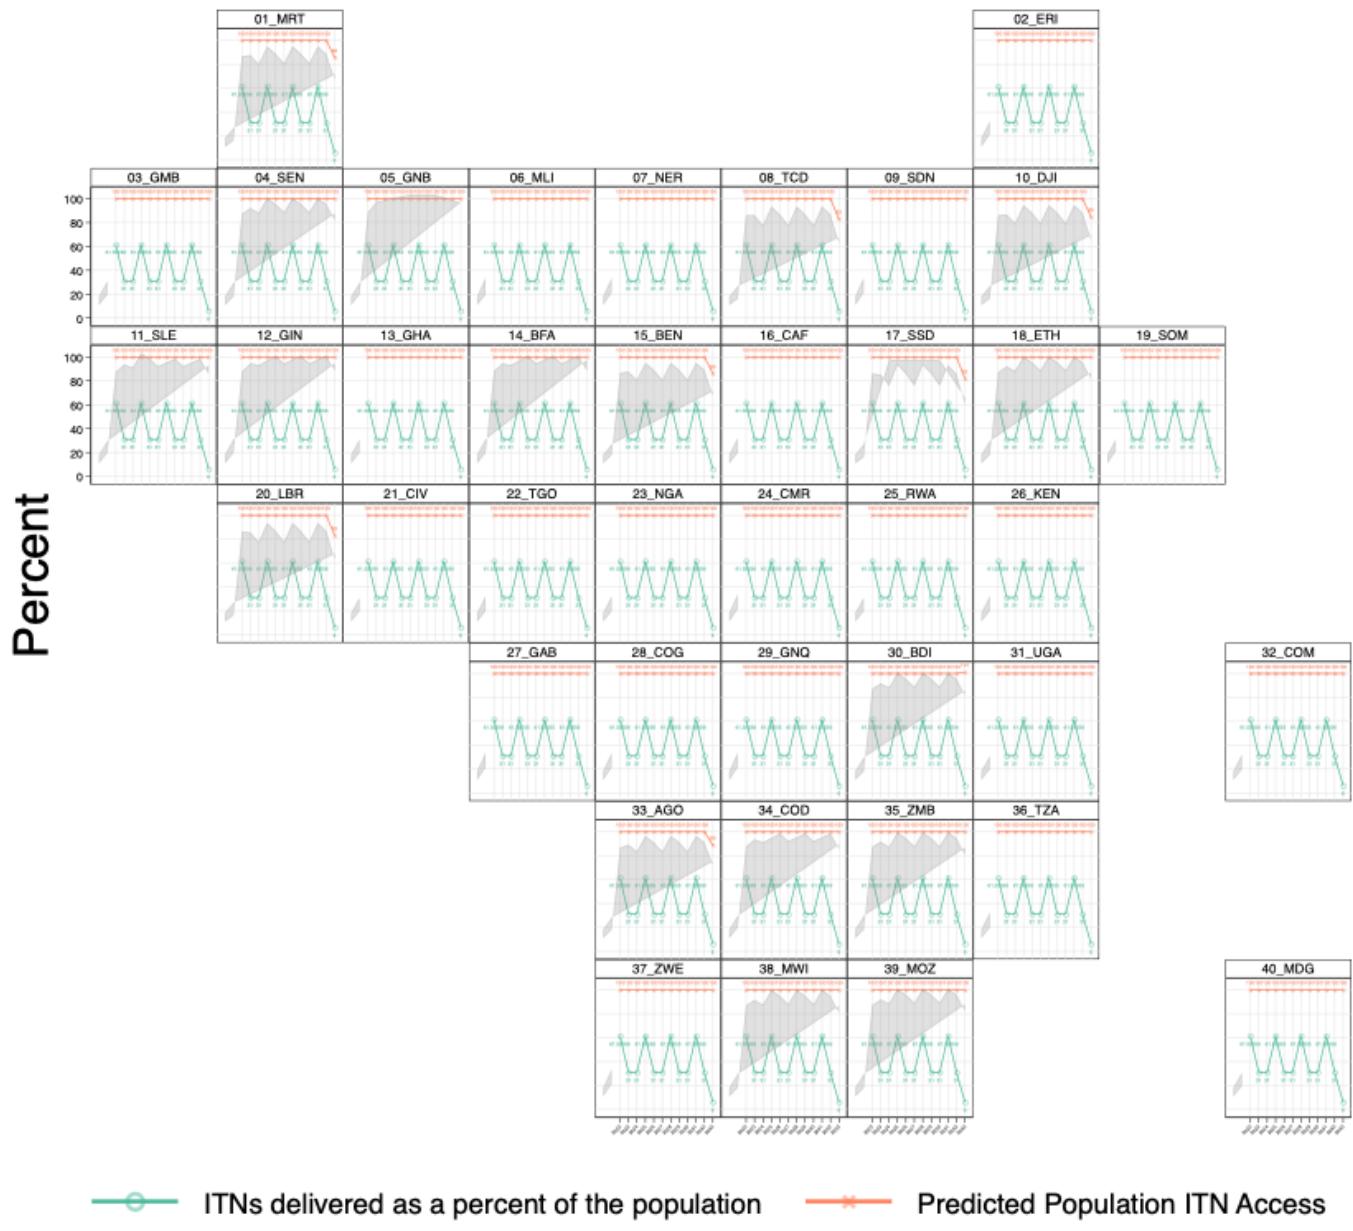

3-year mass campaigns with annual ANC-EPI at 6% and between-campaign distribution at 22%

3-year mass campaigns with annual ANC-EPI at 6% and between-campaign distribution at 23%

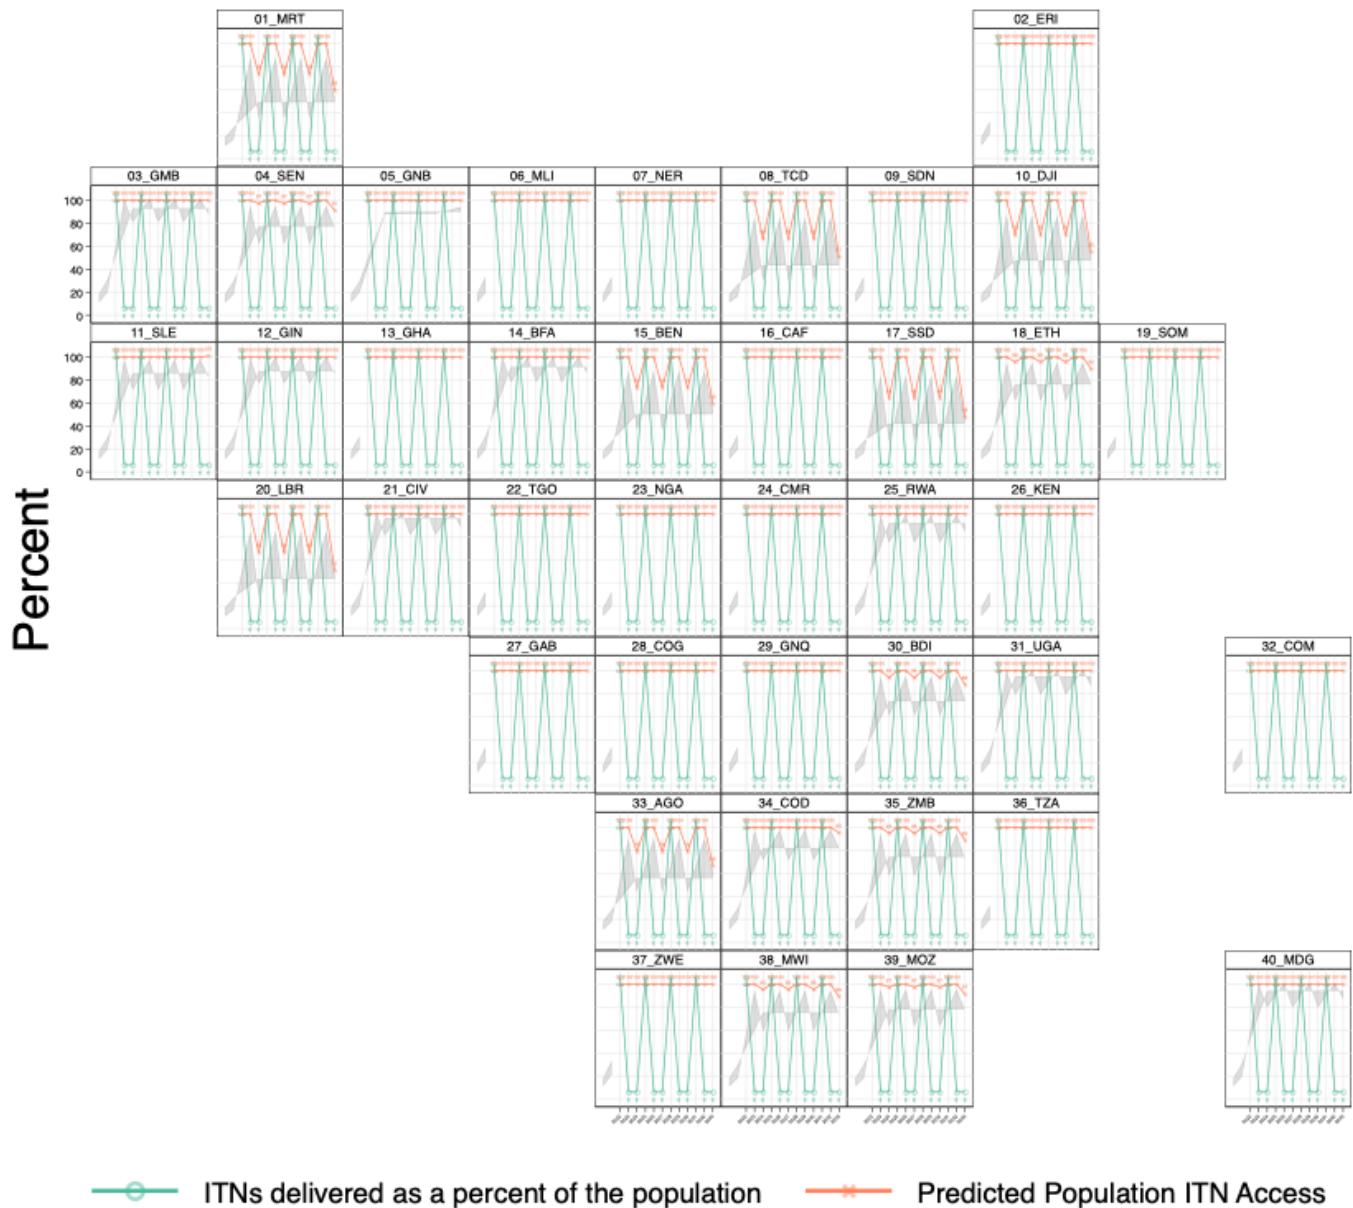

3-year mass campaigns with annual ANC-EPI at 6% and between-campaign distribution at 24%

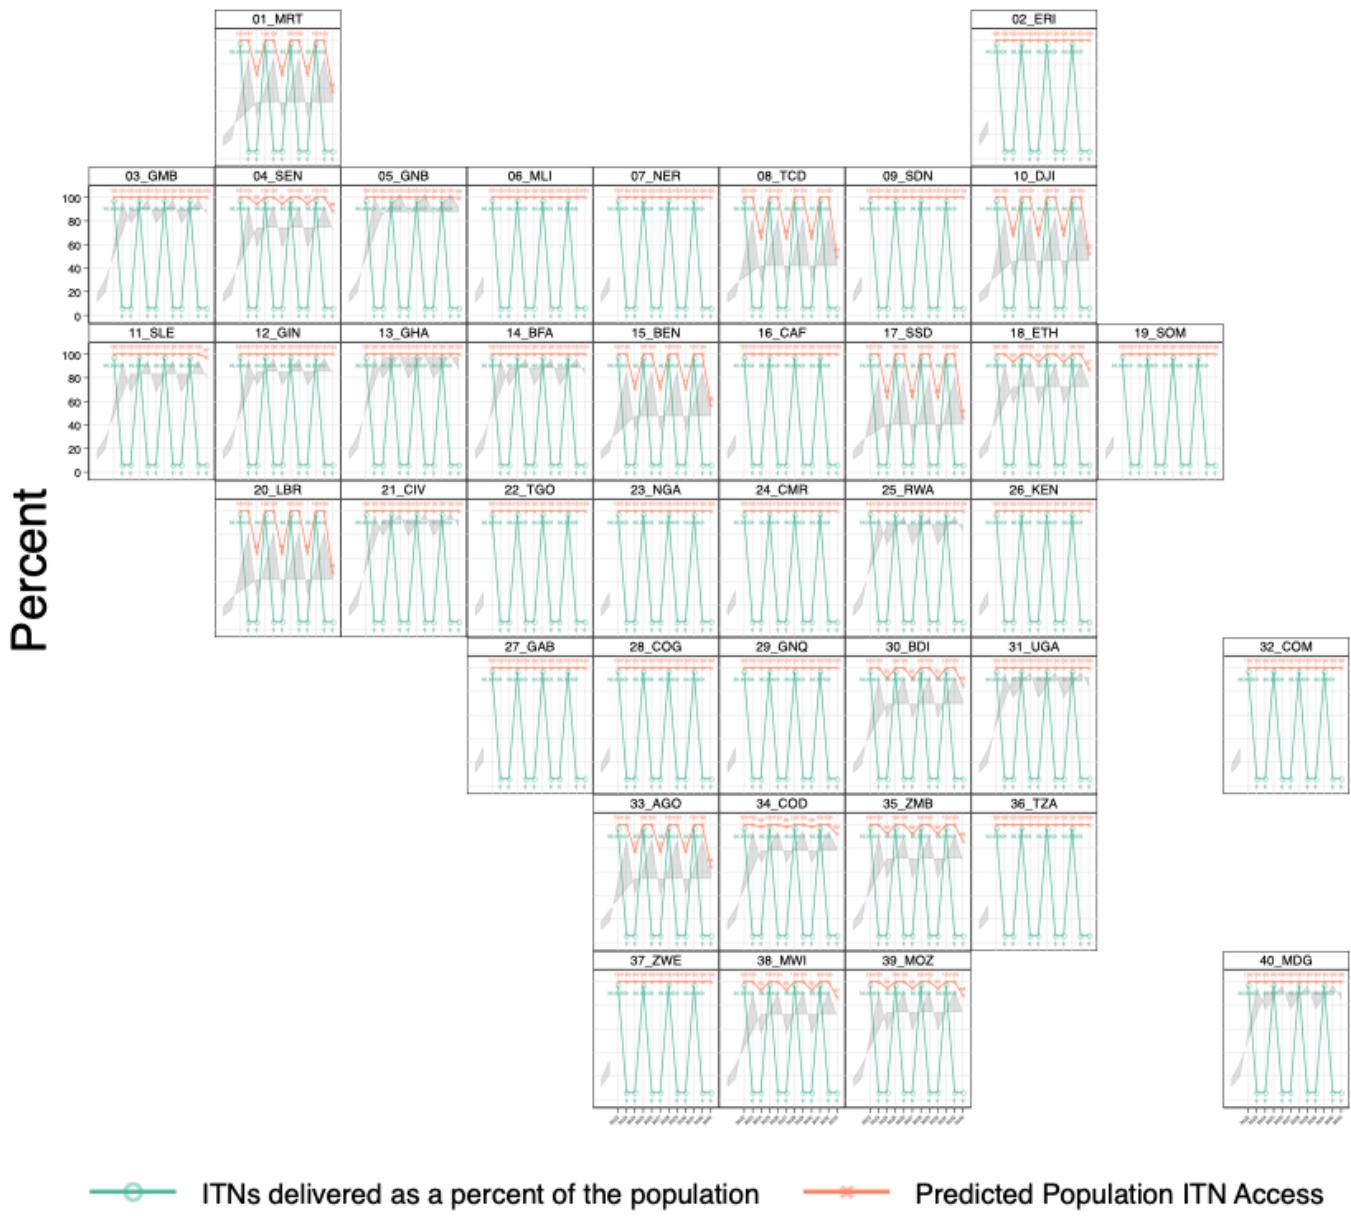

3-year mass campaigns with annual ANC-EPI at 6% and between-campaign distribution at 25%

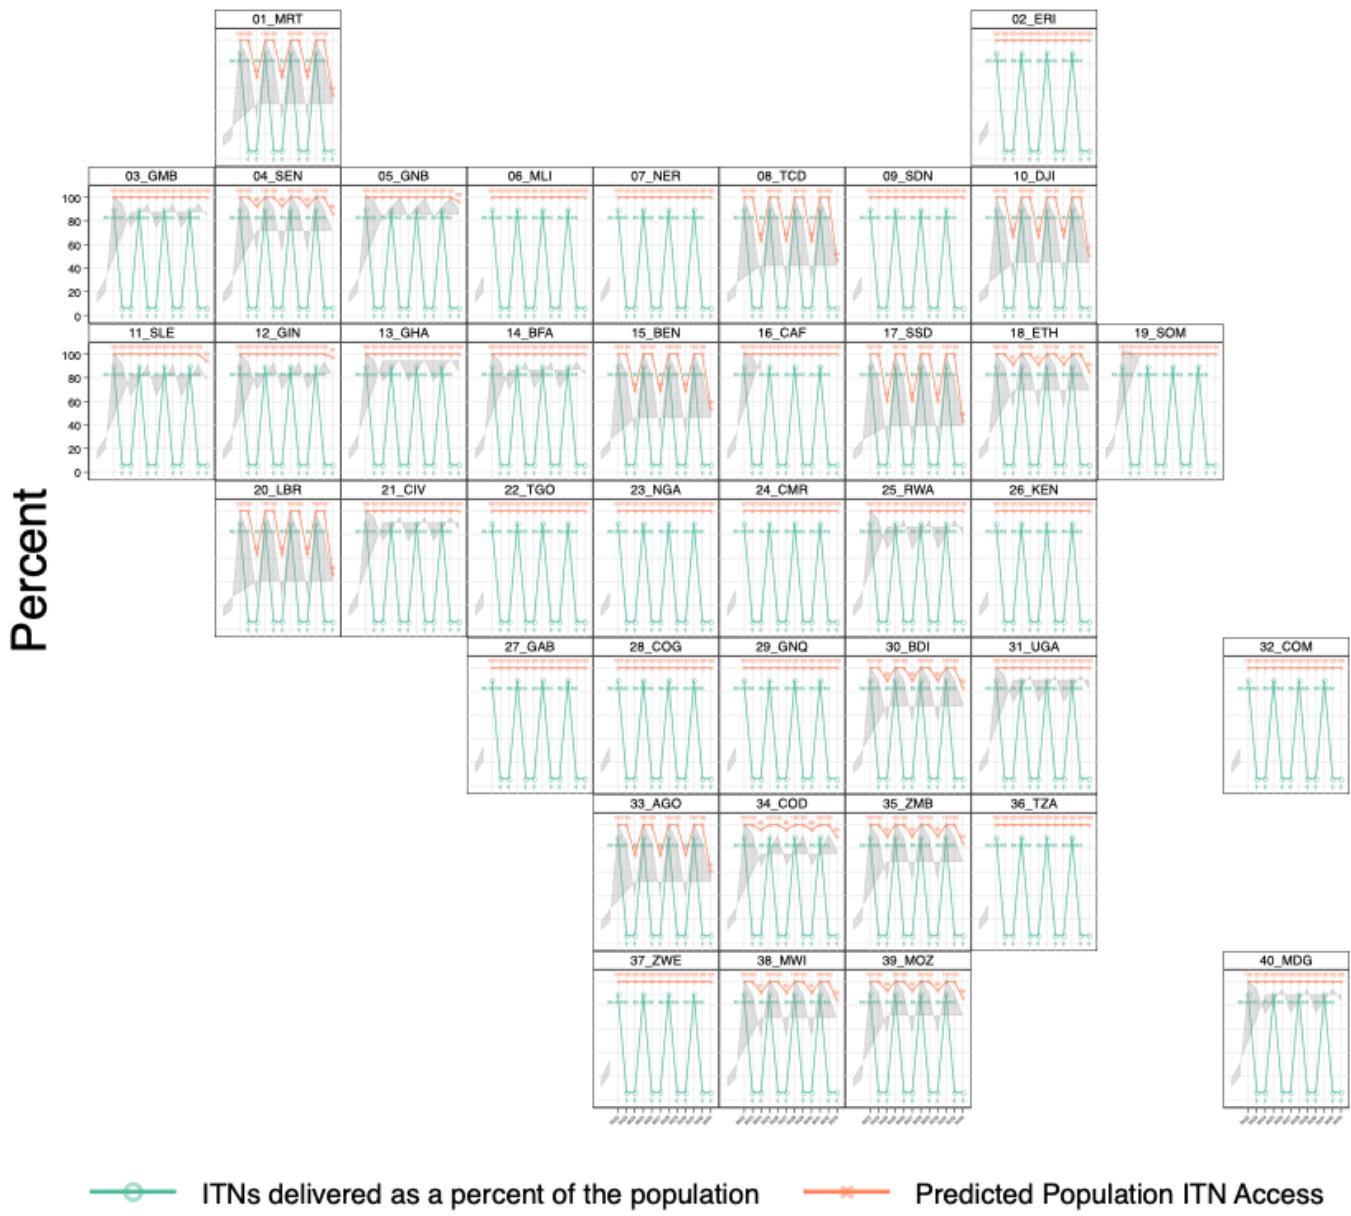

## 4. Projected ITN access from 3 year mass campaigns with varying quantifiers and 6% ANC-EPI distribution

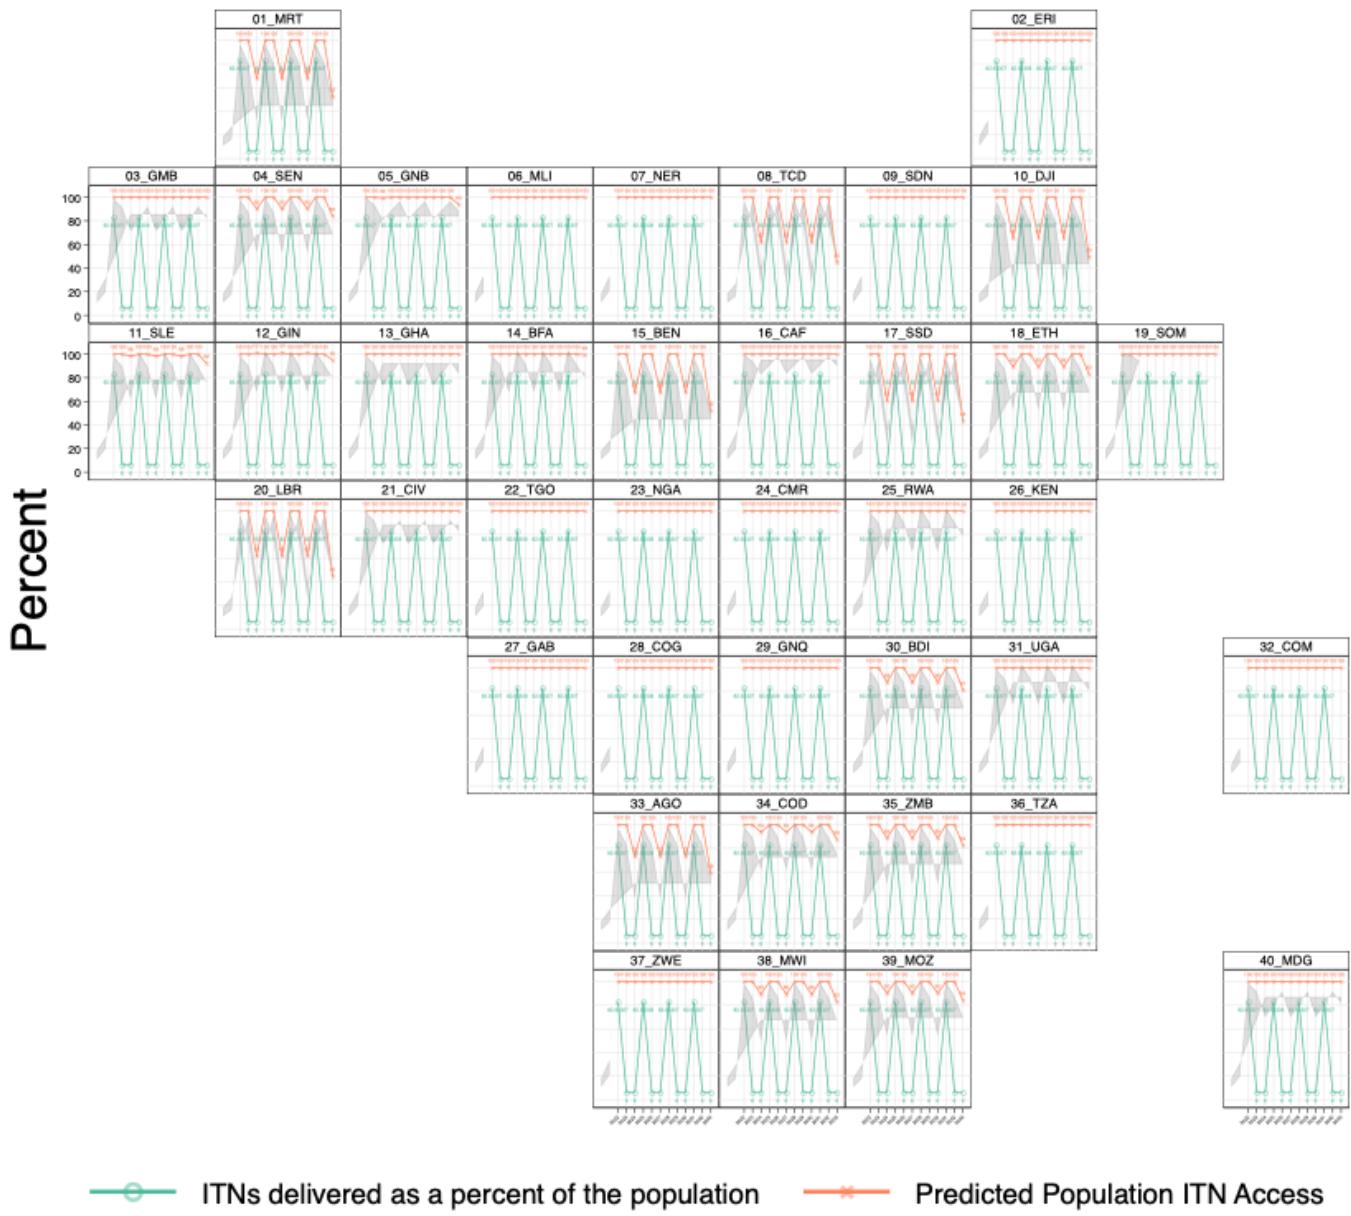

3-year mass campaigns with annual ANC-EPI at 6%; population/1

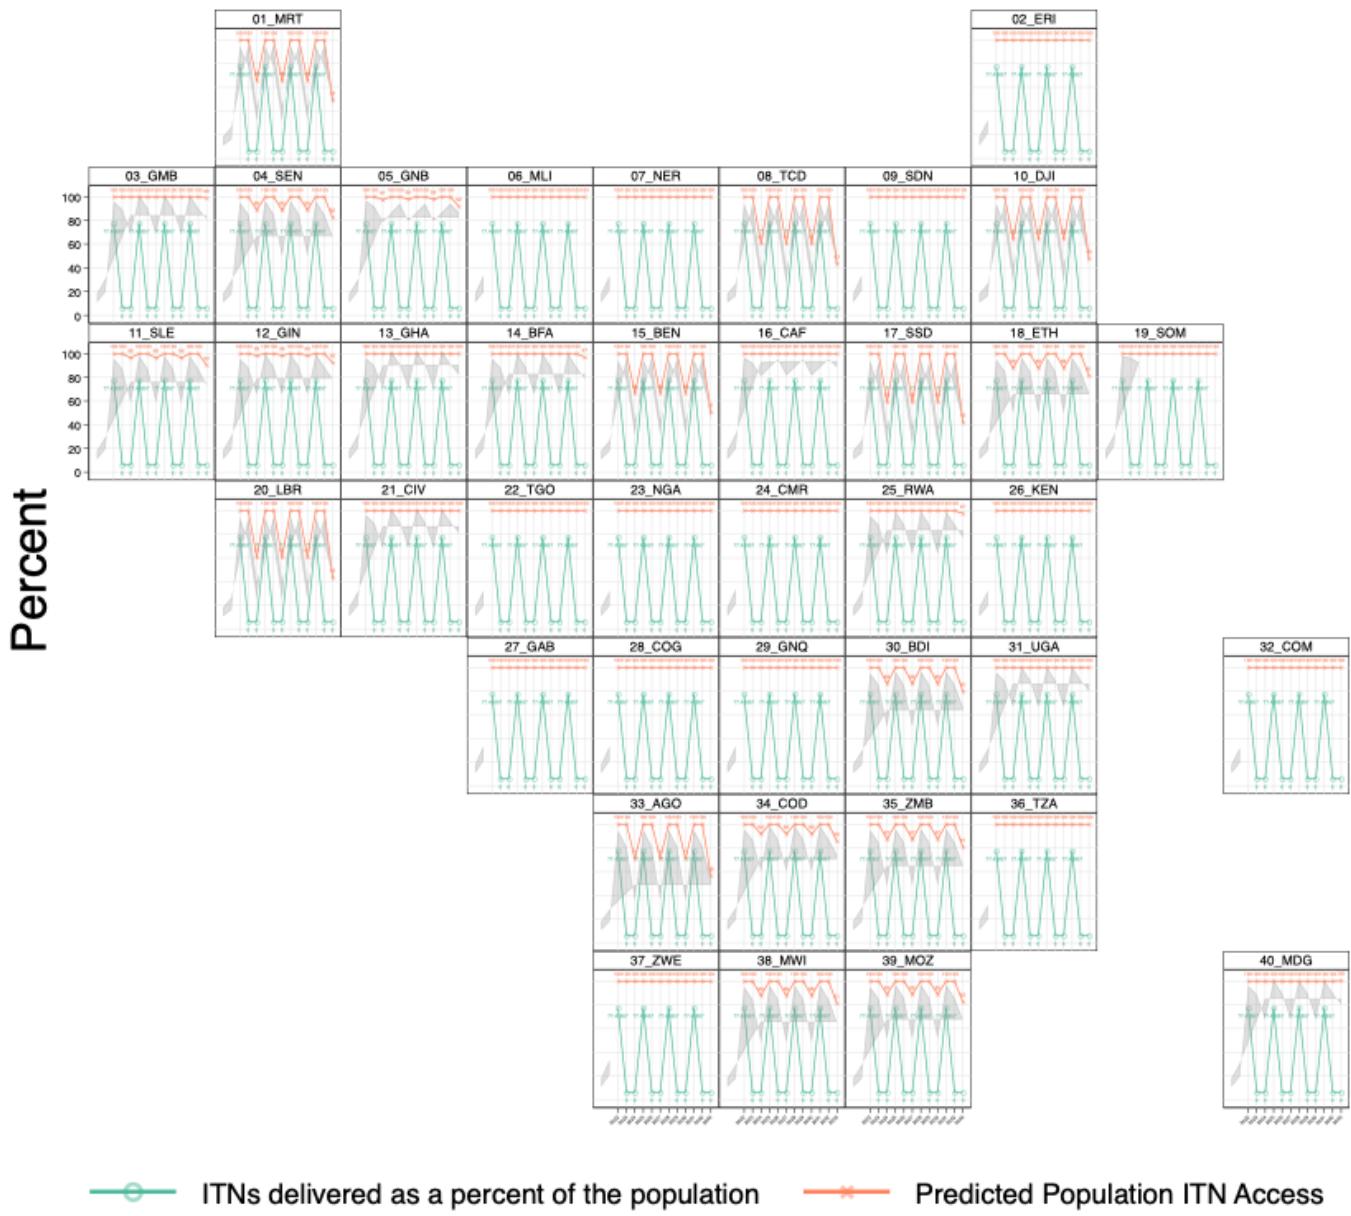

3-year mass campaigns with annual ANC-EPI at 6%; population/1.1

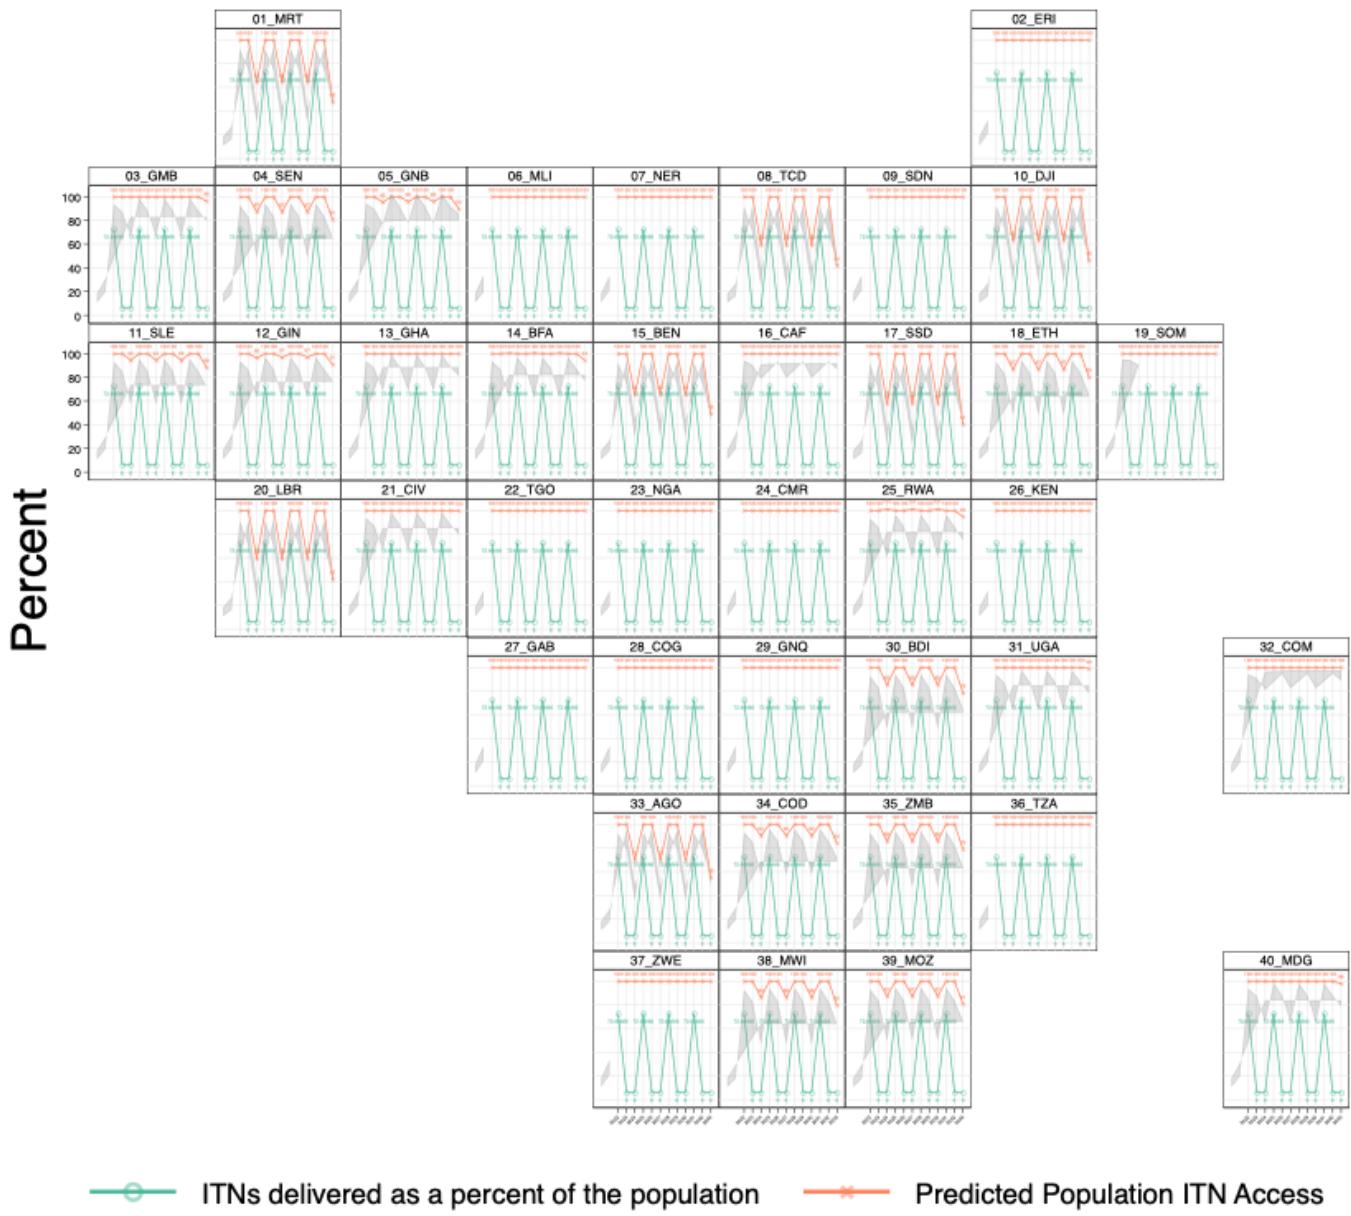

3-year mass campaigns with annual ANC-EPI at 6%; population/1.2

3-year mass campaigns with annual ANC-EPI at 6%; population/1.3

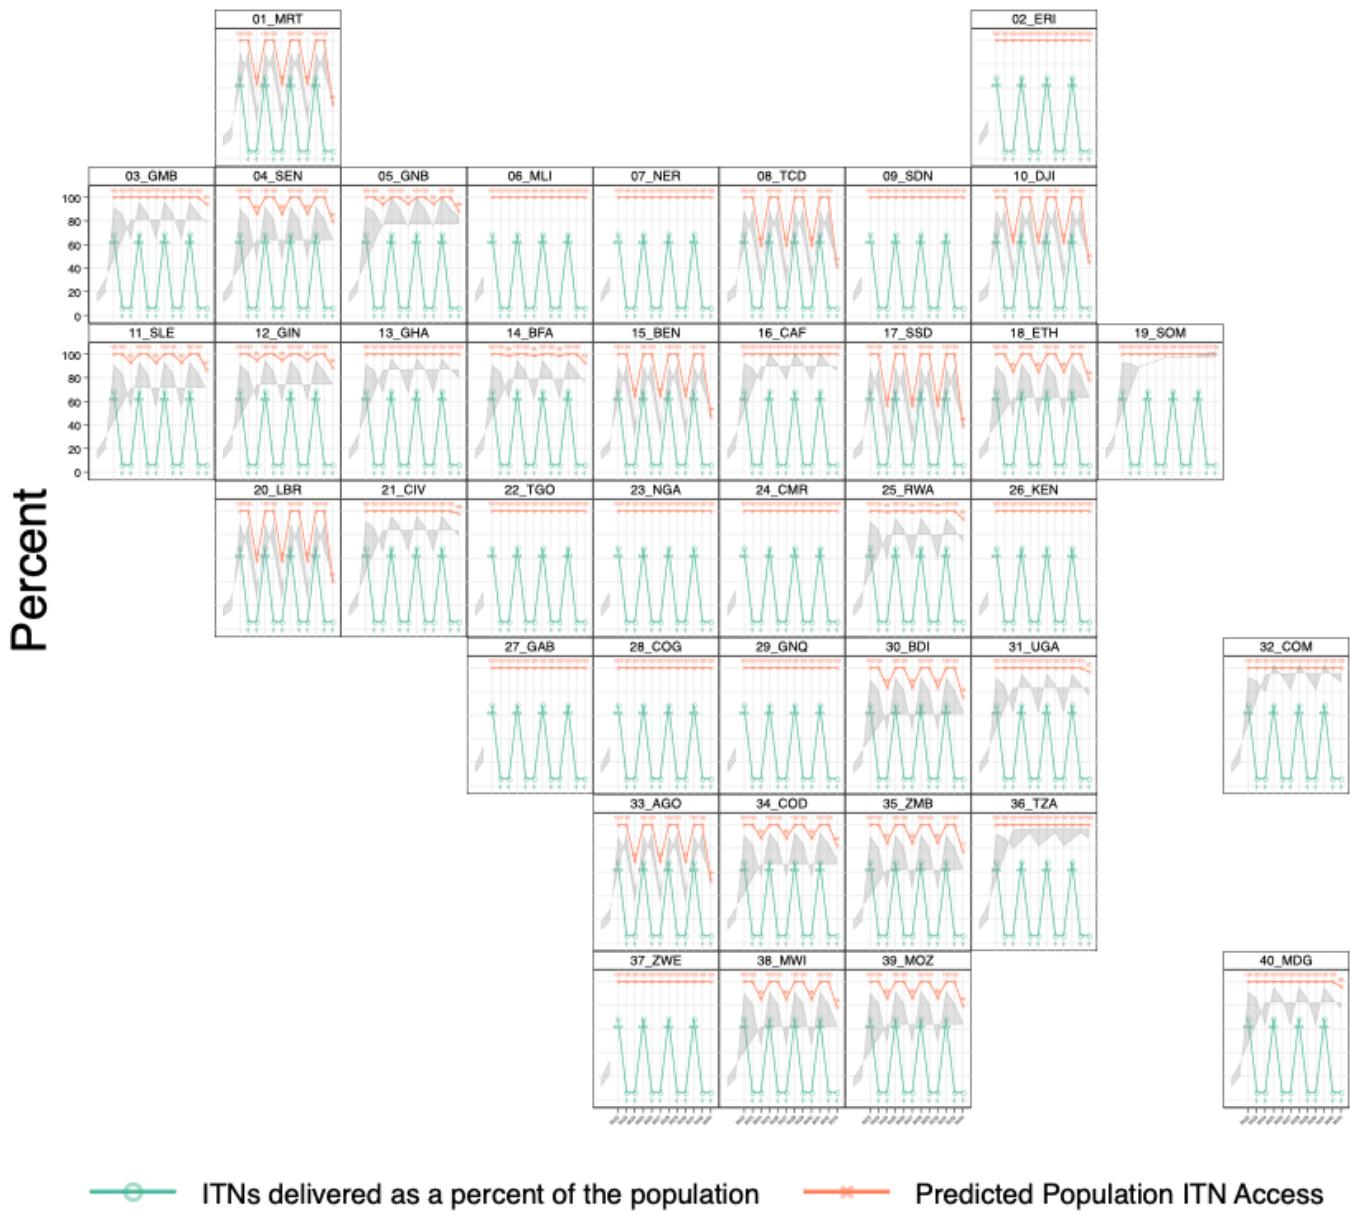

3-year mass campaigns with annual ANC-EPI at 6%; population/1.4

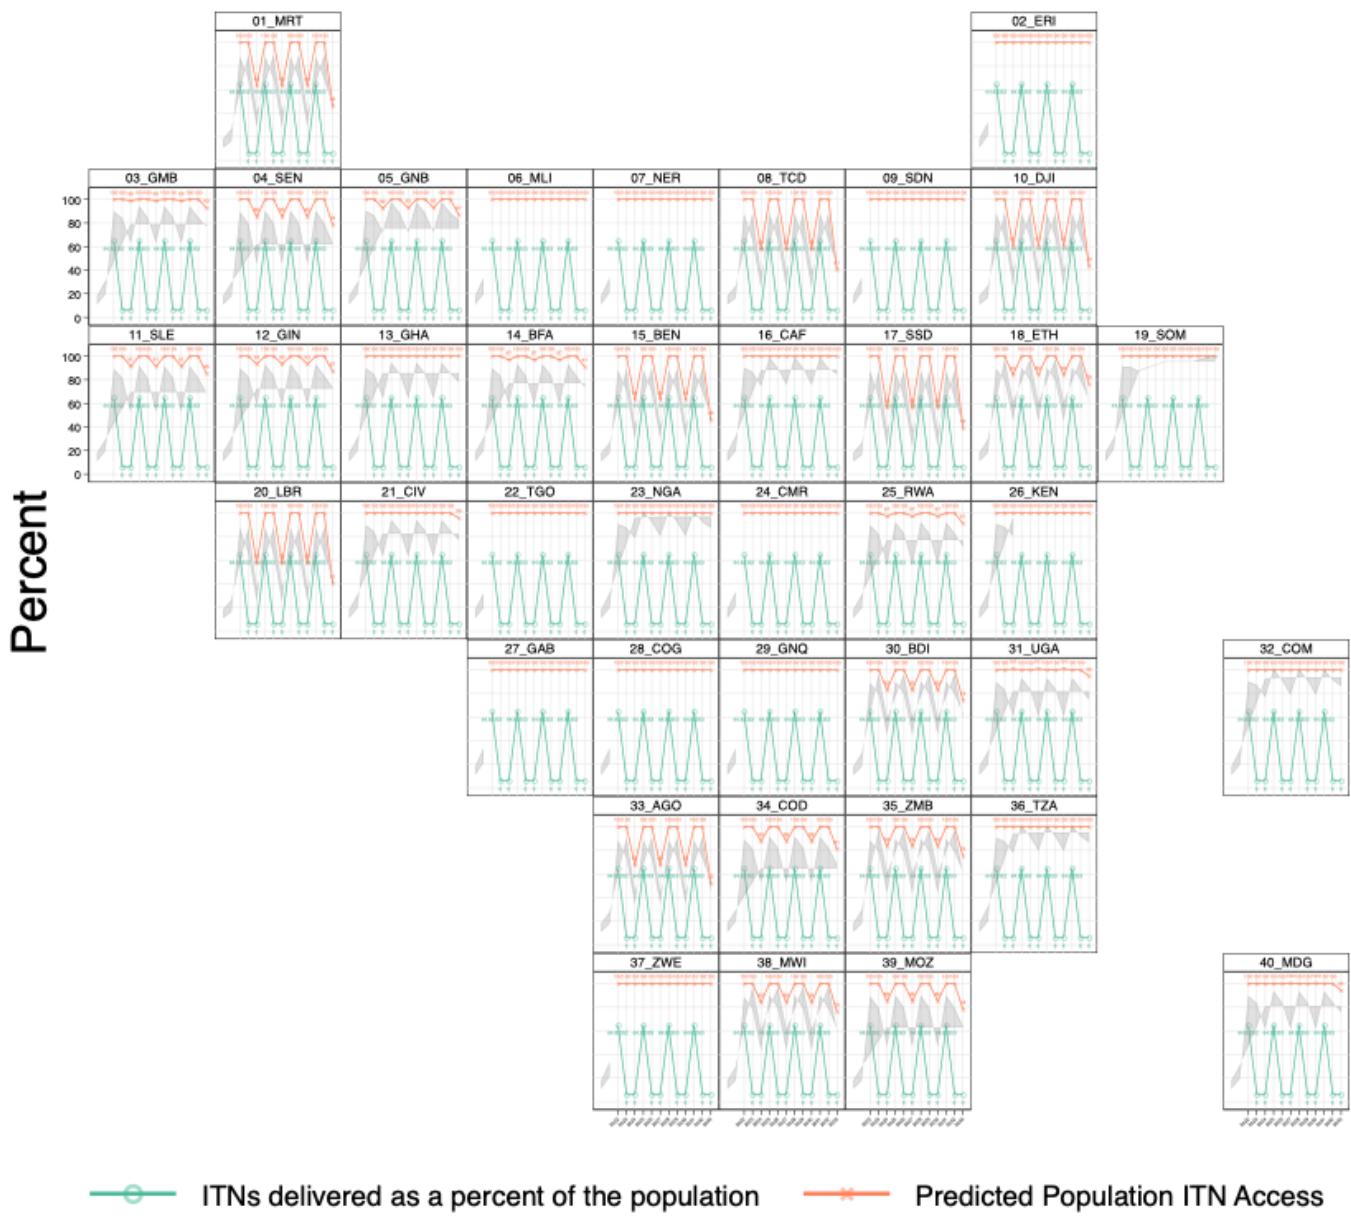

—●— ITNs delivered as a percent of the population      —★— Predicted Population ITN Access

3-year mass campaigns with annual ANC-EPI at 6%; population/1.5

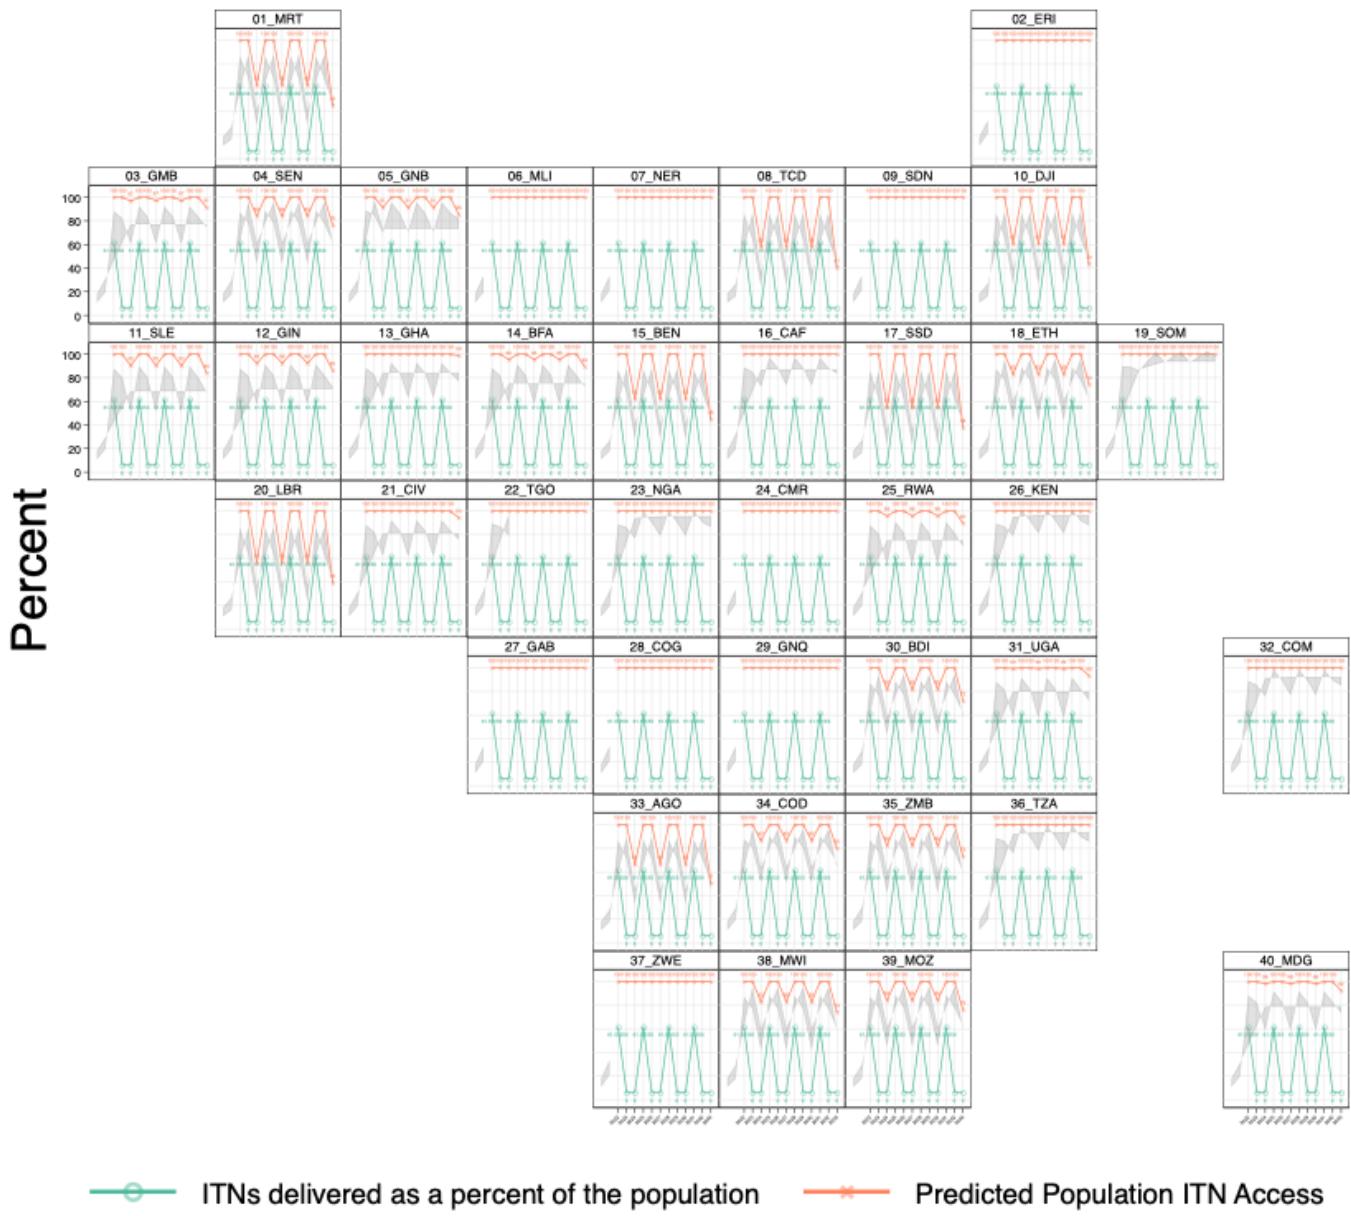

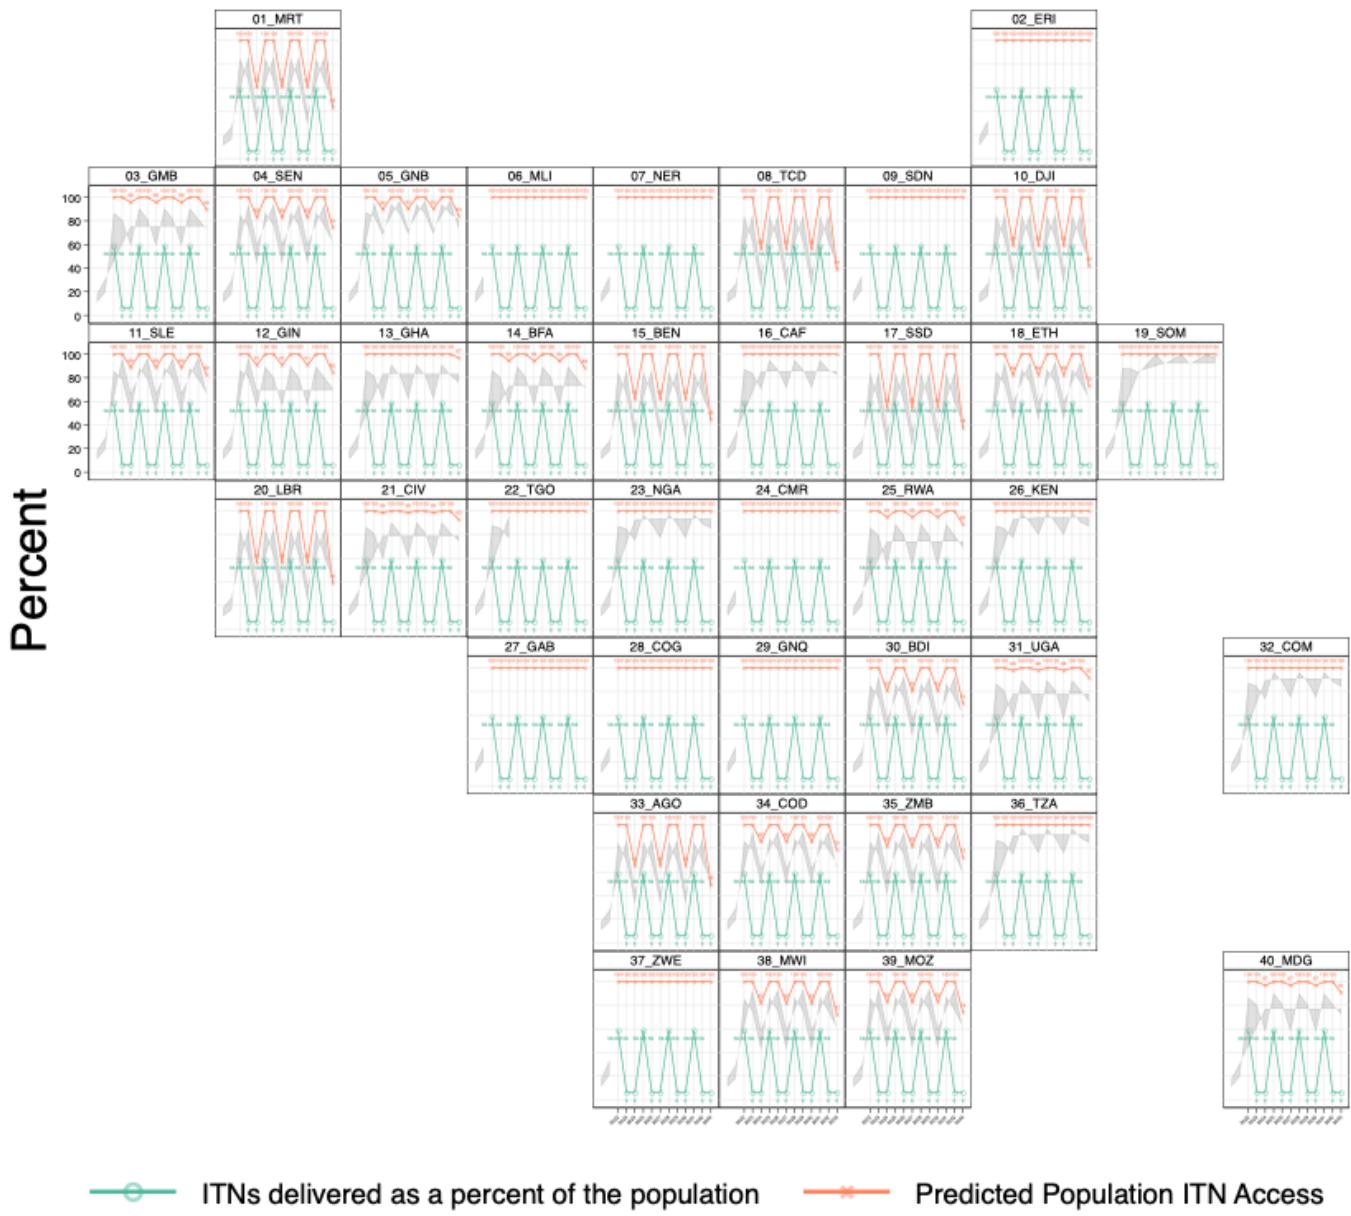

3-year mass campaigns with annual ANC-EPI at 6%; population/1.6

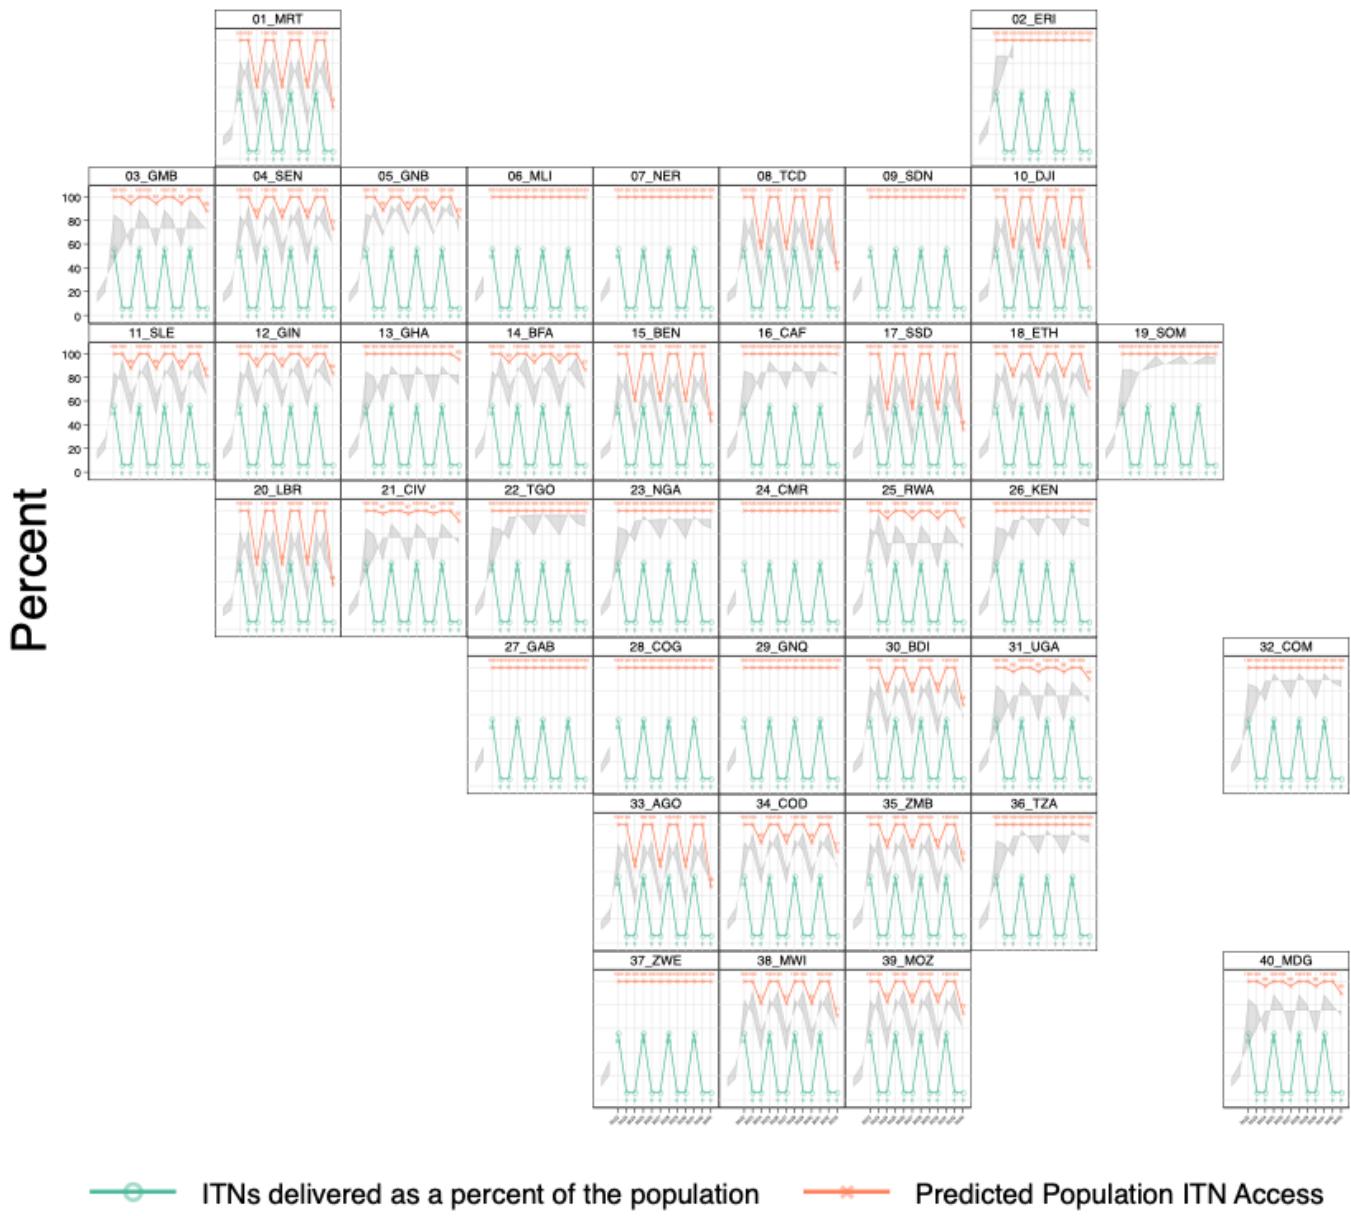

—●— ITNs delivered as a percent of the population      —★— Predicted Population ITN Access

3-year mass campaigns with annual ANC-EPI at 6%; population/1.7

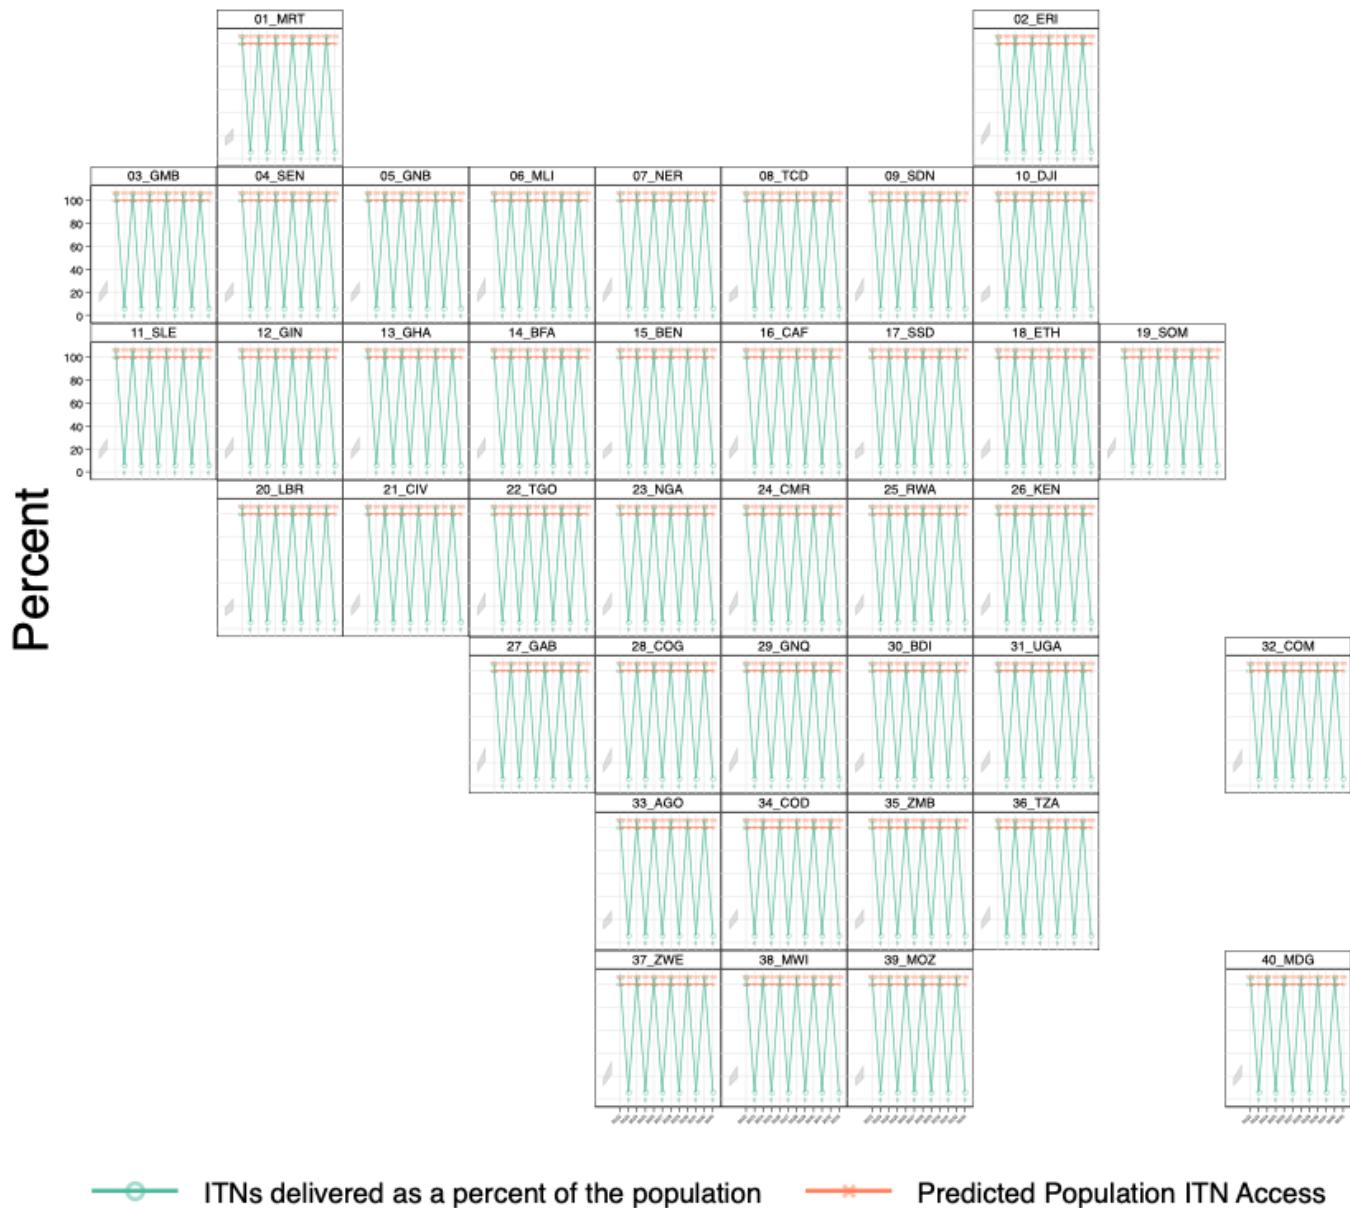

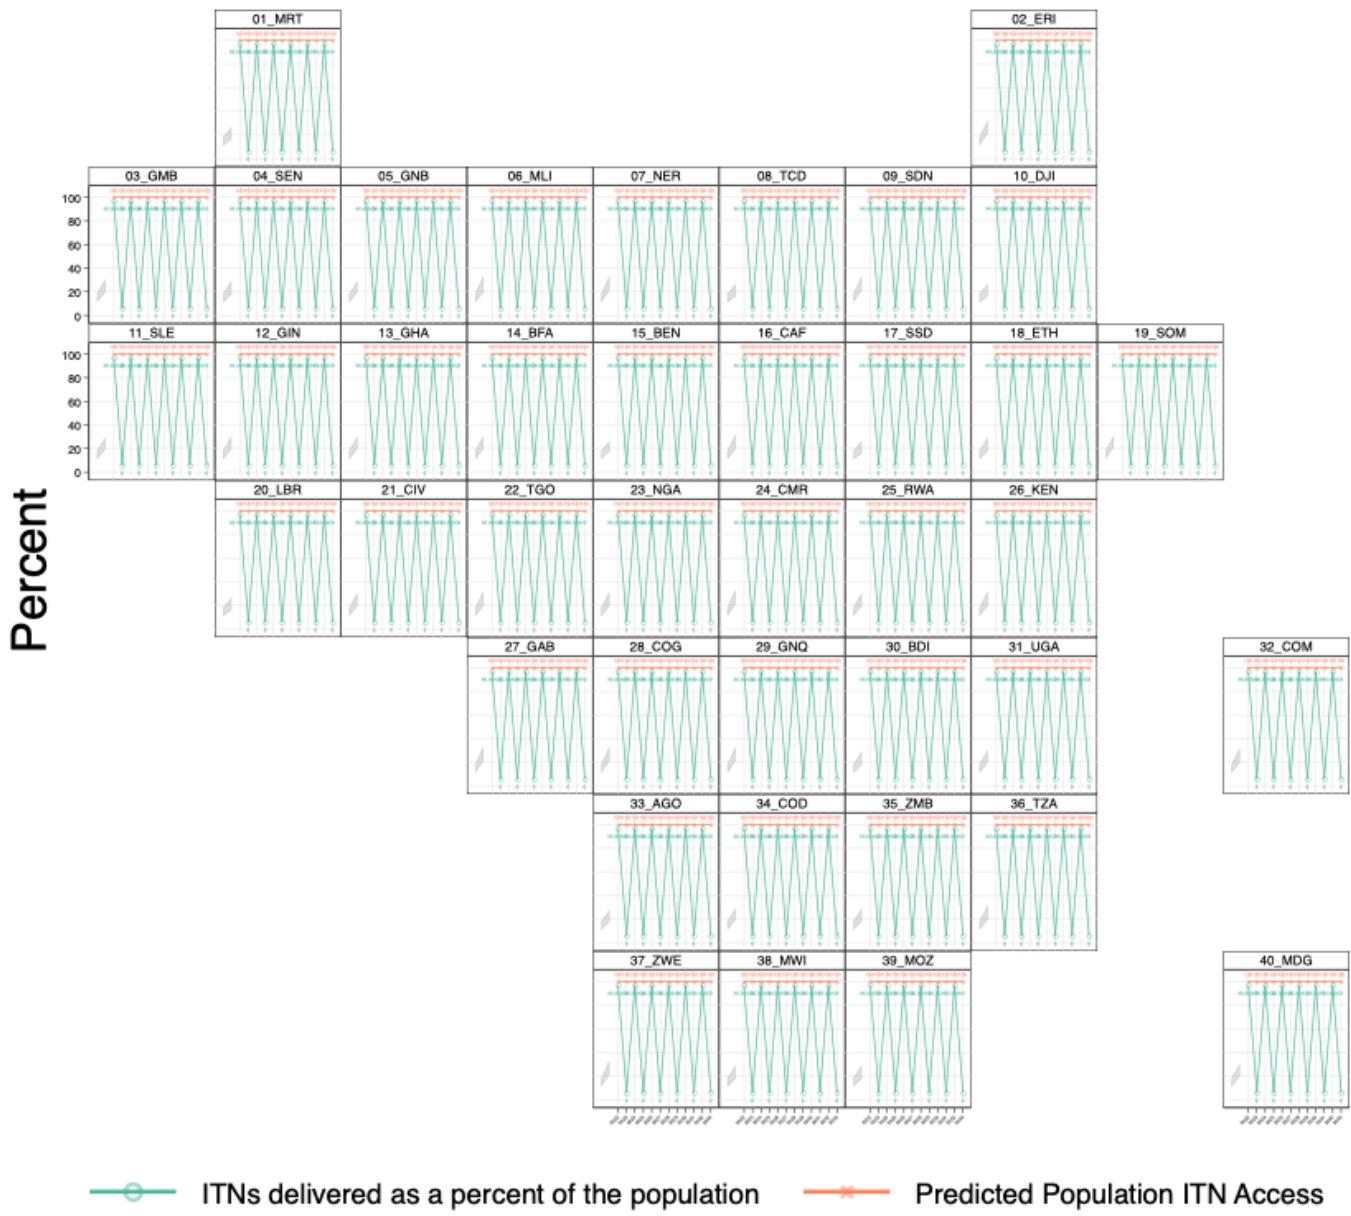

3-year mass campaigns with annual ANC-EPI at 6%; population/1.9

3-year mass campaigns with annual ANC-EPI at 6%; population/2

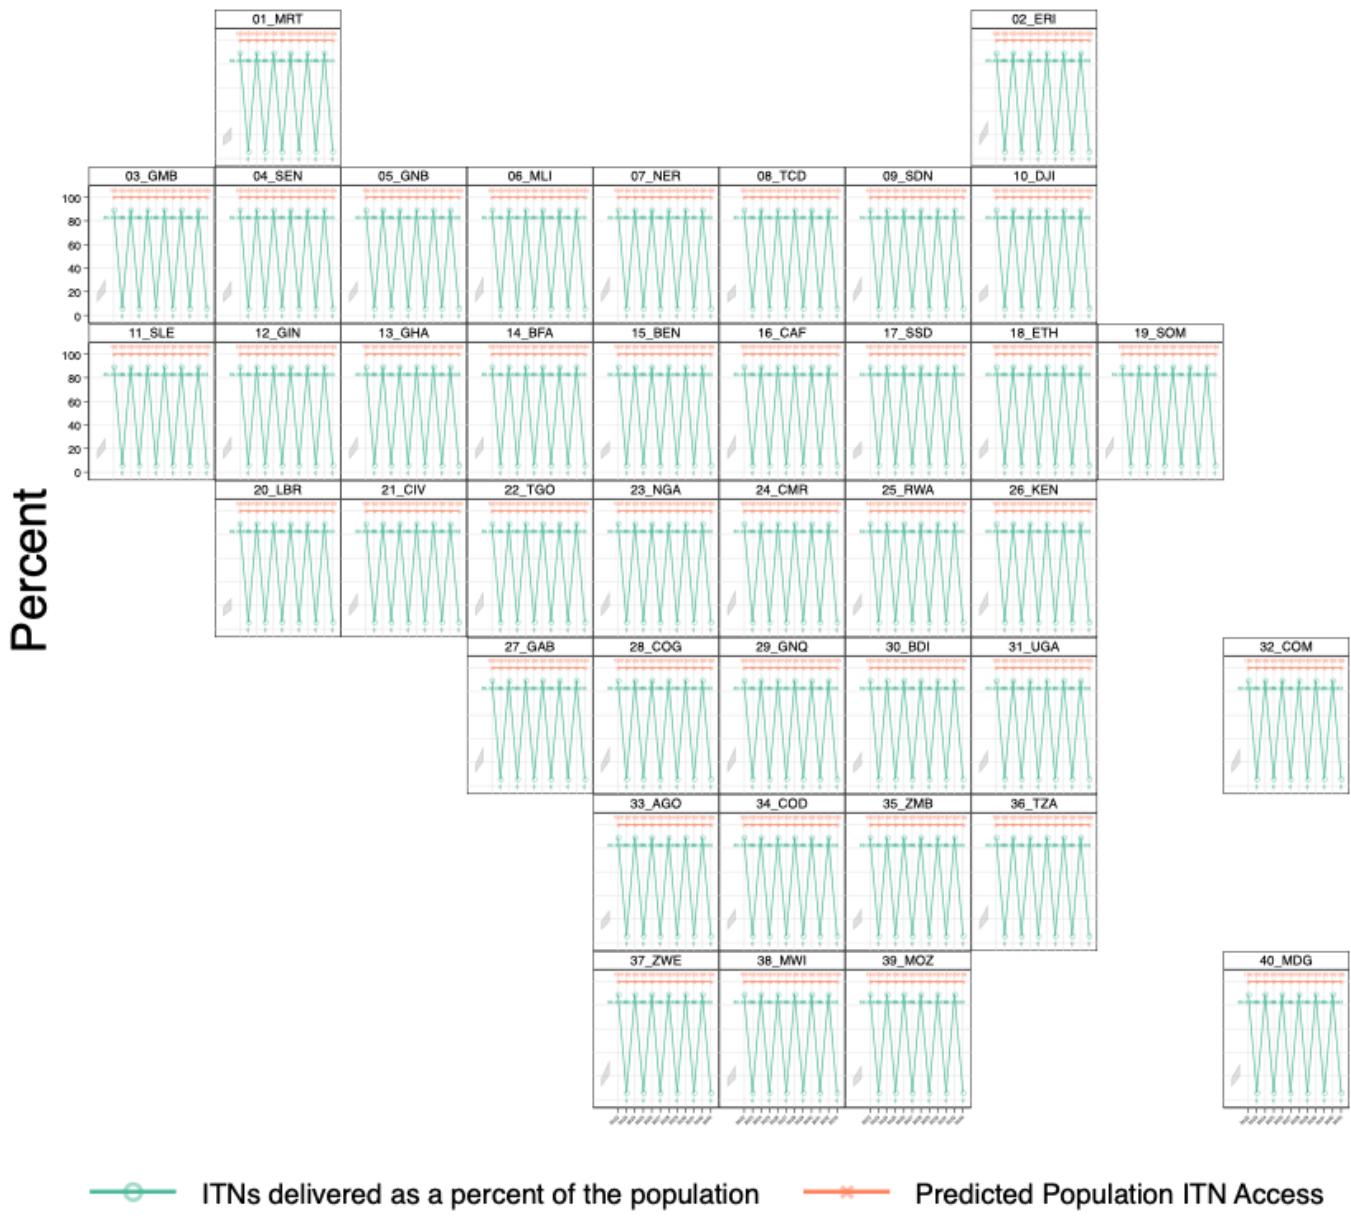

## 5. Projected ITN access from 2 year mass campaigns with varying quantifiers and 6% ANC-EPI distribution

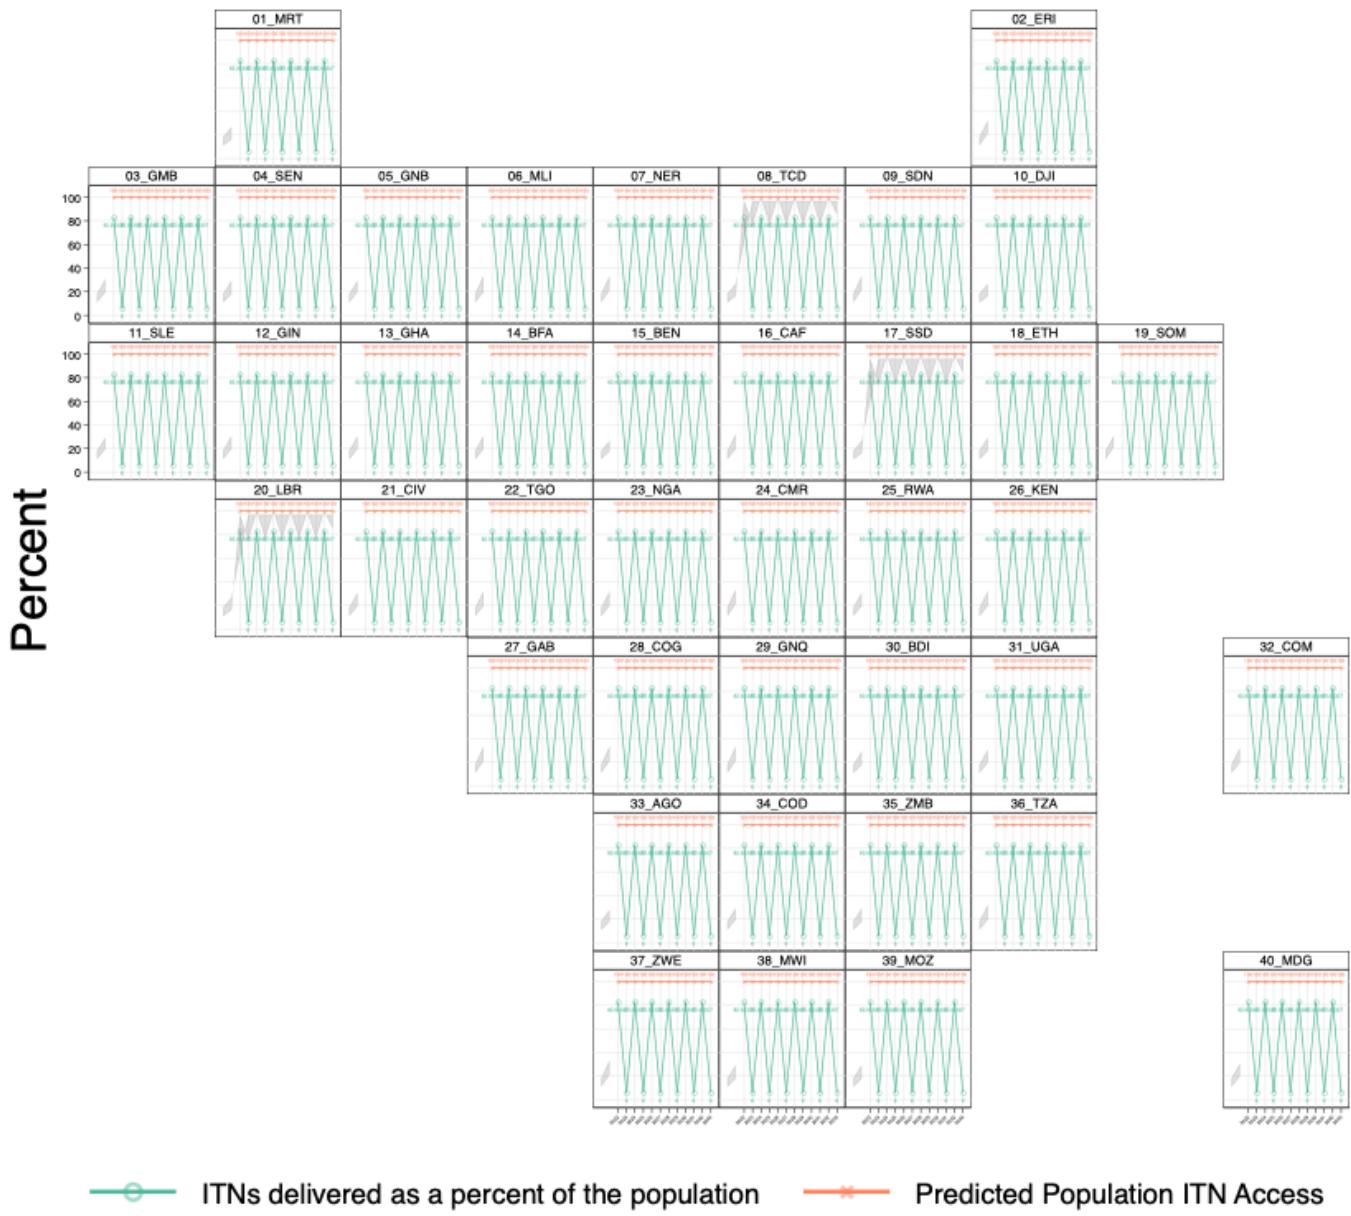

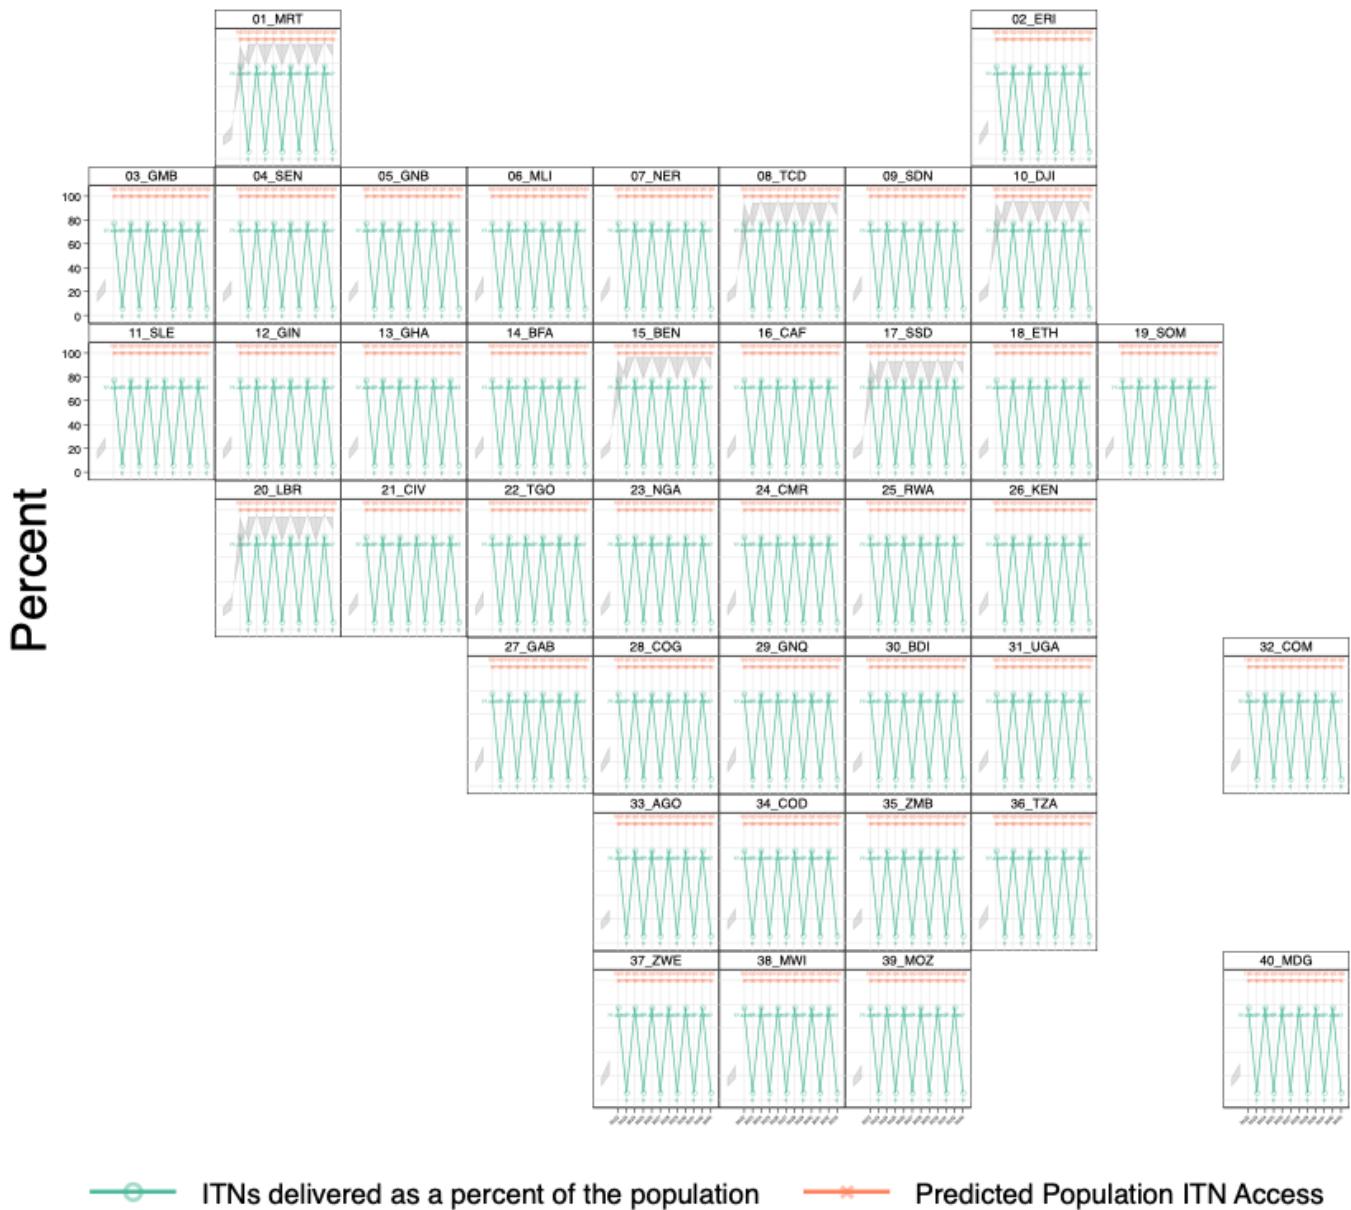

—●— ITNs delivered as a percent of the population      —★— Predicted Population ITN Access

2-year mass campaigns with annual ANC-EPI at 6%; population/1.1

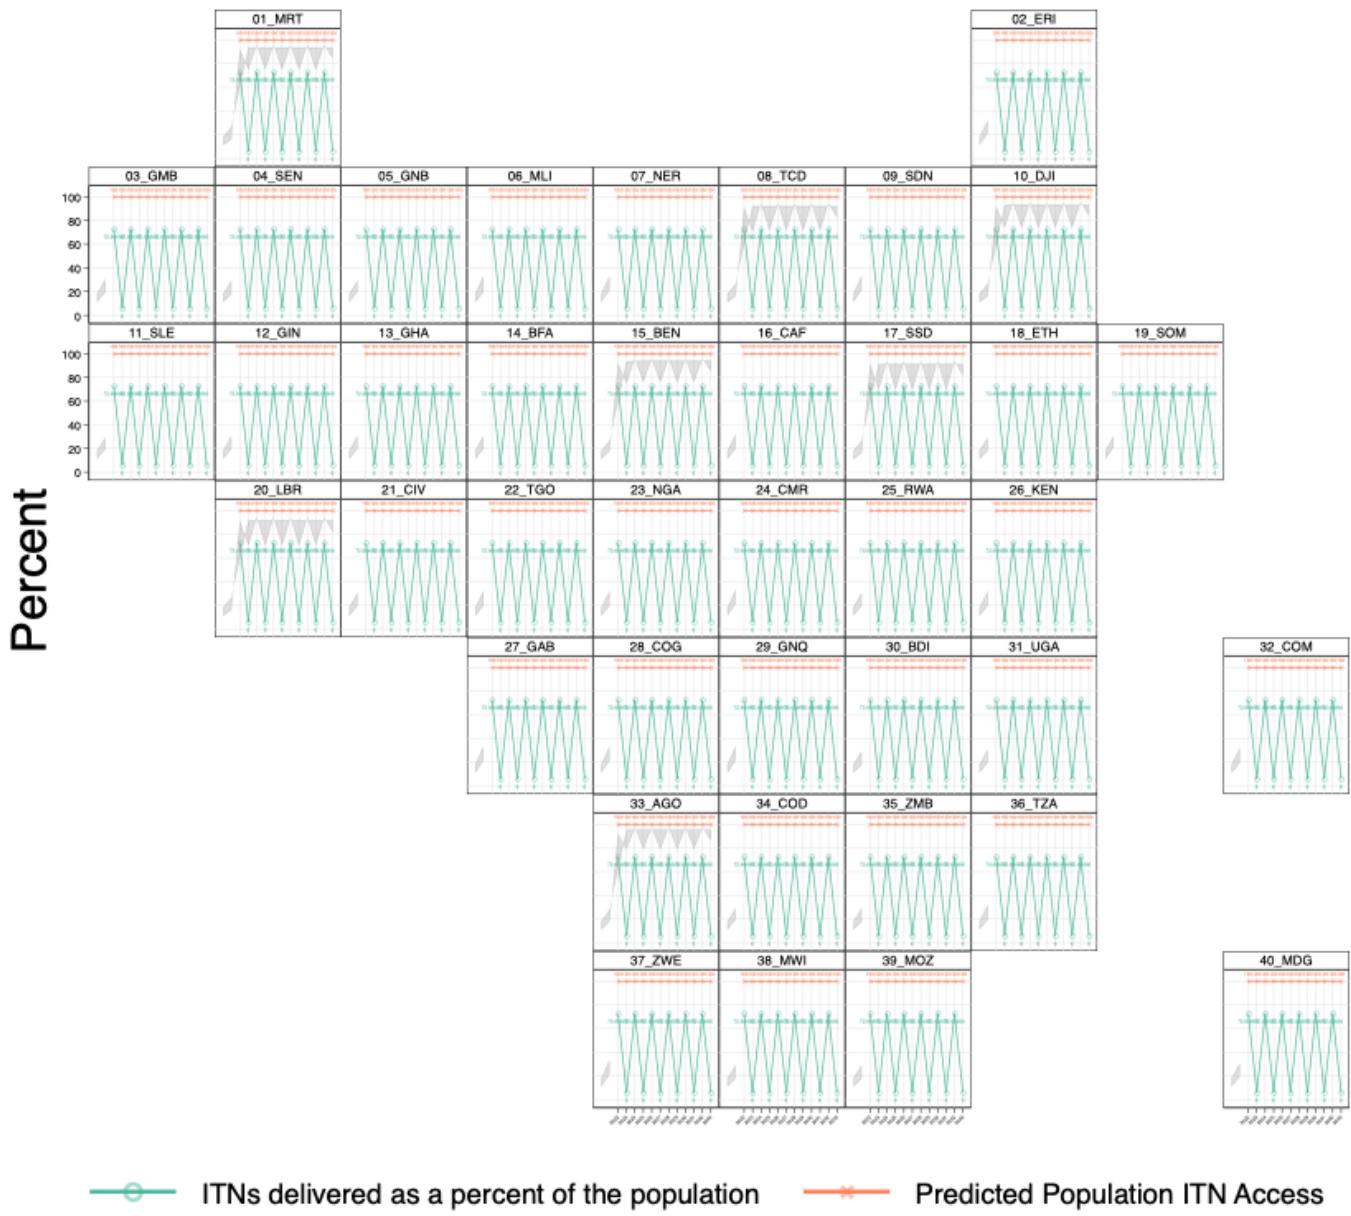

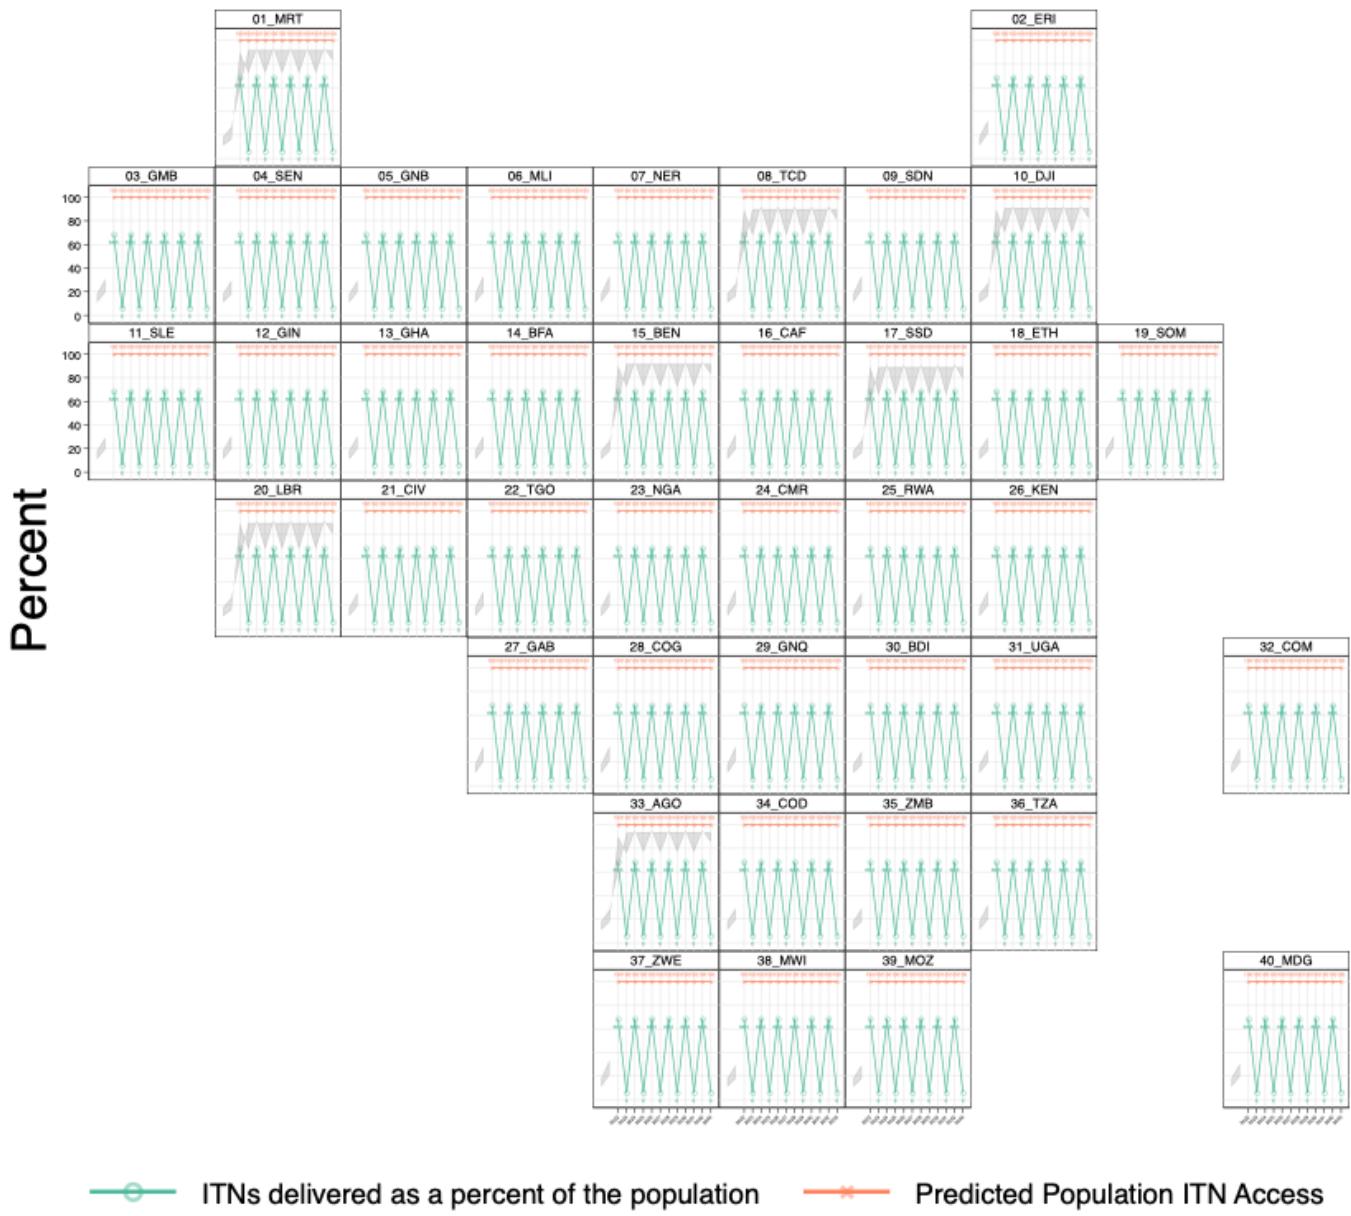

2-year mass campaigns with annual ANC-EPI at 6%; population/1.3

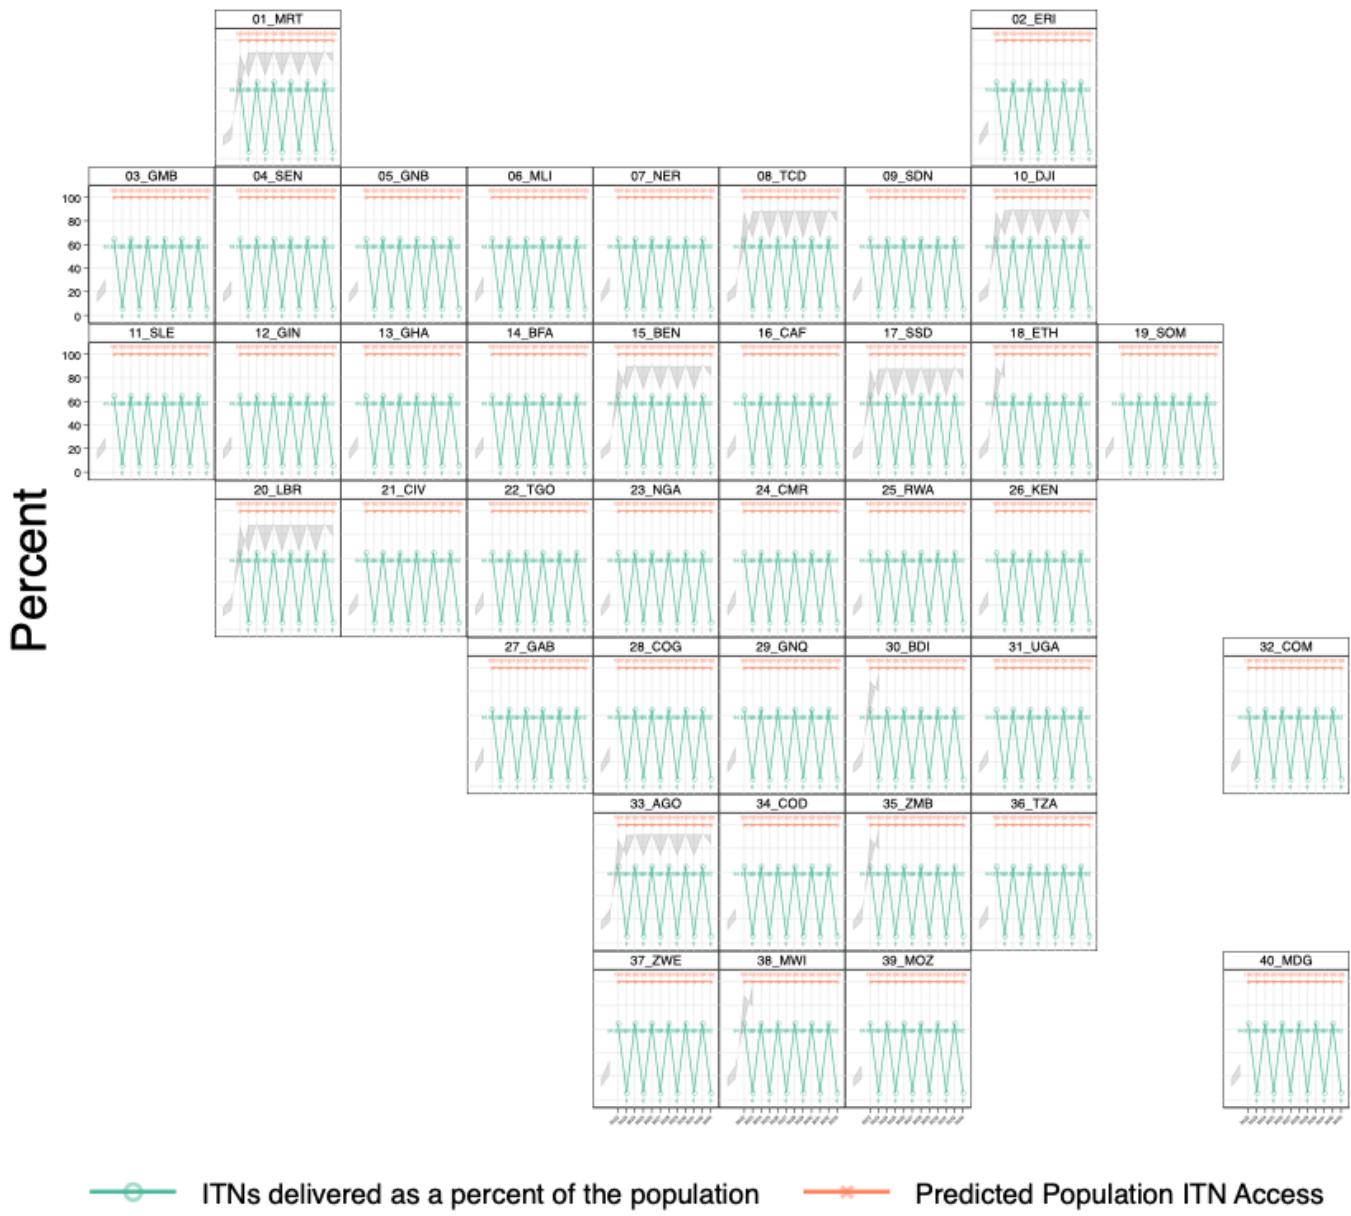

—●— ITNs delivered as a percent of the population      —★— Predicted Population ITN Access

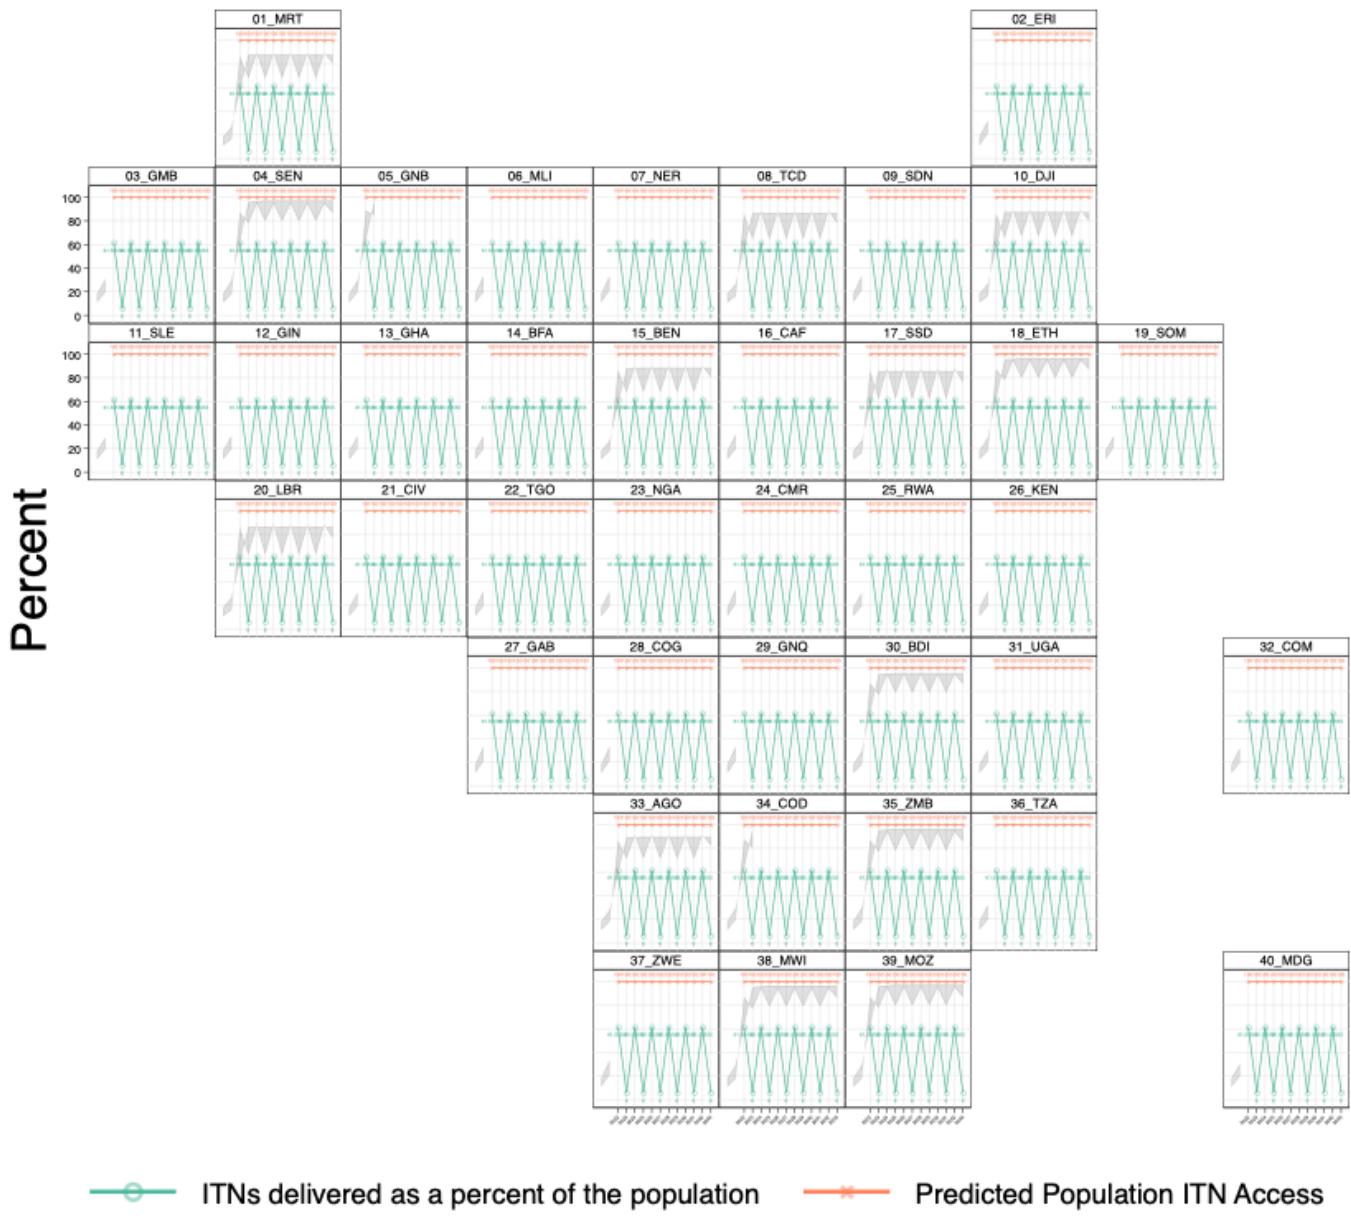

2-year mass campaigns with annual ANC-EPI at 6%; population/1.4

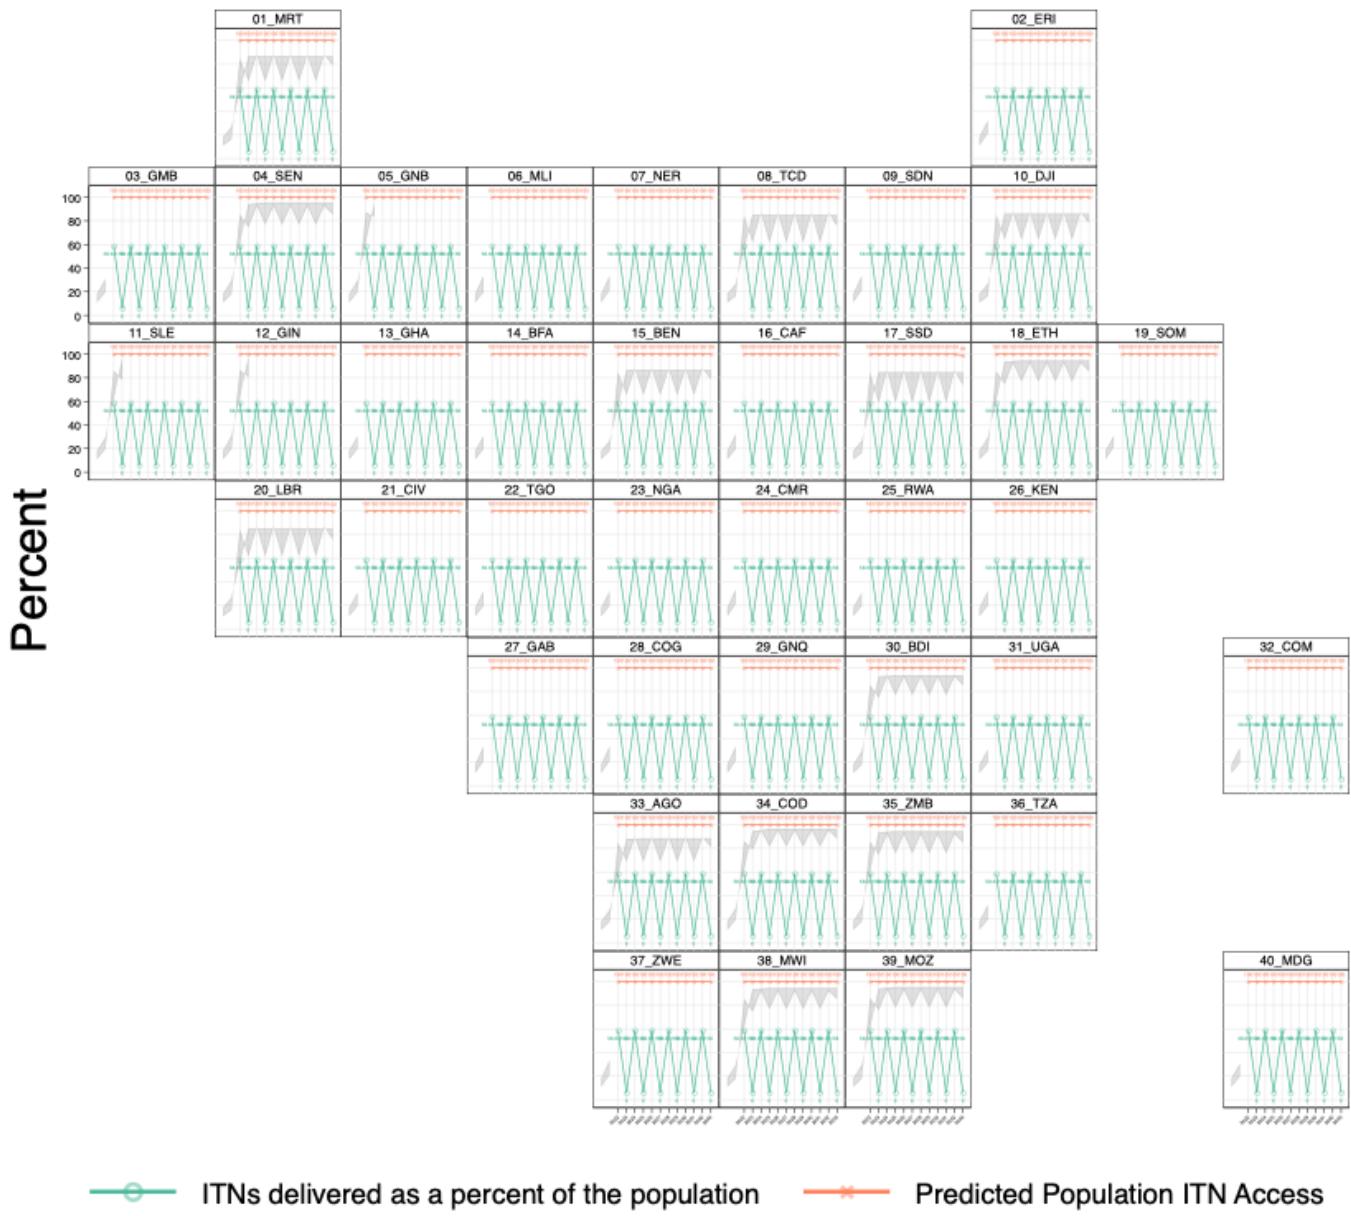

2-year mass campaigns with annual ANC-EPI at 6%; population/1.6

2-year mass campaigns with annual ANC-EPI at 6%; population/1.8

—●— ITNs delivered as a percent of the population      —★— Predicted Population ITN Access

2-year mass campaigns with annual ANC-EPI at 6%; population/1.9
